**PRINCIPAL’S REPORT**

**GROWING WITH THE COMMUNITY**  
Welcoming, Engaging and Achieving

Our mission is to inspire the self-belief and motivation in students that will enable them to achieve and grow.

---

**CONGRATULATIONS TO OUR COMMUNITY**

Congratulations to our Parents and Friends Fete Committee and all the tremendous helpers. There was a real buzz in the air last Saturday at our fete with many stories of fun, excitement, and support. Without a doubt the PFA really did themselves and the school proud and drew a large number of visitors to our school. Our fete is a much anticipated, special event and is a fine example of the teamwork from parents, staff, and students.

- Congratulations to Parent and Friends Committee for overseeing this very successful event. Large events such as this take hours of prior preparation, work on the day along with time to pack up long after others have gone home. An extra special three cheers for Leesa Needham for leading this team.
- Special thanks to the stall coordinators and their helpers on the day.
- A special acknowledgement to the large number of teachers who also so generously supported the day in many ways.
- Thanks to all the families who donated so generously goods and services to ensure the success of the fete.

Thanks to the families and friends who spent the day enjoying the activities offered.  
WELL DONE TO ALL! 😊

**DISTRICT SWIMMING CARNIVAL**

On Friday 6th March, 33 year 3 to 6 students keenly represented Carnegie Primary School at the District Swimming Carnival after achieving fine results at our school swimming sports the previous week. All members of the team are to be commended for their efforts. A special thanks to Mr Pollard, for coordinating this event as well as our 3 to 6 staff for their support.
WONDERFUL NEWS
Dim Budic and her husband Adam recently welcomed the safe arrival of a beautiful baby girl, Tess Budic. We eagerly await a visit from Dim and Tess to CPS in the not too distant future.
It is with much happiness that we also congratulate Alex Playsted on his upcoming wedding to his partner Shelley. I know you will join me in wishing them much happiness for their wedding day this Friday and for their future together.

LIFE EDUCATION PROGRAM
Last week parents received notification of the upcoming Life Education program. As part of our health education, we are having the Life Education mobile classroom visit our school from 17th till 26th March. The lessons the children participate in are always age appropriate, focusing on a range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.
As part of this program we are offering parents an opportunity to visit the Life Education mobile classroom at 9.30am on Monday 23rd March. A notice has been sent home today. If you would like to attend please return the reply slips to the office.

SCHOOL COUNCIL FOR 2015
Our School Council AGM will be held on Wednesday 26th March. At this meeting elections will be held and positions of responsibility organised. School Council meetings are held monthly. The parent members on school council for 2015 are Susan Harper (Charlotte, Alex and Dan’s mum), Larissa Casamento, (Jenna, Rocco and Cara’s mum), Liz Grist (Maya Clarke’s mum) Verity Walker (Eamonn’s mum), Doris Stamp (Kate’s mum), Anat Wilson (Adam and Danielle’s mum) Gregor Ptok (Jasmine’s dad), Ian Burrage (Poppy and Charlie’s dad) and Chris Mathieson (Annelie, Lachlan and Georgia’s dad).
The staff members on School Council are Michael McCarthy, Steve Miller, Cheryl Laing, Sarah Lockett and Linda Jones.
All school councillors are happy to answer questions or raise issues on your behalf at any time. Interested parents are always welcome to attend.

LOST SCOOTER – CAN YOU HELP?
Two weeks ago a green ‘Prodigy’ scooter disappeared from our bike shed at the end of the school day. This is extremely disappointing and does not demonstrate respect for the property of others. Stella, the owner of the scooter is very keen to have it returned. Someone has obviously taken this in error and we would appreciate its prompt return. If anyone is aware of the whereabouts of this scooter please call into the office.

MEETING WITH PARENTS
We support an open door policy at Carnegie Primary School. A strong partnership between home and school is a priority for us. Our staff do make themselves available formally and informally to parents on a daily basis. Saying this, we would appreciate it if parents respected the need for classes to commence promptly at 9am. If parents wish to talk to their child’s teacher before school, please do so between 8.45 and 8.55am rather than at bell time. In the mornings we ask all students to be in their class line by the second bell, ready to move inside promptly with their teacher.

WORDS OF WISDOM – A kind heart is a fountain of gladness, making everything in its vicinity freshen into smiles 😊

Linda Jones & Michael McCarthy

HOUSE SWIMMING CARNIVAL

Congratulations to all students for their outstanding efforts in the House Swimming Carnival 2 weeks ago. The weather was perfect for us and all students had a chance to achieve their best in a huge range of swimming & diving events across the day. Special congratulations to **RED HOUSE** who were the overall winners on the day.

