A very warm welcome back to all. It seems hard to believe term 4 is already here. I hope that you all enjoyed the holidays with your family. There were some lovely spring days hopefully allowing for lots of outside enjoyment on the home front.

**IMPROVEMENTS AROUND OUR SCHOOL**

On the school front some terrific works were undertaken during the holidays, including the installation of a new junior playground, generously funded by our PFA and the commencement of a Japanese Garden at the Truganini Road entrance to our school. The Japanese Garden will be fenced off for a few weeks while it is completed, but I'm sure you'll agree these both significantly enhance our grounds. An arborist undertook work on a number of our larger trees to ensure our playground remains safe. A new air conditioner was installed in our ICT room to replace the old one. This will certainly be needed as the warmer days approach. Orders are being placed for the necessary new furniture and equipment to support the start of our 2016 school year.

**A LOVELY NIGHT OF CELEBRATION – OUR ‘ROCK OF AGES’ CONCERT**

It was wonderful to share our ‘Rock of Ages’ concert at the Robert Blackwood Hall last term with so many families. As you know our students thoroughly enjoyed learning their particular song over our school based weekly lessons with Germaine and their class teachers. The Arts program forms an integral part of our curriculum and being able to perform on the ‘big stage’ provides a wonderful opportunity for our students to shine, building their self-esteem and confidence.
Suzy Bolger our Arts teacher, worked tirelessly coordinating this event and should be commended for such a fine effort. Well done, Suzy 😊

ENROLMENTS FOR 2016
Plans for 2016 staffing are underway and budgets are being organised. To ensure the best possible outcomes for students and teachers, I am keen to organise the number and sizes of classes for 2016 as soon as possible.
To support this planning I have attached a form to today’s newsletter which asks you if your child is remaining at Carnegie Primary School in 2016.
The Orientation Program for 2016 Preps will be held on Thursday 29th October and Thursday the 5th, 12th and 19th November. The first two sessions will be held in the prep classrooms and will run between 2.15 and 3.15 pm. At the third and fourth sessions the new preps will meet our specialists and these will be from 11.45am until 1.30pm. All 2016 Prep students are invited. If you would like further details please call into the office.

EARN AND LEARN THANKS
I wish to thank all families who recently supported the Woolworths Earn and Learn program. I posted 660 sheets of stickers over the holidays and keenly look forward to using the points earned to purchase equipment for our school. Your efforts are much appreciated 😊

IMPORTANT DATES FOR YOUR DIARIES
In 2016 Year 1 to 6 pupils will resume on Friday 29th January, 2016. Preps will commence on Monday 1st February. Please note the following dates in next year’s diary. Wednesday 27th and Thursday 28th January are scheduled pupil free days for 2016. On these days teachers will participate in professional development in preparation for a smooth start to the school year.

WORLD TEACHERS’ DAY
Friday 30th October is World Teachers’ Day. The UNESCO has declared World Teachers’ Day as the last Friday in October and it is a great opportunity to acknowledge the critical work teachers do each and every day and for us to say a particularly big ‘Thank You’ to the teachers at our school and acknowledge their professionalism and commitment to ensuring the students at Carnegie Primary School are cared for and well supported in their primary school education. 😊😊😊

SUN SMART FOR TERM FOUR
Please remember that all students should be wearing their sun smart hat when playing outside at recess and lunch breaks. School hats can still be purchased from our Uniform Shop. Your support for this school rule is greatly appreciated as it is important we educate our students about sun smart protection strategies and the harmful effects of the sun during our warmer weather. Please note that caps are not sun smart hats.

NEW UNIFORM SUPPLIER
A reminder that our school uniforms are now being sold through Primary School Wear who have a new store in Ormond (see ad in this newsletter for shop details).
Hats will still also be available through the school office.

LEVEL CROSSING REMOVAL – CAULFIELD TO DANDENONG
As many of you may be aware, the government is planning to remove a significant number of level crossings between Caulfield and Dandenong. I have recently been a member of the Community Tender Advisory Panel for these works to be undertaken to the Carnegie train line. I have attended a number of meetings with interest. If you would like to know more, register your details at www.vic.gov.au/levelcrossings. I’m sure you’ll agree with me that such works, once completed, will have an extremely positive effect on the community as a whole.

LOST PROPERTY
There was a lot of unnamed clothing left at school at the end of last term. If you are missing an item please pop into Ms Jones’ office and have a look if anything belongs to you.

WORDS OF WISDOM – Happiness held is the seed, happiness shared is the flower 😊
Linda Jones & Michael McCarthy
BIRTHDAY BOOK CLUB

Thank you for these great books and many happy birthday wishes from all at Carnegie Primary School.

Murrumbeena Community Garden Art Project

In 2014 local artist, Anthony Breslin invited our students to be part of the creation of a community garden. Our Grade 3 students contributed paintings to the project and we are very excited that the garden is ready. Everyone is invited to the grand opening and launch day. See you there!

Wanted

Does anyone have a rabbit house that they are not using? We would love to have a rabbit regularly visit us and he needs a house!

See you in the Arts room!

