PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

CONGRATULATIONS TO OUR SCHOOL CAPTAINS

The school congratulates Lachy Priest and Annika Mills on being elected as our School Captains for 2013. Will Stamp and Taylor Lowery are also to be congratulated for being elected as Vice Captains. These students are obviously excited about this responsibility and are looking forward to supporting the students, parents and staff throughout the year in many ways. Our other school leaders for 2013 are listed later in this newsletter.

‘YOU CAN TELL US’ AFTERNOON

It will be wonderful to see parents from Year 1 to 6 taking the time to meet their classroom teacher at our upcoming ‘You Tell Us’ sessions, on Wednesday 27th February. Valuable information will be shared and this home school partnership ensures the very best outcomes for your child. All parents will receive a 2013 information booklet from their child’s teacher outlining specific details pertaining to your child’s class. If for some reason you don’t receive this information, please make contact with your child’s teacher.

PARTNERSHIPS ARE ESSENTIAL

Research sends out a very clear message about the importance of partnerships in education. When parents express confidence in the school and teachers, and are involved in some way, their children are more likely to be happier and perform better academically.
At Carnegie Primary School we actively seek partnerships with our parents. At the end of 2012, parents were given the opportunity to reflect on the year and give thought to priorities for the future. We thank those families who took the opportunity to provide this feedback to us. Your thoughts and opinions are much appreciated and all have been shared with staff and school councillors. Listed below are some of the responses we received:-

What would you like to see as priorities for 2013?
- Emotional intelligence and social skills
- Increased openness about what is being taught and why
- More of the same please 😊
- Like to focus in working in teams, communication skills, dealing with difficulties / disappointments as well as the academics
- More language time - a language that matches with the secondary school in the area like French or Chinese
- To make sure they fully understand what is required of them both in the classroom and learning at home. Otherwise the school has far exceeded my expectations
- More interesting and engaging idea in maths groups
- More male teachers
- Continued development of interpersonal skills across all grades
- I would like to see more emphasis of core learnings – reading, writing and maths. I would like to see the times tables brought back.
- The calibre and quality of the teachers
- The sense of community
- Continuation of great work to get the Master Plan finalised and an action plan moving forward
- Continue scheduled reading and writing literacy blocks needing parent helpers
- More time for art and Italian would be great. Music lessons for preps would make sense too
- Keep up the good work. Keep guiding the children about social skills as well as literacy and numeracy
- Would love to see a dedicated music teacher to implement a choral/music etc program
- Inquiry units again.

Your feedback formally and informally is much appreciated. All our staff, the school leadership team and the School Council are committed to providing the best learning environment for students, ensuring decisions are made to cater for all stakeholders and resources allocated accordingly.

PREP EXPO FOR 2014 PREPS
Each year we hold a special open day to showcase the school to our prospective families. This year our Prep Expo will be held on Tuesday 30th April with sessions from 2pm to 3.15pm and 7pm to 8pm. Full details will be advertised shortly at our local Kindergartens and on our website.
A WONDERFUL DELIVERY – ‘EARN & LEARN’ REWARDS
Last week I had the pleasure of unpacking 12 very large boxes containing all the equipment we ordered as part of last year’s ‘Earn & Learn’ Safeway promotion. At the time families enthusiastically collected the vouchers with your weekly shopping and popped them in the box at school. Construction equipment and games were distributed to all areas of the school. We also chose musical instruments that will be housed in our Art room with Ms Bolger. Again thank you to boys and girls and families for your efforts last year.

10 WAYS TO PROMOTE GOOD MENTAL HEALTH & WELL-BEING IN KIDS – Ideas from Michael Grose, Parent Educator
1. Model good mental health habits
2. Make sure they get enough sleep
3. Encourage kids to exercise
4. Give them creative outlets
5. Provide a space of their own
6. Help them to relax
7. Talk about their troubles
8. Have two routines – weekday and weekend
9. Foster volunteering and helpfulness
10. Bring fun and playfulness into their lives

WORDS OF WISDOM –
Remember the infinite possibilities that are born of faith in yourself and others.

Grade 1 and 2 news.....
Thank you to those parents that attended the informal ‘Book Bag’ session held in the hall last Tuesday morning with Ange and Cheryl. We will be running another session on Wednesday the 27th of February in the hall from 9.00-9.30 for those grade 1 and 2 parents who would like more information about ways to assist with ‘Book Bags’. Book Bag sessions for the grade 1 and 2 students are on Monday morning (straight after assembly) and Thursday afternoon (3.10-3.30.) We would love to see you.

BOOK CLUB
In 2012 some of our year 2 students were involved in Book Club where they, as a group, shared in the reading of some quality books. In the beginning they were led by Mrs Jeffery and at times some parents were able to assist.

We would like to continue and extend this practice in 2013 to include up to year 4 students who are interested. There needs to be an ongoing commitment to this by students and leaders for the first term at least.

