Rationale:
• A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:
• To promote equality amongst all students.
• To further develop a sense of pride in, and identification with our school.
• To provide durable clothing that is cost effective and practical for our school environment.
• To maintain and enhance the positive image of the school in the community.

Implementation:
• During 2001, School Council developed a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
• The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
• Summer and winter uniforms, as well as sports uniforms form part of the range of choice available for students and families.
• Other than clear nail polish, cosmetics may not be worn at school.
• The only acceptable hats are navy blue SunSmart hats, consistent with our Sunsmart policy. They must be worn outside in terms 1 & 4. Hats are not to be worn inside.
• Parents and Friends Association will operate a second hand scheme for good quality used uniforms, and will operate a second hand uniform store for parents.
• Details of uniform items and times available for purchase will be published in the newsletter at the start of each year.
• School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
• Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.
• Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the School Council for consideration.

Evaluation:
• This policy will be reviewed as part of the school’s review cycle.

This policy was last ratified by School Council on.... 23rd April 2008
