Please note the following dates in your diary

TERM 4

Tuesday 15th October
PFA Meeting—7.30 pm Staff Room

Wednesday 16th October
Casual Clothes Day—JSC initiative

Thursday 17th October
Secondhand Uniform Shop—9am

Friday 18th October
Assembly—School Hall 9am

Monday 21st October
Auditory Processing Parent Seminar 2.30 - 3.30pm School Hall

Tuesday 22nd October
Eating Disorder Information Session - 7.30 pm Staff Room

Friday 25th October
World Teacher’s Day

Saturday 26th October
PFA Kids’ Disco

Thursday 31st October
Secondhand Uniform Shop—9am

Tuesday 5th November
Melbourne Cup Day Public Holiday

Thursday 7th November
Grade 2 Sleepover

Friday 8th November
2014 Prep Orientation - 2.15pm to 3.15pm

Friday 15th November
2014 Prep Orientation - 2.15pm to 3.15pm

Saturday 16th November
PFA Cocktail Party/Auction Night Function

Thursday 21st November
2014 Prep Orientation - 11.45am to 1.30pm

Thursday 28th November
2014 Prep Orientation - 11.45am to 1.30pm

Thursday 12th December
Grade 6 Graduation

PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

A LITTLE TIME TO REFLECT

I hope you enjoyed some quality time together and some special activities with family and friends during the recent holiday period. As term four commences it’s timely to reflect on last term and feel very satisfied with the outcomes of a number of major school programs, such as the whole school swimming program and the Senior and Junior Athletics Programs. We thank all staff, parents and students who contributed to the success of our various sporting adventures, and we particularly thank Mr Champion for his hard work and organisation throughout last term.

We are committed to offering broad curriculum choices to our students but at all times we remain focussed on academic pursuits. The inquiry-learning model again prompted much interesting and relevant learning and deeper understanding for our students throughout last term. The showcasing of their learning by our students continued to be an integral part of the learning process. The student portfolios were maintained and were successfully shared with parents. The student led conferences, a feature of parent teacher interviews in grade 3 to 6 this year, were generally well received. Our regular and varied assessments of student learning indicate we are meeting the needs of our students and extending them appropriately.

We again thank the many parents who supported our inquiry units, excursions, incursions and PFA activities last term but just as importantly in coming along to watch your children present their learning in a variety of ways across many curriculum areas. We look forward to your ongoing support this term in various ways that present themselves.
2013 NAPLAN RESULTS
The results of our grades 3 and 5 students on the national testing (NAPLAN) were distributed to students and their families this week. We believe that students will be able to look closely at their NAPLAN achievements with their parents with a degree of satisfaction and pride and knowledge that they have done their best.

The diagrams below are the Year 3 and 5 ‘School Summary Reports’ for the areas tested. The dark red boxes represent the school’s performance while the light cream boxes represent the State results. The horizontal line represents the medium score (mid-score). I think you will agree that our 2013 aggregated results in both years 3 and 5 are ones to be proud of.

YEAR 3

YEAR 5

Our goals and priorities at CPS are to support our students from prep to year 6 academically, socially and emotionally. As a staff we regularly discuss our passions to ensure we are instilling a love of learning across many curriculum areas in the students whom we support and care for each and every day. NAPLAN is just one assessment of each child’s learning and we are committed to developing the whole child through a wide curriculum that extends well beyond what NAPLAN assesses.

Fine results, as those above, are achieved because we support students to participate in more formal assessments such as this. Literacy and Numeracy are key curriculum priorities for us each day within our classrooms. As discussed previously, considerable professional learning for teachers occurs in Literacy and Numeracy.

Teachers work hard to use all our teaching spaces in innovative and flexible ways, adopting collaborative, engaging and targeted teaching methods to ensure all students have better opportunities to be challenged at their point of need. We also continually monitor and review our progress as a team of teachers to ensure we always strive to be better at what we do.
DANCE AROUND THE WORLD CONCERT
There were many thanks given on the night but once again we need to congratulate our students for the wonderful entertainment they provided in our Dance Around the World concert. Ms Bolger was so proud and most satisfied that the investment in this aspect of The Arts came to fruition in such a way. Great as the night was, of course it was the journey for the children that was most beneficial, learning their dances over eight weeks of lessons and then practising and preparing to put on a show. Thank you parents for your amazing support. Thanks, teachers for your hard work and thanks Bron and Footsteps Dance Company for your professional tuition. We now have a great DVD for sale. All details of how to order and pay for this DVD can be found in the following pages.

