Thurs 21st April – 9.00am
Tues 3rd May – 9.00am
Thurs 19th May – 3.30pm
Thurs 2nd June – 9.00am
Tues 21st June – 9.00am

PRINCIPAL’S REPORT

**GROWING WITH THE COMMUNITY**  
Welcoming, Engaging and Achieving

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

**ENROLMENTS FOR 2017**

It may seem many months away but enrolments are now being taken for 2017. Parents who are aware of friends, neighbours or relatives who have a child ready to start school in 2017, please let them know that enrolments are now being taken. We are planning our annual School Expo on Wednesday 27th April and we encourage prospective families to join us on this day. Mr McCarthy and I are also always available to answer questions or show interested parents and students around our wonderful school at any time.

**ANNUAL REPORTING**

As part of accountability requirements, a report is provided to the school community each year for the previous year. This Annual Report was due to the Department of Education and Early Childhood Development by 31st March, 2016 and was presented to School Council at our March meeting. This report is available on request from the office. It will be placed on our school website shortly.

**REFLECTING ON TERM ONE**

During the last week of term one we asked our year 1 to 6 students to reflect on their term by completing a Stars and Wishes reflection sheet. This was an opportunity to let us know some of the areas they were most proud of in relation to their learning and some of the areas they’d like to particularly focus on in term 2.

We are committed to providing more opportunities for promotion of the ‘student voice’ along with more specific leadership opportunities. I’d like to take the opportunity to share some of their thoughts. At CPS we are committed to seeking feedback and celebrating our successes as well as focusing on learning and growing together.

NEWSPAPERS WANTED!

The Arts room is in desperate need of some newspapers. Please bring in any old papers to the Arts Room.

Thank you,
Suzy Bolger
• My workbook presentation and very neat colouring and shading - Pranav – year 1
• Maths problem solving – Isabella – year 1
• I have been trying very hard to read with expression – Mia – year 1
• My maths. I was really getting the hang of it. I tried very hard and tried my best – Nicholas – year 1
• I would like to improve in PE by running faster – Jack – year 2
• My writing and handwriting because I have been concentrating on it. – Grace – year 2
• My narrative writing because I have included lots of WOW words – Oliver – year 3
• I would like to continue to improve my number line strategies – Addison – year 3
• Knowing my multiplication facts straight away from 1 to 12. – Annabel – year 4
• I would like to continue to spell harder words – Harvey – year 4
• Solving my worded subtraction problems fairly quickly and accurately – Maya – year 4
• I’m proud of making the Japanese pots and bells. They were quite hard to make – Theodora – year 5
• I am really proud of my Blitz Master level. I have improved 4 levels since last year – Max – year 5
• Concentrating on my reading and fluency when reading – Ben – year 5
• Putting more detail into my Gratitude Journal – Shubhang – year 5
• I would like to focus on writing better poems – Nadia – year 5
• Team work when working on maths data – Mathew – year 6
• I am proud of being part of year 6. I get to be a leader in my last year of primary school – James – year 6
• I am proud of being a member of JSC – Sophie – year 6
• Setting the ‘just right’ CAFÉ reading goals for myself – Daniel – year 6

RECENT SPENDING ON OUR SCHOOL’S FACILITIES AND RESOURCES
Over recent weeks monies have been allocated to the items listed below :-
• Installation of covered way outside Mr Chisholm’s and Miss Batten’s classrooms. This has provided much needed protection from the elements. Thank you to the PFA for sharing the costs associated with this construction
• Installation of new touch screen interactive white boards in Miss Taylor’s and Miss English’s classrooms
• New carpet has been laid in our staffroom
• Purchasing of over $6000 of literacy resources to support students across the school
• The ongoing maintenance and enhancement of our school is always well considered with program budgets written and managed to ensure monies are allocated as necessary.

SCHOOL PHOTOS – TUESDAY MAY 17th
It’s still a few weeks away but our School Photo Day is Tuesday 17th May. Information will be sent home to all families closer to this date. You might like to book in for those haircuts and spruce up for this important event on the Carnegie school calendar.

