PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY
Welcoming, Engaging and Achieving

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

SWIMMING PROGRAM
Our intensive swimming program has just concluded and as always our students have made many personal gains. Some students were very reluctant swimmers when the program commenced and we have watched them gain confidence with each lesson. More confident swimmers have continued to develop stroke techniques. A strong component of this program is also safety in and around water. I thank parents for their support and for assisting their children to be organised with their possessions each day.

It’s extremely important that children become confident swimmers in pools but also rivers and the sea. Your child will continue to gain much if you are able to build on the skills taught throughout this program. Special thanks to Mr Pollard and Ms Remfry for co-ordinating this program.

ROCK OF AGES CONCERT
All our students are practising hard in readiness for our singing concert at Monash Uni on September

**SPORTS IN SCHOOLS**

Earlier this year we were notified of the opportunity to apply for a federal government ‘Sport in Schools’ grant. We completed the necessary application and have now received a $2700 grant. This money will be used to purchase a new, large high jump mat and to acquire the services of an athletics coach. They will work with our PE teachers, Joel Pollard and Anna Remfry, as well as some of our students later this term. I would like to acknowledge Anna’s support in completing the application process.

**SPECIAL THANKS**

Alex Webb, Toby, Ben and Max’s dad, recently offered us the opportunity to obtain cuttings from an apple tree being cut down at the CSIRO site in Highett. This apple tree has been linked back to Newton’s apple tree. Mrs Knight has obtained a number of cuttings and will now strike these. Thank you to the Webb family for considering us and Mrs Knight for her ‘green thumb’ expertise.

It will be many months till we have such a special tree to plant in our grounds but it will be a red letter day when this becomes possible.

**CURRICULUM DAY - NO SCHOOL**

The next Curriculum Day approved by School Council is this Friday, 28th August 2015. Staff will be focusing on numeracy teaching and learning. Our Educational consultant, Lyn Watts, and Belinda Cupples, our school’s Numeracy leader, will lead the day. Ongoing shared professional learning is a high priority for staff at CPS. No students are required at school on this day. Our before and after school program will be operating but bookings are essential.

**SPECIAL RECOGNITION OF OUR EDUCATION SUPPORT OFFICERS**

Last week we recognised the special and very supportive work that our Education Support Officers do. At CPS our ES Officers are our office staff and our teacher/integration aides – Mr Hopcroft, Mrs Sciffer, Mrs Easthope, Mrs Dawe, Mrs Roberts, Mrs O’Sullivan, Mrs Scrivener, Mrs Slattery, Mrs Rogers, Mrs Feeney and Mr Chilver. In any given week their roles are rich and varied and their efforts supporting our students and teachers are immense. On behalf of the whole school community I would like to sincerely thank them.

**STAFFING NEWS**

Ms Lawerson is taking Long Service Leave for the last three weeks of this term. Ms Ingrid Jones has been employed to cover Ms Lawerson’s program. Mrs Dominique Oosterbaan and Mrs Thompson will be taking Long Service Leave for the last two weeks of term. Samantha Hill will be taking Mrs Oosterbaan’s class and Mrs Dimi Skoutas will be covering Mrs Thompson’s program. All teachers are known to our students and staff. We wish them all a very happy break with their families. They will return well rested in term four.

**PARENT INFORMATION EVENING**

Tuesday 25th AUGUST – 7 til 8pm

As previously advised a Parent Information Evening is planned for tonight. At this evening we will include further insights into the teaching of reading and the CAFÉ approach used in all areas of our school. Time will also be devoted to further explaining some of our approaches to student well-being and discipline including the restorative practice approach. You will hear from Cheryl Laing and Karen Bentata-Grimm, our Curriculum leaders, as well as Liz Harley and Marcus Champion, our student well-being leaders.

We have received a number of replies but if you haven’t sent back a reply slip and would like to attend please come along tonight. This evening is for adults only and we are unable to provide child minding.

**WORDS OF WISDOM – Things are rarely black and white; most lie somewhere in the grey centre. There are other views or other ways of achieving consensus. Adapt your means to suit the circumstances.**

BUILD UP FREQUENT FATHER POINTS - ARTICLE BY MICHAEL GROSE – Parent Educator

A good friend enthusiastically told me how he was looking forward to spending a few days away on his own with his two kids, aged 10 and 13. He was feeling quite chuffed. He was having some ‘dad time’ with his kids. Good on him! He was doing some memory building & relationship building, as well as having some fun. He told me that he was aware that his kids were getting older and he knew such opportunities were diminishing.

Gone are the days when the only relationship many men had with their kids was through their wife. She would explain him to the kids. As well, she’d keep him up-to-date with the children’s lives. Blokes, it seems, are valuing the time they spend with their kids on their own. Or at least the dads I mix with are. Spending time alone with kids is a great way to build confidence in dads and the kids usually just love it.

Mothers can play a role here by not getting in the way if their husband or partner wants a little time alone with kids. Children usually associate their fathers with activity. When I ask children to tell me about their dads they usually talk about the things that they like to do together with their dads. Playing, walking, fishing, wrestling....the list goes on.

It's through shared activity and involvement in kids’ lives that dads build up frequent father points. It’s hard to build good connection with kids when you are not there!

Don’t wait until adolescence
These relationships are best built in childhood, when kids just love their dads to bits and want to be around him. It gets trickier in adolescence, but having shared interests developed in childhood gives you a connection point during these sometimes turbulent times.

