PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

WELCOME BACK TO EVERYONE

What a lovely, smooth and happy start to the school year we have had! A special warm welcome is extended to our new children and their families, especially our new preps, who have completed their first few days of their school life.

Our students seem keen to return to school after what I hope was a lovely holiday break. They have been happily engaged in activities in their new classrooms and are enjoying getting to know one another in their new learning teams. A focus in all classrooms over the first few weeks of school is our ‘Start Up’ program focusing on the establishment of a positive, engaging learning environment where each child feels valued.

We are very fortunate to have such a committed staff at Carnegie Primary School who always work tirelessly to ensure the very best for each child, ensuring they are supported and their individual needs are considered. Throughout the year, as in previous years, I hope we will share many opportunities of seeing our students shine in many ways.

Staff have been busy over recent weeks preparing for a smooth start to 2014 and I would like to thank you, the parents, for your efforts in preparing your children for the start of the school year.

We welcome a number of new staff to Carnegie Primary School this year. Alicia Parker and Cate Allan have joined our Prep team this year. Steve Miller has joined the Year 2 team. Joel Pollard has joined the Year 3 team and Alex Playsted the Year 5 team. Gaby Doquile has joined us as a part time Education Support Officer. We also warmly welcome back Belinda Cupples and Anna Remfry from leave. Belinda will be leading our Year 1 team and Anna supporting our Prep PE program on Tuesdays.
This year, we again welcome many new families to Carnegie across a range of year levels. As well as our new preps we also welcome new children and families to other year levels at our school. I am sure the whole community joins me in welcoming you all to our school and I trust that your time with us is positive and enjoyable. I am certain that you will all quickly become part of our great school.

In the coming weeks, parents will have a chance to meet staff informally before and after school and also more formally by attending this week’s Parent Information sessions and our ‘You Tell Us’ afternoon on Wednesday 19th February. Families should have received separate notices last week in relation to Information Evenings and next week’s ‘You Tell Us’.

We are again looking forward to a wonderful year ahead at Carnegie Primary School.

SCHOOL UNIFORM
As you are aware we have a school Uniform Policy that was reviewed last year. Parents may choose from the following items:-

We appreciate that there may be exceptional circumstances for some students on a specific day but it is expected that students wear our navy blue and gold uniform. Bike shorts are appropriate for sporting events but aren’t part of our regular girls’ uniform. Your support for our Uniform Policy is greatly appreciated. Our Uniform Policy is available on our website or can be obtained from the office.

WORKS AROUND OUR SCHOOL
Over the holidays and during the first few weeks of term the following works have been undertaken to care for and improve our school and its facilities :-

- New furniture for the newly refurbished Year 3 portable including tables, chairs, bag and tub lockers, two interactive whiteboards and internal blinds. Ms Lawerson and Mr Pollard have put in many hours to create a very welcoming classroom for their students. The concreting occurred last weekend.
- Planted the tiered seating garden beds with lovely trees and ground cover. They are growing well considering the hot weather we’ve had and we look forward to the trees providing more shade once they are established.
- Arborists spent two days pruning a number of our large trees along Graceburn Avenue and near the portables on the Kokaribb side of our school. This will hopefully ensure they remain safe and healthy for many years to come.
- Installed a small shed near our Junior sandpit to house our sandpit toys and other outside equipment and topped up our Senior sandpit with some lovely new sand.
SPECIAL ACKNOWLEDGEMENTS TO OUR PARENTS 😊
In the last few days of 2013 I was again touched by the thoughtfulness of families. As a staff we received a number of cards with kind words acknowledging the efforts of our school.

Belated thanks also are extended to those parents who prepared delicious food for the staff luncheon on the last day. All staff thoroughly enjoyed the fantastic fare that was prepared for them. We all enjoyed this lunch along with Kris Kringle festivities. It was a lovely way to end our year together. We still have a few bowls, platters and serving spoons in the staffroom that may belong to parents who cooked for us.

Special thanks to Lisa Anastopoulos and Carrie Fowler, two of our PFA mums who welcomed our new Prep parents with refreshments after they said farewell to their children on their first day. For new families to our school I know this was very much appreciated.

PUPIL FREE DAYS FOR 2014
Each school has four pupil-free days each year. Two of these were taken last week before the students came back to school. The other two proposed pupil free days for 2014 are Thursday 29th May and Wednesday 27th August. Further details will be provided closer to these dates.

CHANGE OF ADDRESS, PHONE NUMBER OR FAMILY SITUATION
Parents are requested to advise the school if a child’s family situation, address or phone contact changes during the school year. It is important that all information is kept up-to-date in case the school needs to contact parents/guardians.

SCHOOL COUNCIL
I would like to convey the community’s gratitude to Fran Cleven, Sue Brown, Susan Harper, Ian Burrage and Dameon Williamson who have finished serving their current term on School Council. Our community member, Leesa Needham, has also concluded her one year office.

Retiring councillors, along with all parents, are invited to put themselves forward for the 2014 School Council. Council is responsible for ensuring the smooth running of our school, overseeing school policies, finances and other aspects of school administration. It is made up of parents and teachers meeting once a month in the evenings. For information please call at the office to see Mr McCarthy or myself.