The following is a list of all event winners from the house swimming:

HELPING KIDS DEAL WITH REJECTION – Parenting Ideas by Michael Grose

One of the keys to functioning socially and emotionally is the ability to deal with disappointment and rejection. Most children experience some type of rejection from their peers throughout childhood. One study found that even popular children were rejected about one quarter of the time when they approached children in school. Paradoxically, children’s experience of rejection and disappointment at school is good for them, as long as it’s balanced with successful experiences too. They learn that they can cope and solve problems in their own way and that bad experiences don’t last forever. And they learn that sadness and disappointment can be managed too, which is an important lesson to learn to take into adolescence and beyond, when life is full of ups and downs.

To help children handle rejection and disappointment try the following four strategies:

1. **Model optimism.** Watch how you present the world to children, as they will pick up your view.
2. **Tell children how you handle disappointment and rejection.** Not only is it reassuring for children to know that their parents understand how they feel but they can learn a great deal by how their parents handle situations.
3. **Help children recognise times in the past when they bounced back from disappointment.** Help them recognise those same strategies can be used again.
4. **Laugh together.** Humor is a great coping mechanism. It helps put disappointment in perspective. It helps them understand that things will get better. They always do.

The stronger the wind the stronger the trees is the notion here. Supporting kids to handle life’s hurdles helps them to develop a lasting sense of resilience, which is essential for good mental and emotional health.

DISTRICT SWIMMING CARNIVAL, MARCH 6:

Well done to all 33 of our Carnegie swim squad members who performed incredibly well at last week’s District Swimming Carnival. We were able to consolidate our achievement from last year, finishing 4th overall and only a few points short of 3rd. As well, we **WON** the standardised competition (which calculates overall results based on the relative size of each school) and received the coveted Blue Flag and Shield. This is an outstanding achievement and we were all very proud of your efforts.

We had some outstanding individual results including many personal bests, as well as a few ribbons to boot. Particular noteworthy achievements included:

- Chloe B winning her individual Butterfly to qualify for the Division carnival.
- Emily C winning the 12/13 girls Butterfly to qualify for the Division carnival.
- Hubert H winning the 10 boys diving event.
- Our 4 x 50m Girls Medley Relay team of Jenna C, Emily C, India I and Lily P for winning their event and qualifying for the Division Carnival.
- Matilda M for placing 2nd in her individual Backstroke event and for being the only Grade 3 student participating from Carnegie!
- All our 2nd & 3rd placegetters.

Congratulations again to all children involved – an exceptional effort by all!

Teacher Talk with....

Mr Chisholm

Each newsletter we will be chatting to a different teacher to find out a little bit more about them and hopefully what makes them tick. Today we talk to 4B’s teacher Alistair Chisholm. This week’s photo is by Emily in 6A

Where in New Zealand are you from and how long have you been in Australia?
I grew up near the village of Cheltenham on a little farm with four goats, two donkeys, two pigs, seven chickens, and a cow called Rose. I finally arrived in Melbourne last year, ten years after leaving NZ.

This is your first year at CPS. Where did you teach before here?
I taught Grade 3 for five years in a school in London, and then spent four years teaching Grade 6 at an international school in Singapore, before arriving at CPS.

Do you think you’ll ever go back to live in New Zealand, or is Australia your home now?
I will always love New Zealand but the world is big and exciting, and full of opportunities, so I’m not sure where I will be in the future. At present, there is no place in the world I would rather be than here. Australia is a fantastic country and Melbourne is definitely home for now.

When you were young, what was your favourite pastime?
Rugby, tennis, soccer, cricket, skiing, hockey, running, swimming, surfing… I would give any sport a go. I just loved to be outside playing sport when I was young, and I still do today.

You seem like you would’ve been a pretty well behaved student, but looks can be deceiving. Did you ever get into trouble at school?
As long as we don’t count talking too much in class as bad behaviour, I was very well behaved.

If you were able to go back and give yourself as a 10-year-old advice, what would it be?
I would say: Alistair, make the most of every opportunity that is presented to you. Also, you must learn to speak French and learn to play the guitar right now, as these things will be much harder to do in 23 years time!

What do you do to relax after spending a week with young grade 4 inquiring minds?
Victoria has so many awesome places to explore! I am currently on a quest to find the best beach, the best market, the best park, the best forest and the best coffee in the land.