CURRICULUM DAY THURSDAY 26th MAY – NO SCHOOL
Thursday, 26th May is an approved Curriculum Day. There will be no school for children on this day. Youth Leadership will be offering a program on this day but bookings are essential. Please also pop this date into your diary.

STUDENT AWARDS HANDED OUT AT MONDAY ASSEMBLIES
I would like to remind families that from the commencement of term 2 we have decided to present our Student of the Week certificates at our Monday morning assemblies rather than at Friday assemblies. Mr Acklom will continue to take a photo and this will be placed in our newsletter along with a list of the recipients. The proposed dates for this term are 18th April, 9th & 23rd May and 6th & 20th June.

CITY OF GLEN EIRA – DISABILITY ACTION PLAN CONSULTATION
I have recently received correspondence from Glen Eira City Council in relation to them developing a new Disability Action Plan 2016-2020. They are interested in the views of families about how they can better support and include people with disabilities into community life. Feedback can still be given online via www.haveyoursaygleneira.com.au or by email at mail@gleneira.vic.gov.au.

WORDS OF WISDOM - Challenges are what make life interesting and overcoming them is what makes life meaningful 😊
EASING CHILDREN’S ANXIETY - PARENTING IDEAS FROM MICHAEL GROSE

Anxiety is a normal part of life and can be managed, but it takes time. It’s also contagious so it’s the job of parents to stay calm, think clearly and role model confidence when kids get anxious so that children can learn how to cope with anxiety. For those with no personal experience of anxiety it can be hard to understand how debilitating it can be. “Come on, get on with it,” seems so obvious. Of course, this response is nowhere near adequate. Most kids experience some anxious moments or have fearful thoughts and feelings from time to time about certain events. These thoughts and feelings prompt them to proceed with caution. But anxiety and fear can be paralysing. Some kids simply can’t stop their ‘bad thoughts and feelings’. They can’t silence the voice of fear that whispers to them continually.

Calm is created through your words, voice and facial expression. When children become anxious, help them recognise what’s happening. Some kids get angry, some become upset and others withdraw. Work out the pattern for your child and help them recognise when they are anxious.

Accept your child’s anxious feelings. Your child needs to trust that you are with them, and then they will be more willing to let you help them cope. It’s hard sometimes to differentiate between what may be a bad case of negative thinking and true anxiety.

Challenge the validity of your child’s fears and anxiety, using logic and rational thinking. Don’t allow kids to wallow in self-pity. Move their thoughts towards the future rather than allow them to mope around.

Encourage your child to overcome their anxiety through action.

Anxiety is normal, and part of everyday life. However, it can be debilitating unless it’s managed. Anxiety management takes time for kids to learn, but it’s one of those valuable life skills that parents can teach their kids.

BIRTHDAY BOOK CLUB

Thank you for these great books and many happy birthday wishes from all at Carnegie Primary School.

Konnichiwa!
The Grade 3 students are creating stunning watercolour paintings of koi fish. They practised drawing the koi in their arts diaries, explored all the amazing effects they could create using watercolours and used all of their new discoveries in a final painting. We think they are all super clever, amazing artists!

Here is a final piece by Sunday H.

Arigato. Sayonara!

Ms Bolger.
The year 6 students have just completed their music program and what a talented group of people they have proven to be. We have been learning about elements of music such as beat, rhythm, pitch, melody, dynamics, tempo and form through singing games, songs, listening activities and playing percussion instruments.

We developed our singing through warm ups, singing games and a variety of songs including some with multiple parts. In small groups, we created soundtracks to accompany a short animation and used body percussion to create our own ‘Stomp’ performances using only our bodies. We have had opportunities to perform to the class and to give and receive feedback on our musical creations.