It would involve meeting at least once a week during reading times.

Any parents or grandparents who would be happy to assist with a group of children on a weekly basis, please speak to me or your child’s teacher for further information.

Your continued support of our programs is always valued and we would appreciate your help with this initiative.
Thanking you
Angela Thompson

ARTS NEWS  Term 1 2013

These are our vision and mission statements for the Arts Room this year, as written by the students of Carnegie Primary School.

ARTS VISION STATEMENT 2013

At CPS we come to The Arts Room to:
• imagine and be creative in many different ways.
• enjoy ourselves, feel happy, have fun and laugh.
• share, explore, improve and stretch our talents.
• feel free to express our feelings and emotions.
• accept others’ ideas even though they may differ from ours.
• make our own choices and be unique.
• be included and feel important, our opinions matter.
• collaboratively work with our friends.
• use our imagination without limits.
• feel proud of our achievements.

ARTS MISSION STATEMENT 2013

• We want our Arts Room to be a bright and colourful place. We want it to look special.
• When we come into the Arts Room we want to feel respected, included and free to express ourselves.
• We want to share our creations with ourselves and our community.
• We want to always feel safe, happy and excited when we are learning.
• We can share our different ideas and inspire each other.
• We learn new skills that will help us to be creative in our lives and help us to live happily.
• When we express ourselves, it makes us feel good.

Piet Mondrian

The Grade 3 students are inspired by Piet Mondrian. This is what they have discovered:

Keeley – He was an artist.
Charlotte – He used only primary colours. He also used black and white shades. He was born on the 7th of March 1872. He died on 1st of February 1944. He was 71 years old.
Lucy – Mondrian was born in The Netherlands. He moved to France in 1911. He died in New York.
Penny – He was Dutch like my Mum.
Melissa – Mondrian uses lines and squares to make complex but beautiful pictures.

Learn more about Mondrian by visiting this website:

See you in the Arts Room, Ms Bolger.
Team Vic State Sport Team Selection

If you think your child is a superstar at cricket, hockey, rugby, softball or swimming, you may like to nominate them to take place in a trial for the Victorian State Team. To be considered, your child must already be playing their chosen sport at a very high level. Qualifying standards/ranking criteria may apply. Entry is open to students who turn 10, 11 or 12 before the 31st of December 2013.

For swimming, your child must have official recorded times which surpass the qualifying times set in the registration process. Times recorded at school do not count as official. The nomination process for AFL football, soccer, netball and basketball remains the same as previous years. If the school believes your child may have state level talent, they will receive a nomination form from Mr Champion and information on the District Trial.

If your child is in Grade 5/6 and plays section 6 or better in tennis, please see me by the 22/2 to discuss the possibility of a District Trial.

For more information on any of the above, please see either myself or the School Sport Victoria website https://www.ssv.vic.edu.au/TeamVic/Pages/default.aspx

FRUIT & VEG BOX DRIVE- AUSSIE FARMERS DIRECT
You should by now have received an Aussie Farmers order form for our Fruit and Veg box drive we are running this term. Boxes cost $39 of which $10 goes directly to the school. Friends and family can also order a box, which will be delivered directly to your door. It’s a great opportunity to try out the service and if you become a regular customer you can link your account to Carnegie Primary School and 2% of your weekly shop will be donated directly back to our School. **Order forms are due in by Friday 1st March.**
www.aussiefarmers.com.au

CONTACT LIST REMINDER
If you wish to be added to the class lists the PFA distribute, please return the contact list form which went out the other week. If you need another form, they are available at the office.

FETE- May 11th 2013
If you would like to be involved with the organisation of the Fete by joining the Fete sub committee please contact me. We will meet regularly to start planning what is sure to be another fantastic Fete day!

SUPPORT BARRY GARDINER BUTCHERS AND BAKERS DELIGHT
When you shop at Barry Gardiner’s Butcher shop in Koornang Rd, have your receipt stamped and put in the CPS box in the store. At the end of the year, they will donate 5% of all receipts back to the school.

Mention CPS when you make a purchase at Baker’s Delight and they will also donate a percentage of sales back to the school throughout the year.

• Firstly there seems to be a misprint of the service’s telephone number on the information packs that have been sent out. We apologize for the inconvenience. The service’s number is: 0402 043 810

• Parents are also reminded that each family needs to fill out a booking form, regardless if they intend only using the service on a casual basis.

• We are also hoping that there are some families within the community who have any old toys that could be used at the service. In particular we would really appreciate any old tea-sets, dolls and cars which would benefit our new preppies. We are also on the hunt for any old computer games such as a Nintendo 64 or a Super Nintendo, which again would be a great asset for our older children in the quiet corner. Remember one’s rubbish is often one’s treasure.

• Again thank-you to all the casual users who are texting or phoning us in regards to their children using the service.

• Also please don’t hesitate to approach the service for any enquiries about the program or about your child.