AUDITORY PROCESSING PARENT SEMINAR
Just a reminder that we have an audiologist, Leslie Tan speaking to interested parents at a seminar in the school hall on Monday 21st October from 2.30pm to 3.30pm. Please let us know if you intend to attend.

ENROLMENTS FOR 2014
Plans for 2014 staffing are underway and budgets are being organised. To ensure the best possible outcomes for students and teachers, I am keen to organise plans for 2014 as soon as possible.

To support this planning please ensure your child has returned the form sent home last week which asks you if your child is remaining at Carnegie Primary School in 2014.

The Orientation Program for 2014 Preps will be held on Friday 8th November, Friday 15th November, Thursday 21st November & Thursday 28th November. The first two sessions run between 2.15 and 3.15. The third and fourth sessions will be from 11.45 till 1.30pm. All 2014 prep students are invited. If you would like further details, please call into the office.

SCHOOL FACILITIES
- Work on the shaded, tiered seating area near our Learning Centre to enhance school grounds and add another quality outside teaching and learning space to our school will commence in the coming weeks. The tender process was finalised recently and I look forward to seeing this come to fruition before the end of the year.
- I have been liaising with the DEECD Facilities branch over recent months and I have been notified that we are to receive an additional Mod 5 double portable to cater for increased enrolments in 2014. If plans go as I wish this portable will be ready to occupy for the commencement of the 2014 school year and will be two year 4 classrooms. This new portable will be housed next to the current far portable. I will keep the community informed of progress.

IMPORTANT DATES FOR YOUR DIARIES
Year 1 to 6 pupils will resume on Thursday 30th January, 2014. Preps will commence on Friday 31st January. Please note the following dates in next year’s diary. The 28th and 29th January are scheduled pupil free days for 2014. On these days teachers will participate in professional development in preparation for a smooth start to the school year.

LOTE LANGUAGE SURVEY
Thank you to the many families who responded to our LOTE survey, gauging people’s interest in a switch of our LOTE Language program from Italian to Japanese. Although there was greater support for Japanese by parents (84 – 66), staff (14 – 10) and students (160 – 87), a decision has been made, in consultation with School Council, that there is not an overwhelming support for change at the moment and so the status quo should continue.

There were some quite strong opinions articulated for both options so we believe we should further inform the community of the guidelines and opinions of the Department of Education (DEECD) and others over the next 12 months and re-visit the possibility of various changes to our LOTE program again sometime in the future.
WORLD TEACHERS’ DAY
Friday 25th October is World Teachers’ Day. The UNESCO has declared World Teachers’ Day and it is a great opportunity for us to say 'Thank You' to the teachers at our school and acknowledge their professionalism and commitment to ensuring the students at Carnegie Primary School are cared for and well supported in their primary school education. 😊😊

FRIDAY MORNING ASSEMBLY
Parents who have been able to join us at the end of last term will have noticed that we have asked all parents to remain outside while students and teachers enter the hall in preparation for the assembly. Once all classes are inside and settled, we’ve then invited parents in. It is quite intimate but there is space for parents and visitors down sides of the hall with most finding a spot at the rear of the hall. We thank parents for their support of this as it does make for a much smoother start to this assembly.

SUN SMART FOR TERM FOUR
By now all students should be wearing their sun smart hat when playing outside at recess and lunch breaks. School hats can be purchased from our Uniform Shop. Your support for this school rule is greatly appreciated as it is important we educate our students about sun smart protection strategies and the harmful effects of the sun during our warmer weather. Please note that caps are not sun smart hats.

WORDS OF WISDOM –
Practice rather than preach. Make your life defined by your ideals not the negation of others.

Linda Jones & Michael McCarthy

PARENTING IDEAS BY MICHAEL GROSE –
Developing Gratitude
In the materialistic age in which our children are growing up, it’s common for them to expect plasma TVs, overseas holidays and marshmallow strewn babycinos as givens. But rising levels of affluence seem to have had an inverse effect on our kids’ levels of gratefulness. For example – when was the last time any child you know wrote a thank-you note for a gift, or said (without prompting) a heart-felt ‘thank you’ for dropping them at the train station when it was raining?