Suzy Bolger.
PFA MEETING - Next Monday 12th October 7.30pm in the staffroom.

TRIVIA NIGHT— NEXT WEEK!!!
The social event of the year is just around the corner on **Saturday 17th October** so book your tickets TODAY!
**Tickets:** $25 ea!  [www.trybooking.com/IVBR](http://www.trybooking.com/IVBR) or by cash at the office
**Table seating:** Table lists will be out in the quadrangle by the end of this week for you to write down who you would like to sit with.

**Monster Raffle**— raffle tickets will be going home to each family later this week for a huge raffle we will be drawing at the Trivia Night. This will be in lieu of a silent auction. There will be a small live auction on the night which will include the Prep artwork, a Crown Metropole Package and a couple of other bits and pieces!
See flyer on following page for all the details of the night....

KIDS DISCO— Saturday 24th October
There is no theme for this year’s disco, but it will be just as much fun! Mr Playsted will once again be rockin’ the decks, so get your dancing shoes on! A note will go home next week.

MANGO DRIVE - Order forms are going home today for our ever popular mango drive.
The mangoes are super delicious so buy up!

RELAY FOR LIFE—Join the Carnegie Wanderers!
Some families from Carnegie PS have once again entered a team in the Relay for Life which raises money for Cancer Research. They are looking for some more people to join their team with the aim of trying to raise $5000 with the view to get a research award in the name of Carnegie Primary School (details are below).
The relay is at Duncan McKinnon oval and is on the 24-25th October - from 12 noon Saturday until 10am Sunday. You can walk for as much or as little as you can (you don’t have to do the full 24 hours!)
Anyone who wants to join the team and fundraise can do so via the following link

then type Team name Carnegie Wanderers  
Or contact Wendy McMillan: 0417 059 064

What are Research Awards?

Research Awards are a chance to fund a specific type of cancer research. Your Research Award will help fund a Cancer Council research grant at a leading Victorian hospital, university, or research centre.

Relay For Life teams that raise $5000 or more can choose a type of currently funded cancer research projects.

Teams are also given the opportunity to name the Research Award, perhaps in memory of a loved one or their organisation/ school or team.

The Research Awards are published in Cancer Council Victoria’s Annual Review.

After School Care News

Welcome back to our families, to a new term. We hope you all spent some quality time with your families
Being Term 4, children will need to wear a hat and sunscreen when going outdoors. Please ensure a spare hat is packed in your child’s school bag, in case they leave their school hats in their tubs at school.
The service uses the Home brand Label SPF 30+ sunscreen. If your child has sensitivities/allergies, please ensure that you pack the appropriate sunscreen for them to use.

Please also ensure that your contact details are up to date with the service, in case we need to contact you
If you need to change your booking days, please email head office at: accounts@ylv.com.au

Catch up on local level crossing removals

The Level Crossing Removal Authority has been out and about speaking with locals about the Level Crossing Removal Project: Caulfield to Dandenong, which will remove nine level crossings between Caulfield and Dandenong, including:

- Grange Rd and Koornang Rd, Carnegie
- Murrumbeena Rd, Murrumbeena
- Poath Rd, Hughesdale
- Clayton Rd and Centre Rd, Clayton
- Corrigan Rd, Heatherton Rd and Chandler Rd, Noble Park

The project team is out at local events and parks sharing information about what they have heard from the community so far and the next steps. They’re also bringing along a Rotary BBQ, cupcake or coffee.

There will be some fun activities for the kids, including a level crossing ‘standie’ where kids can have their photos taken in various scenarios, train building competitions and a giant level crossing floor map.

Come and say hello and find out more about your local level crossing removal.

Plus more to come. For more information on the project, please visit levelcrossings.vic.gov.au or facebook/levelcrossings

A Tutoring Service Delivered by Qualified Special Education Teachers

Learn 2 Learn is a tutoring service that caters specifically to students that have learning difficulties and/or who are struggling to meet mainstream curriculum demands for a range of reasons.

At Learn 2 Learn we work together with you, the parent, to identify your child’s strengths and weaknesses. Once goals are identified, we will develop a program tailored to meet the specific needs of your child.

Focus areas include:
- Literacy Development
- Primary Numeracy
- Development Study Skills
- Study Skills (test/ exam preparation)
- Organisational Skills / Time Management
- Text Type Writing
- Essay Writing
- Curriculum / Homework Support

Students are taught by two qualified Special Education Teachers in a group session (maximum of 4 students) run for an hour.

Our expertise includes:
- IEP development
- Government Funding Applications
- Transition Programs
- Teacher Training
- Curriculum Modification
- Understanding Social Skills
- Literacy Development
- Over 20 years of combined experience in curriculum support in helping students to achieve their VCE goals

- Extensive experience in one on one and group tutoring across all age groups and levels
- Experience designing programs and teaching students across all year groups in primary school
- Experience designing programs and teaching students across all year groups in high school

Our goal at Learn 2 Learn is to make the curriculum accessible so as to provide all students with successful learning experiences.

Contact: 0435-783-140 / learn2-learn@outlook.com