SCHOOL CONTRIBUTIONS
Thank you to all those families who have already settled their 2014 School Contributions. It would be appreciated if all payments could be made by next Friday, 14th February. If payments are causing any concern please contact our office to make alternative arrangements. If you are unclear about any of these payments or require a new payment slip then please call in to the office for further details.

FIRST AID PROCEDURES AT SCHOOL
Children who are sick during the day are sent to the First Aid room. If children need to go home, parents or carers are informed and children are collected from school.

If children are very sick or more seriously injured and parents or their emergency contact person cannot be contacted by phone, we are obliged to ring an ambulance to take the child to the doctor or hospital. DEECD does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the costs of medical treatment for injured students including medical transport. Teachers cannot take children to the doctor or hospital in private cars. The cost of the ambulance will be the responsibility of the parents. This can be very expensive unless parents have ambulance subscription. It is very important parents consider taking out ambulance cover. Health Care Card holders receive free ambulance service (children’s names must be on the Health Care Card).
FRIDAY ASSEMBLY
Our fortnightly Friday assembly will commence on Friday 14th February. Our assembly time is 9 till 9.30 in the hall. All parents are invited to attend.

PARENTING IDEAS by MICHAEL GROSE – Parent Educator
The single most important step you can take to help your child learn is to be an active participant in your child’s education. Active participation includes: talking to your child about their day, hearing young learners read, helping with homework and making sure kids go to school happy, healthy and with plenty of sleep.

The second step is to become involved in your child’s school. This is harder than ever due to work and other commitments, but you can still be positively engaged in the life of your child’s school even when you work. Here’s how:

1. Find out what your child’s school is trying to achieve and show your support for its aims. What is your school focusing on? What are its specific values?
2. Support a broad, balanced curriculum that offers a variety of experiences rather than a program that narrowly focuses on the 3 Rs.
3. Direct conversations through the correct channels such as your child’s teacher. Thoughtless gossip and car park committees merely tarnish a school’s reputation.
4. Get the school diary and place open days, interview days and other important days in your own diary so you can plan ahead.
5. Meet with your child’s teacher at the start of the year and ask for practical ways you can help at home. Every teacher has their own style and way of doing things. If possible make sure your child’s homework routine fits that of your child’s teacher.
6. Encourage your child to take pride in their school, and don’t ‘bag’ it yourself. Your positive advocacy of your child’s school will send a powerful message about school and learning.
7. Model learning and reading. Your kids need to see you learning new things and reading so they become normalised. In particular, boys are more likely to latch on to reading when their dads read to them and also read at home themselves.

There are lots of ways you can support your child’s learning. However you can’t go too far wrong if you start with these basics; take a real interest in what kids do at school and be an active, risk-taking learner yourself.

Education Maintenance Allowance (EMA):

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to lower-income families to help with education-related costs.

If you have a child under 16, and you hold a valid Health Care Card, Pension Card, or are a temporary foster parent, you may be eligible to receive the EMA. The allowance is paid in two instalments, one in March and one in August.

The payment is intended to assist with education-related costs such as, uniforms, excursions, textbooks, and stationery. You can elect to have your EMA paid in one of the following ways:

- Paid by direct deposit (Electronic Funds Transfer) into your own nominated bank account; or
- Paid to the school to be held as credit which you can use towards education expenses; or
-Paid by cheque which will be posted to the school for collection.

In 2014, the annual EMA amount per student is:

- $200 for prep students
- $150 for students in years 1 – 6.
- $300 for year 7 students
- $250 for students in year 8 – until age 16*.

* A pro-rata amount is payable for students turning 16 in 2014.

How to Apply: Contact the school office to obtain an EMA application form.

The Arts Room
2014!

Arts News

These are some of the masterpieces we are looking at in the Arts Room this term.
What do you know about them?

Art Smocks
Please remember to bring a named Art Smock to school this week.
They keep our uniforms clean. Each class has an Art Smock Tub in their room.
Art Smocks are a new addition to our Uniform Shop. They are available in the CPS House
colours of red, blue, green and yellow in a small and a medium size for $17.00.
We recommend small for Prep to Grade 2 and medium for Grade 3 and up.
Please feel free to come and try one on for size at our Uniform Shop.
Art Smocks can be ordered on a CPS School Uniform Order Form.

Thank you
Thank you to all our generous families who have already donated rolls of
paper, containers and cartons to use in the Arts Room. We would love donations of clean
plastic containers with lids (takeaway food containers are ideal) to store paint and also old
towels for clay clean up. We are always using material, buttons, wool and string, beads and
anything you think may be useful.
Come and visit the Arts Room anytime!
Kind regards,
Suzy Bolger.
ICT Acceptable Use Agreements

Over the next two weeks, Mr Acklom will be visiting every Year 1 to Year 6 grade to discuss our school’s ‘Acceptable Use Agreement’ for technology at Carnegie Primary.

During the session, students will learn and discuss the appropriate and safe use of technology. As each statement is discussed, students are asked to tick off each point to acknowledge their understanding.

At the end of the session, students will write a short reflection and sign their ‘Acceptable Use Agreement’. These agreements are sent home for parents to discuss with their children. We ask that parents write their own short reflection and sign their children’s agreements.

These agreements are filed away and brought out and discussed throughout the year as necessary.

Please feel free to photocopy these agreements for your personal use at home.