My favourite activity was working in a group to make music and I enjoyed singing and using our bodies to make music. I felt challenged when we couldn’t decide on a leader and learnt that it is easier to sing standing up! Stefan

I loved singing the modern pop songs and felt challenged when we had to perform in front of the class. Elle

My favourite activity was using the instruments to play different beats. I felt challenged when singing the alto and soprano parts in the song Tingalayo. Noah R.

I learnt that a simple rhythm can make a beautiful sounding piece of music. Chloe Z

I learnt about singing soprano and alto parts. I felt challenged singing high notes. Charlie

I learnt about the difference between forte and piano. Lucy

I liked putting together a piece of music in a group to accompany a short animation. I felt challenged when making different instruments work with each other and sound in tune. Olivia G

I enjoyed using an iPad to make music for a film. Hubi

I learnt that the pitch in music can make a difference towards emotion. Daniel

My favourite activity was Stomp. I liked the noise all working at once. Noah W

I learnt about singing and how to get the beat right. Karlee

My favourite activity was using Garage Band on the 30 second clip. I learnt about what body percussion is. Haddi

I really like singing and playing singing games like Tideo and Ickabacka Soda Cracker. My favourite activity was singing songs out of the Sing book. I learnt how to read music from a sheet. Penny

I really enjoyed singing pop songs, especially ‘Hello’ by Adele. Kate S

My favourite activity was Stomp. All the rhythm made me want to dance, whether we clapped, clicked or stomped around, it felt amusing to hear such madness. I learnt that music can come in all shapes and sizes, even in bouncing balls! Jasmin

I learnt a lot of new words. Akash Things I enjoyed in music...... EVERYTHING! Keeley E

My favourite activity was singing the pop songs with everybody smiling. Ruby

I learnt how to read music notes. Christie

I learnt that you can make music with your body. Holly
This week, we are sharing a story about one of our staff members and the life she leads beyond the gates of CPS.

Over the Easter break, we were privileged enough to join our Grade 6 teacher, Ms Sue McGregor and her sister Jen Lloyd on their very special trip to Ho Chi Minh City, Vietnam. These wonderful women were honoured as founders of the charity Helping Hand Helping Hearts. Heart Beat Vietnam, one of their many beneficiaries, hosted an event to acknowledge the 100th heart surgery performed on children in need as a direct result of the funds that these two sisters have raised.

It was an emotional day, filled with love, laughter and tears of joy as they were reunited with the children and their families whose lives have been forever changed. Many of the families travelled through the night to have the opportunity to say thank you to Sue and Jen and to share their stories with each other.

These ladies work tirelessly in their spare time to raise funds and make a difference in the lives of those less fortunate. The people of Vietnam are lucky to have Sue and Jen working to create positive change, and it was obvious to us all as the local television station was there to capture such inspirational moments and memories. As a teacher, Sue’s passion towards education and to empower young people spills over into her charity work as she funds many scholarships and other learning opportunities for these families. We feel very honoured to have shared such a once in a life time experience with our friend, Ms McGregor and acknowledge just how amazing our grade six teacher really is! HHHH also supports a number of other organisations such as a disabled children’s orphanage and elderly women’s shelter and a shelter for mums and babies in HCMC and many more right here in Melbourne. If you want to read more, please visit their website at www.helpinghandhelpinghearts.org

Thank you Ms McGregor for opening our eyes up to the beauty of Vietnam and the difference that we can all make in someone else’s life.

Liz Harley and Karen Bentata-Grimm
Teacher Talk with….

Mrs Yoshida

Each newsletter we will be chatting to a different teacher to find out a little bit more about them and hopefully what makes them tick. Today we talk to our LOTE teacher Mrs Yoshida.

How long have you taught at Carnegie PS?
I started at Carnegie in 2004. Back then there were only about 200 students, and we did Italian in an old shelter shed with no windows. That’s where the BER building is now.

Did you have a passion for languages when you were at school?
My sister Kath was always so clever at school so I studied hard to be as smart as her and I discovered I was good at languages so Italian became my favourite subject.