If you could have dinner with 3 famous people from the past or present, who would they be?
I like to hear interesting stories and experiences over dinner. Three people that I think would tell some great stories would be Marco Polo, Captain James Cook and Sir Edmund Hillary.

If there was one thing you could make sure your students learnt from you, what would it be?
The world is an amazing place, and learning about it is fun!

Mr Chisholm in 30 Seconds...

Favourite food: Anything I have grown myself.
Favourite football team: Richmond has now squeezed into second place, between the All Blacks and Liverpool.
Favourite band/singer: My dad taught me to use the record player when I was four years old, and I’ve been listening to The Beatles ever since.
Favourite Movie: The Princess Bride: Sword fights, giants, monsters and true love – what more could you ask for?
Siblings: I am in the middle between two sisters, Rachel and Eli
Hobbies: I love travelling, eating good food and learning about history. I especially like it when I can do all of these things at the same time.
FETE WRAP UP

What a wonderful day we had on the 28th of February. The sun was shining, music was playing and there were people everywhere having a great time! The day was a wonderful success thanks to our awesome school community.

A big thank you to absolutely everyone who volunteered their time on the day at a stall or at set up or pack up time. Special mention must go to our stall managers who were on their stalls for most of the day and in some cases did a lot of work leading up to Fete day (ie craft, plants, tapas, Indian snacks, books, toys). They were; Karen Wynter (ride bands), Lisa Anastopoulos (souvlaki), Barb & Peter Kais (BBQ), Tanya Jorgensen (chips, hot potatoes) Bharani Janapati (Indian snacks), Sandra Rowlands (popcorn & slushies), Beatrice Casamella (Tapas), Simone Anderson (Devonshire tea), Penny Callaghan (Bar), Carrie Fowler (Cake stall), Sharon Spragg & Liz Grist (Plants), Wendy McMillan & Kristen Howell (novelties), Selina O’Sullivan & Silvana Kerin (toys), Maree Eastwood & Claudia Leahy (books), Sandra Michaela & Kylie Burrage (craft), Sharon Atkins (splash dunker), Nerida Lowndes (kids corner), and Bronwyn Christenson and our wonderful grade 6 kids for the awesome haunted house. Thank you also to the following people for their huge amount of help leading up to the day; Matt Jones, Kerin Von Steigler, Bianca Bowman, Karen Phillips

A special thank you also to Paul McNeil who put together the water pistol boat races-they were an absolute hit! Paul along with Brendan Sawford also picked up and dropped off a heap of tables and marquees from Carnegie PS –so thank you gents for the use of your muscles!

Balloons In the Car….

Thanks also to Max our resident handy man who let us borrow his Mini Moke for the day and allowed us to fill it with balloons. In case you were wondering there were 282 balloons in the car and we had 2 winners on the day who both guessed the closest number of 287. They were Mrs Yoshida our Japanese teacher and James Ryan. They will both receive a $250 petrol voucher thanks to Caltex Carnegie.

Entertainment

Thank you to all the music students who performed on the day and to Jeremy Gronow, our Fete regular who played during the afternoon. A big thank you also to Velvet Jones (Bob Mileo’s band) who also played free of charge on the day. The fantastic music made for a fabulous afternoon’s entertainment.

SPLASH DUNKER THANK YOU

Thanks to all our wonderful teachers who copped a good soaking at the Splash dunker-you were all such good sports! Thank you to: Mr Pollard, Mr Miller, Mr Champion, Miss Nakajima, Mr Chisholm, Miss Parker, Mr Playsted & Mrs Ross.
Thank you once again to our 2015 Fete sponsors...

PFA ANNUAL GENERAL MEETING TONIGHT
Our AGM is being held tonight in the staff room at 7.30pm followed by our regular monthly PFA meeting. All welcome.

Homework time a battle?

Could tired eyes mean that reading is harder than it should be?

Vision problems in primary school are much more common than you might think. We demand so much from our eyes these days, vision fatigue is just as much a reality for our school children as it is for adults.

Optometrist Clare Campitelli has been working with children for more than 15 years. She is passionate about helping them to develop a love for reading through clear and comfortable eyes.

All children should have regular eye examinations. If your child is not loving or achieving in reading - an eye examination to rule out eye fatigue is an absolute must. Clare is able to assess and treat eye fatigue, and visual processing disorders that interfere with learning.
