PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY
Welcoming, Engaging and Achieving

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

OPEN AFTERNOON FOR YEAR 1 to 6 CLASSES
Wednesday 9th December, 2015
As advertised we have organised an open afternoon next Wednesday, from 3.15 till 4pm, for children to share their classrooms and some of their learning. This is a valuable opportunity for your child to celebrate some of their recent achievements with you and for parents to come into classrooms for a look around as well as a time for children to talk about some of their learning. We realise it is becoming a busy time of the year but we look forward to seeing you if you are able to attend.

Our Preps will share their classrooms and learning on the afternoon of Thursday, 3rd December in conjunction with their Prep Graduation.

A WONDERUL AFTERNOON AT GLEN EIRA SECONDARY COLLEGE
On Friday, 27th November I had the privilege of being invited to the Language Assembly at Glen Eira Secondary College. This afternoon showcased the accomplishment of many students in French, Hebrew and Mandarin. Musical and dance items entertained the guests and a number of awards celebrating personal excellence in these areas were presented. It was lovely to see a number of ex CPS students being involved in this ceremony and the recipients of awards. They are certainly achieving results to be very proud of with the support of the excellent team at Glen Eira Secondary.

ROCK OF AGES DVD
Great news from the Arts Department; our concert DVDs were distributed to families today. Sorry for the delay which was certainly out of Ms Bolger’s hands and thank you for your patience.
CLASSES FOR 2016
The leadership team and more particularly the current classroom teachers have commenced the makeup of next year’s classes. The first criteria is that each child is placed with at least one friend they have chosen from a small list. There are lots of pieces of information and observations that are taken into consideration when placing the children and we ask once again that you support our decisions. We value all our teachers equally and again point out to you how closely our teams work together to take equal responsibility for the outcomes of all students in each grade area. We are very lucky with regards to the quality of our teachers across the board and this should not be taken for granted. The students will be told their placements before the end of term and will have a short session with their new class. Your support of your child can be quite enhanced by receiving news of their placement with enthusiasm and encouragement.

REFLECTING ON 2015
In the last newsletter we asked for your feedback on our school in 2015 but we forgot to attach the actual feedback form. It is attached this week, so if you would like to fill it out we would appreciate any feedback you may have on: What elements of our school are you most pleased with this year? What would you like to see as priorities for 2016 to continue to meet the learning needs of your child/children? Are there any specific areas where we could improve?

LOST PROPERTY- GLASSES
We still have 5 pairs of glasses which have not been claimed. If you think you are missing a pair, please come to the office.

SCHOOL UMBRELLAS
We still have a limited number of CPS umbrellas which we are selling off for $15 each. They are very good quality and a handy fold up size which fit in your bag. If you would like one you may purchase it from the office.

END OF YEAR FAMILY PICNIC ON FINAL TUESDAY
Our special end of year picnic is planned for Tuesday, 15th December. Our PFA will be cooking sausages on the BBQ and selling soft drinks but we also invite everyone to bring a picnic tea around 5pm. As in previous years a short concert is planned commencing at approximately 6pm.

LAST DAY OF TERM & HOLIDAY BREAK
Term 4 ends on Friday, 18th December at 1.30pm. There will be a final assembly at 1.10pm on this day so we can farewell those leaving us. School commences for year 1 to 6 students on Friday, 29th January. Looking forward to seeing everyone back as we commence another great year at Carnegie Primary School. (Prep students commence on Monday 1st February.)

PARENTING IDEAS - by Michael Grose—PARENTS USING KIDS AS BARGAINING CHIPS

It’s been said that children are the unwitting victims of a breakdown between partners, but it doesn’t take a separation for kids to be caught up in their parents’ disputes. In particular, kids of all ages can be impacted by games of one-upmanship that can be played out even when parents are together. It happens when one parent criticises the other parent’s child-rearing either verbally or non-verbally: a raised eyebrow can send a strong message. This type of criticism creates doubt and uncertainty in children. Kids crave consistency from their parents. They love to be able to predict how their parents will raise them as this puts them in control, which is vital for their healthy development. When they grow up in a predictable, caring environment they are more likely to take the learning risks necessary to grow and develop.

If two parents are in dispute there is an absolute imperative for the parents to keep the breakdown or conflict between themselves and to minimise the negative spill over to children. Inevitably, children will experience a tension if it exists between couples no matter how well their parents try to keep a dispute private. Kids are mood detectives. They’re generally better than we think at picking up the nuances of relationship tensions. It helps if parents in dispute can stick to the business of parenting and don’t confuse it with the business of partnering. If a parent isn’t getting along with a partner, then this is a problem to be worked out between them. Acting in the best interests of children means that we separate the partnering from the parenting when it comes to childrearing. This means that parents may have to compromise about many issues ranging from the straightforward, such as bedtimes, to more complex issues such as how best to manage children’s behaviour. Giving some ground to the other parent maybe problematic when relationships are troubled, but it’s not impossible. Plenty of separated couples do so successfully by consciously putting their children’s best interest before their own.

Some of our male teachers and staff this year decided to support the wonderful cause of Movember. Movember raises awareness and funds for a whole range of men’s health issues. They did a sterling job of growing their facial hair in a number of different styles!

The Motivational men of CPS are: (back row L-R); Jim Alevizos, the tech guy, Mr Chisholm (Mad Mexican #1), Mr Hopcroft (Magnum PI), Stephen Chilver (The Hippie), front row (L-R); Mr Miller (Mad Mexican #2), Mr Playsted (Cowboy Dan), Mr Champion (Wolverine), Mr Pollard (Mad Mexican #3). Well done gents on a fabulous effort!

If you would like to make a donation to this worthy cause go to http://moteam.co/the-motivational-men-of-cps
Dear Parents,

The year is drawing to a close and it is the time of year when staff and school council are reflecting on the year whilst making goals and priorities for 2016. At all times we welcome parent input in our school community and therefore I would like to invite parents to share their opinions with us.

What elements of our school have you been most pleased with this year?

What would you like to see as priorities for 2016 to continue to meet the learning needs of your child/children?

Are there any specific areas where you believe we could improve?

Name (optional)

Grade levels of child/children

Please drop this form back to the office or send it along with your child. If you would prefer to speak to Michael or myself personally please call in when you’re at school. Thank you for your time.

On Friday, 13th November the grade 3s celebrated Diwali. It was a bright, colourful day filled with fun and excitement. We had many creative activities such as rangoli (sand art), henna (temporary tattoos) and diya (lamp) painting. Thanks to the helpful parent volunteers, amazing teachers and the confident student performers for their organisation of the day.