We were pretty lucky when we changed from teaching Italian to Japanese that we didn’t have to change our LOTE teacher. How did you come to speak both languages?
I studied Italian at school, but I went to live in Japan with my husband before I came to Carnegie and I stayed there for four years. I loved Japan. It's amazing. There is something interesting to see or try every single day and the landscape is stunning. It’s a bit scary with so many earthquakes though. I never want to be in a swaying ten storey building ever again.

Do you speak Japanese or Italian to your children at home?
We speak some Japanese at home, but mostly English. Our children understand a lot of Japanese. We can’t tell secrets about them in Japanese anymore because they know what we’re saying!

Have you travelled around the world? If so, where has been has been your favourite place to visit?
I’ve only been to Europe once and my favourite place there was France. We went hiking in the Loire Valley and saw lots of huge castles that looked straight out of fairy tales. We don’t have anything like that here in Australia.

Have you ever had a totally embarrassing moment in your teaching career?
I’ve never been good at code switching quickly between languages. Once Ms Mulhern (the principal before Ms Jones) asked me to go greet a new family who were Korean and didn’t have any English. I went and said “Welcome to Carnegie. The staff and students are so friendly here, I’m sure you’ll feel very comfortable”. They nodded and smiled and bowed, and I only realised as I was walking away that most of what I said was Japanese, not Korean.

Do you have any secret talents that people would be surprised to know about you?
I used to parachute when I was in High School. I was in the Air Training Corps and spent my school holidays on airforce bases, so I trained for my parachute wings and got them.

If you could have dinner with 3 famous people from history, who would they be?
Hasekura Tsunenaga was one of the first Japanese to visit America and Europe. I wonder what he thought about it. Albert Einstein seems to have had a good sense of humour as well as being incredibly wise. He’d be interesting. So would Winston Churchill.

If you were left to live on a desert island-what 3 things would you choose to take with you?
I’d take HEAPS of books, a huge supply of coffee and my kids.

Mrs Yoshida in 30 Seconds…

Favourite food: Baked Cheesecake. And Mochi (Japanese sticky rice cakes)
Footy team: The Mighty Magpies :-) 
Favourite band/singer: I like all kinds of music. I listen to a lot of Country, actually.
Favourite TV show: Spicks and Specks, Shaun the Sheep and Escape to the Country; imagine living in a house that’s been there for several hundred years.
Ideal Holiday: We go to Barwon Heads every year. The rock pools are awesome. We always have fish ‘n’ chips on the beach and play putt putt golf. It’s our happiest week every year.
Siblings: I have two older sisters, Lisa and Kathy. They both keep chooks so we get lots of free eggs. We’re all teachers! Lisa teaches Kinder in Bendigo and Kath teaches Science at Melbourne Uni.
Children: My son Lewis started Prep this year and my daughter Lynette is in Year 2. They love reading Famous Five and Harry Potter. They’re learning Japanese at their school too. I work at their school so I get to teach them sometimes which is fun.
Pets: Our rabbit Buddy died recently. He was 11 years old. That’s 88 in human years. He was a lovely, gentle creature.
Hobbies: Reading, reading, reading. Total bookoholic. I like Art too. I like checking out NGV in the holidays.

Next PFA Meeting
Monday 16th May

EASTER EGG RAFFLE-THANK YOU!
Thank you to everyone who donated Easter eggs and bought tickets in our HUGE Easter raffle on the last day of Term 1. We raised an amazing $3,655!
As previously mentioned the PFA decided to donate a big box of eggs to St Anthony’s Church and they handed them out through their Tony’s café program at their Thursday night Easter dinner. They were very appreciative of our donation.

DONUT DAY-TOMORROW!
We will be selling yummy “Mr Donut” donuts at recess tomorrow (Wednesday 20th April) for $2 each.
The flavours available will be: chocolate, strawberry or cinnamon. We have catered for one donut per student and if there are any left we will sell them off after school.

OTHER TERM 2 HAPPENINGS
Other things happening this term will be Sushi Day, Australia’s Biggest Morning Tea and Cupcake Day raising money for the Cancer Council and maybe a few other surprises!