As adults, our feelings of gratitude – for health, for family, for good food and even something as simple as a sunny day – generally tend to increase. Gratitude allows us to celebrate the present. It magnifies positive emotions.

But for kids, whose sense of entitlement can be epic, the power of gratitude is not only in magnifying the positive but in also blocking the toxic and negative emotions such as envy, resentment and regret. We know that grateful kids are happier and often more satisfied with their lives.

Gratitude comes more naturally to some kids than others but environment can play a major role.

1. Learn to limit children’s commercial consumption and commercial activity and to maintain experiential activities that engage them in topics that they are curious about or interested in.
2. Encourage children and teens to write simple yet effective thank you notes or letters that acknowledge the efforts of teachers and coaches in their lives. Adults could also remind teens to text ‘thank-yous’ to friends who have been there for them, stood up for them, or helped them in important ways.
3. Some general but necessary habits that adults can practise and which are especially helpful early on (say with children as young as three) is to model gratitude and thankfulness regularly as well as encouraging and reinforcing such behaviours in children.
4. Help kids to process benefits with ‘grateful lenses’. That is, help them understand the importance of intent, cost and benefit when someone does something kind for them.
5. Tune into your child’s interests and strengths. Nurturing this in them will give them even more to be grateful for.

For more ideas, support and advice for all your parenting challenges visit Parentingideas.com.au.
BIRTHDAY BOOK CLUB
Mila B. - 2A  Endangered Animals
            Bindi Wildlife Adventures
            - Camouflage

Dance Around the World DVD

Dear Carnegie families,

You have seen the concert, now you may purchase the DVD.

Waterfront Pictures were responsible for filming our concert. It will be completed early November.

Cost  1 DVD = $25.00

We hope you enjoy reliving the happiness and joy that all of our students provided in their magnificent performance.

Dvds will be delivered to your child’s classroom.

Please feel free to come and have a chat if you have any further questions. Regards, Suzy Bolger.

PAYMENT OPTIONS:

Option 1: Cash.

Please put CORRECT MONEY AND ORDER FORM
in an envelope with your child’s NAME and GRADE on the outside of the envelope.

Envelopes must be given to your class teacher.

Option 2: Direct Deposit.

WATERFRONT PICTURES

Bank: MECU        BSB:  313-140        Bank Number:  19224021

Please enter CARNEGIE and your SURNAME into payment details. Example: CARNEGIE BOLGER

Please fill out the Order Form and give to your class teacher.

Option 3: Cheque.

Please make cheques out to Waterfront Pictures.

Please put cheque in an envelope AND the ORDER FORM with your child’s NAME and GRADE on the outside of the envelope. Envelopes must be given to your class teacher.

Junior School Council News

THANK YOU!

We would like to thank everyone who supported White Shirt Day on Wednesday 18th September in support of the Ovarian Cancer Research Foundation. We raised a total of $524.65, which was a great result! This money will help to fund much needed research into ovarian cancer.

This charity helps many families going through a diagnosis and the fight against ovarian cancer, whilst also supporting grieving families through a very difficult time. It means a lot to us that everyone supported this very special day.

CASUAL CLOTHES DAY THIS WEEK!!!

The Junior School Council are hosting a casual clothes day this Wednesday 16th October, in support of the State Schools’ Relief fund. This fund helps to support the thousands of families in Victoria that are unable to afford basic necessities such as school uniforms and footwear for their children. We have chosen to hold our fundraising event this week because it is anti-poverty week.

We feel that this is an important time to raise awareness and help to prevent the impact of poverty on other Victorian school students. Currently 1 in 6 children in Australia live on or below the poverty line so please help us at CPS to do something to support those who need a helping hand! Remember to wear casual clothes and bring a gold coin donation on Wednesday 16th October.
Environmental Action
Last term Grade 1s and 2s investigated many aspects of sustainability and took action to make an improvement to water and energy conservation, waste recycling and biodiversity. Gisele in Grade 1 became passionately concerned with the protection of sharks and wrote a letter to The Australian newspaper. As it is yet unpublished, I thought I would share it with our community.

