PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY
Welcoming, Engaging and Achieving

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

THE WEEKS THAT WERE!

Every week there are so many things that make us very proud of our school. Such recent events have included:

😊 Raising monies for the Cancer Council through the PFA’s support for the Biggest Morning Tea and on Friday 30th May. What an amazing array of cup-cakes were made by many families for sale to the students!

😊 Seeing our new preps blossom each and every day in all aspects of school life. They are engaged in their classroom learning and specialist programs. They are gaining confidence playing with their friends at recess and lunch breaks.

😊 Watching our Year 2 students perform at assembly, presenting stories of their family’s diverse histories and singing a beautiful song highlighting our cultural diversity. The 1/2 team are keenly learning a little more about their families and each other’s cultural heritage as part of their Inquiry Unit.

😊 Our 3/4 team embracing their Inquiry Unit this term, focusing on Natural Disasters in Australia and around the world. They are learning how natural processes impact on the earth in negative and positive ways and how people impact on the survival of living things and their environment. We look forward to them sharing their home projects in the future.

😊 Waving a fond farewell to our 5/6 students and a number of staff as they head off to a sensational week at camp. Michael and I are looking forward to spending time with our campers this week too. We look forward to their safe return this Friday.

😊 Celebrating World Environment Day on Friday with many students choosing to dress up in green, as their favorite animal or making a costume from recycled items. Our Envirostars led this activity with the money
received from the gold coin donations supporting the ‘adoption’ of a Southern Corroboree Frog from Zoos Victoria.

It is wonderful to see so many smiling faces each day, enjoying learning together. At Carnegie Primary School we value the opportunity to provide a rich, engaging curriculum for our students. We acknowledge the efforts of staff and parents, many of whom put in lots of their own time to ensure such terrific programs and activities occur.

SUPPORTING PERSONALISED LEARNING

At CPS we aim to ensure the teaching and learning being undertaken in homerooms and in learning teams is personalised to the needs of each student. Personalised learning means matching teaching and learning more closely to the needs, aspirations and interests of students so they become better learners, broadening the range of skills and strategies that students can use to become independent learners.

Classroom grouping is particularly important for supporting personalised teaching and learning, provided it is both planned and flexible. Our teachers organise student groupings to optimise their learning. Some of the practices that occur in our school days are:

• Short term ‘within’ class grouping according to need
• Structured groups to ensure students have access to a range of views and opinions beyond their friendship groups
• Paired working and peer tutoring to facilitate collaborative learning and discussion
• Short term regrouping across a level to allow for choice and increased motivation according to the topic being taught.

RESPECTING PRIVACY OF STUDENTS AND STAFF

On many occasions, parents take photos of their child/children at school, participating in many activities. Other students and staff are often in such photos. I appreciate that these are lovely mementos of school life and are often kept for many years.

We have worked hard as a community to establish explicit protocols for our students with regards to cyber-safety and looking after themselves and others whilst online. ‘Not putting photos or videos of other people online without their permission’ was an important message delivered in our acceptable use of technology agreement. We are asking the entire community to support us in sending positive messages to our students and role modelling the appropriate online behaviour.

And so I ask all members of our community to respect the privacy of others and refrain from placing images of other students and staff on ICT public platforms, such as Facebook and You Tube, without first receiving permission from those in the photographs or video.

UPCOMING PORTFOLIO SHARING AFTERNOON

On Wednesday 18th June, we will be having an open afternoon from 3 till 4pm for children to share their classrooms and portfolios. This is a valuable opportunity for your child to celebrate some of their achievements with you and for parents to come into classrooms for a look around as well as a time for children to talk about some of their learning, using their portfolios as a helpful tool. Please place this date in your diary and we look forward to seeing you there!

TRUGANINI ROAD DEVELOPMENT

VCAT has now handed its decision in relation to the multi storey development at 21 to 25 Truganini Road and they have approved the development of the four storey apartment complex. As mentioned previously, this isn’t a surprise, given the ‘Urban Village’ overlay that applies to this land.

It is disappointing, given the efforts to take the community’s objections to VCAT, but we need to remember the positive outcomes that were achieved over recent months. The amended plans do include increased screening, particularly on the façade facing the kindergarten and school, and increased safety features in relation to the driveway entrance and exit. We have advocated for our school community to the very best of our ability, but need to respect the decision of VCAT. Thanks again to all those who have given so generously of their time and expertise.
RECENT BUILDING WORKS
The work on our rear portable and the classrooms that Miss Taing (4C) and Ms Travers (3C) use has now been completed with minimal disruption. The work undertaken included roof and window repairs, painting, removal of unwanted carpentry and necessary plumbing works. 3C and 4C had some wall panels removed opening up the area significantly. The works have certainly enhanced these learning spaces 😊.

WORDS OF WISDOM – Remember the infinite possibilities that are born of faith in yourself and others. 😊

C.P.S. Celebrates World Environment Day

Thanks to everyone who helped us to celebrate World Environment Day last week. There were some amazing outfits and many environmental investigations throughout the day. Stay tuned for news of our adopted ‘Southern Corroboree Frogs’. Thanks for your support!
AUSTRALIA’S BIGGEST MORNING TEA–THANK–YOU

Thank you to everyone who baked for our morning tea and cupcake sale for the students on May 30th. The parents had a lovely morning tea after assembly and the children thoroughly enjoyed their cupcakes at recess. We raised over $750 for the Cancer Council!

MUMMY MATTERS with LIBBI GORR

On Thursday 26th June we are lucky enough to have comedian, broadcaster and mum Libbi Gorr coming along for a fun night of discussion around ‘Mummy Matters’. Libbi has written a book called ‘Mummy Manners’ – an etiquette guide for dealing with other children’s mothers and other mummy dilemmas”.

We will also have a panel or ‘experts’ available for a Q & A session to answer any parenting dilemmas you may have!

Tickets will be $10.

A note and ticket form will be going home this week. Make sure you invite your friends along too!

HOLIDAY PROGRAM HAS ARRIVED
To book into the July Holiday Program simply fill out the booking form attached to this week’s newsletter and forward to the service. A copy is also available at the service or you can book online through our website: www.ylv.com.au

The program is filled with lots of exciting excursions/ incursions such as:
• Going to the Melbourne Museum and Aquarium
• Visiting Task works and watching Rio 2 at the movies
• We are also having a science/circus and dancing incursion

Cost for the day is $45 plus an additional cost for an incursion/excursion day. The additional cost is stated on the program.

With the colder months upon us we have also added rice with vegetables to the afternoon tea menu. The children absolutely love it and pasta as always is a hit.

Our quiet/prep-2 corner is looking great but we would love if any families had any old toys (dolls-dolls clothes, prams, tea-sets-table, cushions, old books etc.) if they could donate them to the service. We would really appreciate it.

Mindfulness through Movement & Stillness

“Mindfulness means paying attention in a particular way: on purpose, in the present moment and non-judgementally” - Jon Kabat-Zinn

Join us in a workshop that will explore Mindfulness through both movement and stillness.

Through practicing the gentle flowing movements of modern Qigong we will experience a moving mindfulness meditation. Moving meditation uses mindfulness by placing our focus and intention on the breath, the movement and the feelings and sensations of the body.

We will then move into Stillness Meditation, exploring the styles of Mindfulness, Intention & Inquiry.

When: 4:30pm - 6:30pm
Sunday June 22nd, 2014

Where: The Breslin Gallery
254 Neerim Road
Carnegie

Cost: $30 / $25 concession