Dads also benefit from spending time with their kids. Most health scales state a healthy relationship with their children is a predictor of good health and longevity for men. I’m not sure where the health benefits come from, but I suspect there is something relaxing and de-stressing about getting into a child’s space. There is a big kid inside most men just busting to get out.

These days we take parenting pretty seriously and it’s easy to forget that one of the fundamentals of raising kids well is to spend some time in your child’s space, doing stuff, or not doing stuff, whatever the case maybe.

So how are your (or your partner’s) Frequent Father Points going? If they need some topping up then you can start by doing something together that they enjoy.
Having a bit of fun together is the best place to start.

Author's note: Sole mums can take these ideas on board to have a NO RULES weekend with your kids, where you have a change of routine and activity that can give kids the chance to see you in a different way.

HOT CHOCOLATE DAY– finished for this year

Unfortunately we won’t be having any more Hot Chocolate Days this term. Tomorrow most of the school is away with Athletics and the Grade 2 excursion, the following week we have the Fathers Day Stall and then the last week of term we will be having a sushi day. But as a consolation in Term 4 we will be doing Icy Pole days again!

GUESS THE NUMBER OF LOLLIES-Last chance!

This week is your last chance to take a guess at how many m&ms are in the giant jar in the office. It costs $1 a guess with all money raised going to the school. We will be out in the quadrangle before and after school this week, so come and have a guess.

The winner will be announced on Thursday over the PA.

SUSHI DAY –Wednesday September 16th
FATHERS DAY STALL - Wednesday 2nd September
TRIVIA NIGHT-Saturday 17th October -look out for the flyer going home this week with all the details.

Science & Sustainability News

In celebration of **National Science Week and Enviroweek**, we are pleased to invite you to a showcase of Science inquiry, investigation and learning, which will be displayed in our school hall from **Friday, September 4 until the end of term 3**. Each year level will present its latest Science learning intentions and wonderful examples of students’ work. We would love you to take the time to come and look, following our two final assemblies for the term!

Prep students have just enjoyed a fortnight of Engineering – using Science, Maths and innovative thinking to create marble runs made from recycled materials in order to explore concepts of movement and gravity.

Year 3 and 4 students have been reviewing the design and use of our vegie patch area with a view to making improvements to this part of our school grounds. They have created some exciting, innovative plans for our consideration.

Recently, Year 5 and 6 students experienced a Science Immersion Day, when they were introduced to a range of chemical, physical and biological science activities and experiments. Having engaged with many new ideas, students now have the opportunity to follow an idea of interest for further inquiry.
NATIONAL TREE DAY
Following our recent “National Tree Day”, the Sustainability Club will be adding a new tree to our eucalypt forest on the oval. This is a great time to remember the wonderful legacy of previous members of our school community, including Mr Andrew Morgan, who established our reuse, recycling and compost systems as well as our vegetable gardens and Mrs Carmel Conroy, who we can thank for organising the trees to be planted in this area of our grounds some nine years ago. Other recent Sustainability Club activities have included paper making and poster making.

NUDE FOOD
We continue to encourage all families to remember Nude Food snacks and lunches by making environmentally sound choices for food and wrappings. The class with the greatest percentage of students bringing “Nude Food” on Tuesdays and Thursdays is rewarded with “The Golden Lunchbox” award at Monday’s assembly. Please support your child in their endeavours to have a rubbish-free snack and lunch.

ROSTTOWN RAIL TRAIL
The Glen Eira Bicycle Users Group would like to invite you to a bike ride on Sunday 13th September. It will be an Eco-friendly ride down the Rosstown Rail Trail, followed by coffee in Elsternwick, then to a tour of a "Sustainable House" showing how a house can easily be made into a low energy house. The ride starts at Galbally Park, Murrumbeena, at 10am and will be a total of about 20km – older kids confident with road riding welcome. The Rosstown Rail trail extends from Oakleigh to Elsternwick and has fantastic potential as a kid/new cyclists friendly cycling route that links to may schools. Come and find out where it goes and consider its future possibilities. Enquiries to Malcolm Dow on 0413959979.

For your interest the following information sessions will be provided by Glen Eira Council:

Remember that every small decision you make can make a big impact on our environment.

Libbi Gorr presents **MUMMY MATTERS** at the Melbourne Fringe Festival

Born of Libbi’s hugely successful book, The A-Z of Mummy Manners: An Etiquette Guide to Dealing with Other Children’s Mothers, the *Mummy Matters* show chaotically mixes storytelling, pathos, and bed-wettingly funny insights to take you to the modern woman’s teetering edge. Hop on the roller-coaster ride as Libbi risks all to explore how to be the woman you know yourself to be alongside the role of 21st century Mum.

Join Libbi as she ventures live on stage for her first full post natal shows in this three-night only bust out experience.

**Where:** Fringe Hub - Main Theatre, Lithuanian Club, 44 Errol Street, North Melbourne  
**When:** 18 September at 7pm  
19 September at 7pm  
20 September at 6pm  

**Price:** $29 General Admission $25 Concession  
**Duration:** 60 minutes no interval  

**Bookings:** www.melbournefringe.com.au and (03) 9660 9666  
**For Interviews and further information contact:** Diane Falzon 0430596699 pr@dianefalzon.com  

If you missed Libbi when she came to Carnegie PS last year, this is your chance to catch this hilarious lady live!
Playhouse Theatre Company's workshops create an environment for your children to express themselves creatively and confidently. We encourage and nurture a love for theatre and performance.