Dear Editor

Hi my name is Gisele and I am 7 years old in grade 1. At my school we’re learning about sustainability. When I heard that people kill sharks to make shark fin soup I was upset because it is very cruel. My focus is bio diversity on oceans. My sustainability teacher (Ms Knight) was a scientist. She knows a lot about sustainability. So I just thought I could write my letter just so people could stop killing these beautiful animals.

Thank-you

Gisele

There are many ways we can become involved in making our world a better place.

Nude Food National Day October 16\textsuperscript{th}

Carnegie PS is a proud participant in this initiative and it would be great to see everyone in the school bring a nude food lunch on Wednesday 16\textsuperscript{th} October. To celebrate, children will eat in their house colour groups for an outside picnic. Nude Food lunches are a regular part of our school on Tuesdays and Thursdays and many children bring Nude food every day.

Having the right container/s makes this easier and it is surprising how simple it can be once you get into the habit. What an easy sustainable action to reduce waste, such as plastic-wrappers going into landfill.

Mrs Knight.

C.P.S: 4 star Sustainable School
Carnegie Street Fair Christmas Poster Competition.

As part of the Carnegie Main Street Christmas Fair, to be held on Saturday 23rd November 2013, students from Carnegie Primary School have been invited to design, draw and colour a Christmas Poster. (No sparkle please)

The entry must be an original design of poster size A3 or A4. No larger entries please.

Please include your child’s first name and school on the front left corner and on the back please write the student’s full name, age and school clearly, as prizes will be awarded.

The posters need to be ready by Monday 11th November. Please bring your entry to Ms Bolger in the Arts Room. Students can make arrangements with the Retailers after the 9th of December if they wish to collect their poster.

Thank you,
Suzy Bolger.
KIDS’ DISCO
Hopefully all families have by now received a notice for the school disco, which is happening on October 26th. By popular demand it is a Pyjama theme, however students don’t have to dress up. They can wear whatever they like. We would just love everyone to come along for a fun time with their friends.

Preps, 1s and 2s will boogie from 5-6.30 and 3s, 4s 5s & 6s will get down from 7-8.30pm. We need some volunteers to help with the BBQ and the signing in and out of all the students. If you are able to out on the night at either disco time, please contact Leesa Needham (contact details below).

OUR COOKBOOK HAS ARRIVED
Our wonderful school cookbook has arrived and been delivered to all those families who pre-ordered. Thank-you to everyone who contributed a recipe and a special thank-you to Simone Anderson for co-ordinating the project. She has done a fabulous job and the end product looks fantastic! Thanks must also go to Sim’s husband Simon who did a great job with the photography. If you would like to purchase a cookbook they will be for sale outside the art room during the following times this week: Tuesday 3-4pm, Thursday before & after school and Friday morning before and after assembly.

INFORMATION SESSION FOR PARENTS
Next Tuesday 22nd of October we will be holding a free information session on eating disorder signs, symptoms and prevention in young people. It will be presented by Dr. Megan Dobbie who is a Senior Clinical Psychologist for Eating Disorders at the Royal Melbourne Hospital. She is also Mum to Isabel Stewart in 1A. Please see the ad on the previous page for all the details.

MANGO FUNDRAISER
An order form went home yesterday for a mango fundraiser we are doing this term. We are selling 7kg trays of delicious mangoes for $25. Order forms are due by Monday 28th October

125TH BIRTHDAY COCKTAIL PARTY/ AUCTION NIGHT
We are well on the way to planning what is sure to be a fabulous night on November 16th. All families will shortly receive an invitation to this fine affair. We will also be holding a live auction on the night so if you were able to donate a “big ticket” item we would love to hear from you! You can have a sneak peak at the flyer in this week’s newsletter.

AFTER SCHOOL CARE NEWS:

- Welcome back to a new term. Hope you all had quality time with your families and are well rested for a new term.
- **Being Term 4 the children are required to wear a hat when going outdoors.** Going by past situations, children tend to leave their school hats in their classrooms. So could you please provide an additional hat for after school care, so that your child doesn’t miss out on going outdoors?
- Also if you need to change your days please advise the co-ordinator in order to fill out the appropriate paper work (in this instance a new booking form will need to be filled out).
- **Also during the holiday program a scooter accidentally went missing. It is a red razor power wing.** If anyone knows of its whereabouts please contact the service. The family in question would really appreciate its safe return.
