PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

SPECIAL THANKS

Each term there are a number of special events that would not have been possible without terrific organisation and generosity of time and resources of staff, students and families. Each time we hold a special event or seek assistance we are reminded of how unique our CPS community is.

1. Our staffroom was a hive of industry last week, organising a splendid fare of delicious goodies to sell at the Carnegie Street Festival that was held on Saturday 24th November. Thank you to Selina O’Sullivan and our PFA for organising the cake and gingerbread making classes over recent weeks. We would like to extend our thanks to all of our mums and dads who baked, decorated and wrapped in preparation for this stall. Thanks also to those who so generously donated their time to man the stalls and do the selling on the day. I’m sure many locals will enjoy their delicious purchases.

2. Our 2013 Prep Orientation program concluded last Friday. Mrs Oosterbaan, Mrs Thompson and many staff, along with our students, particularly in the senior school, did a sterling job to ensure all went smoothly. Special thanks needs to go to our PFA helpers and our uniform shop volunteers for giving so generously of their time – Sharon Marasco (Stella’s mum) and Rosalie Ouslinis (Alex’s mum).

3. This term many classes have asked for volunteers to assist with classroom activities, incursions and excursions. Thanks to those who have been able to share this part of their child’s learning.
4. Thanks in advance to those of you who are able to attend the Portfolio sharing session scheduled for this Thursday, 6th December, from 3 till 4pm. I know the children get a buzz out of sharing some of their work and thoughts about their learning on these occasions.

WORKING BEE
Thanks once again to our willing band of helpers who appeared on Saturday morning. We did lots of tidying, cleaning, planting, fixing and moving and storing to be better prepared for the end of the year and for next year.

STAFF NEWS
We have just a few staff movements in 2013 which we wish to announce to the community. Elise Shanley (Grade 1) will be taking twelve months leave to return to the family business in country Victoria. She will be greatly missed and we cross our fingers she might return sometime soon. Melinda Gledhill (Grade 3) has completed her six month contract and will return to relief teacher duties. We thank Mel for her great contribution. We will happily welcome back Kate Lawson next year after twelve months travelling the world. We will also welcome back Amanda Dowsett in a part-time role as she returns from maternity leave. We are currently finalising grade placements for students and teachers and will let you know those details during the last week of school.

RELIGIOUS EDUCATION
We have had further queries about Religious Education in the past week. As with all government schools, we are bound by an act of Parliament to offer an RE program if qualified religious groups request a forum. Access Ministries is the Education Department nominated group who provide and oversee instruction in an Agreed Syllabus which is a Christian education. CPS also offers a Roman Catholic syllabus, a Jewish syllabus and a Greek Orthodox syllabus. Parents need to request their child be excused from attending RE if they wish them to be withdrawn.

GUITAR CONCERT
Just informing the community that our guitar students who learn with Stephan will be putting on a musical extravaganza tonight at 7pm. I’m sure many parents, friends and siblings will be in attendance but all would be welcome. Good luck, everyone. We are looking forward to it.

PARENT HELPERS MORNING TEA – Wednesday 11th December
We wish to invite all our wonderful 2012 helpers to a small morning tea at 11am on Wednesday 11th December. As in previous years we will be holding this event in the hall. We know it is becoming a busy time of the year but we hope many of our helpers are able to join us. It is our teachers’ opportunity to say thanks and provide some delicious food for you all.

END OF YEAR FAMILY PICNIC – Tuesday 18th December
Our End of Year Picnic and Concert is on Tuesday 18th December under the trees between our portable buildings. The evening will begin at 5pm with the PFA sausage sizzle. It will be a laid back evening with the children performing in whole grade levels to ensure the concert is short and sweet. The children are preparing their items in their Arts lessons with Ms Bolger. We look forward to seeing all our families at what is now a time-honoured celebration of the school year. We have ordered a balmy evening to make it even more special.

REFLECTING ON 2012
Thank you to those families who have chosen to give your feedback via the form sent home with our last newsletter. Your positive feedback is much appreciated and it is heartening to know that in most instances we work together in a positive partnership ensuring the best outcomes for our students. The areas for improvement are well considered and will be reflected on when making plans for 2013. Please remember that Michael and I have many calls on our time but we can always make time to meet with parents, formally and informally, either in person, via a phone call or the school email.

Grade 1/2 Sciencetastic Expo -
Science within our Community

Grade 1/2s invited parents to share their scientific knowledge with us. We were delighted that many parents came and had lots of fun interesting activities to share with us. We all learnt a great deal and were amazed at the range of scientific knowledge within our own community.
A very special thank you to Brendan Harper, Catherine Delalande, Yael Mijares-Mendez, Predrag Nikolic and Simon Nazaretian, Justin Chen and Melissa Dry. We really appreciated you giving up your time to visit us.

I learnt that you have to brush your tongue to look after your teeth!
Penny M.

I loved seeing the model of your teeth and it was interesting to learn how to brush your teeth properly.
Elle D

I learnt that our teeth have many layers and you have to brush them at least twice a day.
Ella P.

It was amazing to learn about the chaos pad and hear the incredible sounds that you could make.
Melissa D.

I learnt about music and the chaos pad. It was the coolest thing in the world!
Charlie B.
I learnt that you have to do 2 mouth to mouths and 30 chest compressions and repeat this to save someone’s life. Charlie C.

I learnt that a doctor does many different things to help lots of people. Jessica L.

DNA is different in every person except if you are an identical twin. Kobi M.

We learnt that our body is made out of cells. Our skin has cells. Ella D.

I loved looking at the cells through the microscopes. Nishita A.

It was interesting to see dry ice in the water which made carbon dioxide. Dhruvi C.

It was cool to see a tissue sample from a real organ and the spray that was used to freeze it. Then we got to see cells under the microscopes. Stefan N.
CHRISTMAS CAKE STALL WRAP UP
On Saturday 24th November we had our annual Christmas cake stall at the Koornang Rd Street Festival. The weather was fantastic after having to deal with rain and wind over the past few years. The profit for the day was just over $2,000, which was a wonderful result. Thank-you to everyone who donated a cake or a gingerbread house or both! Thank-you to all those people who wrapped the items and to those who helped set up, pack up and man the stall. A big thank-you must go to Selina O’ Sullivan for organising all the baking sessions and the stall on the day—you’re a gem!

LAST PFA MEETING- Next Wednesday 12th Dec
As tradition dictates, our last meeting for the year will be held at the Rosstown Hotel at 7.30pm on Wednesday 12th December (please note not the normal Tuesday night). We will celebrate a successful year of fundraising and social events. I look forward to seeing you there!

END OF YEAR PICNIC – TUESDAY 18th DECEMBER
The PFA run a sausage sizzle and sell cans of soft drink on the night of the End of Year Picnic. We traditionally ask some of the dads to help out with the cooking of the snags and serving. If you would like to help on the night please contact me on the details below. Thank-you!

CHRISTMAS TREE REMINDER
For those who ordered Christmas trees last week, they will be at school this Friday between 3pm and 5.30pm for pick up. Please remember to bring along the slip from the bottom of the form.
