PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

It seems hard to believe that we are already welcoming term four. 2012 is certainly flying by. I hope all families have enjoyed the two-week break spending quality time together and some special activities during the holidays.

Over the holiday break, the two portables that were used as a year 4 and 6 classroom respectively in 2011 were removed as planned. The area has been tidied and grass seed sown. DEECD has placed a hold on the portable near our 1/2 learning centre until a suitable site for relocation can be confirmed. We hope this won’t be too far away but this decision is beyond our control.

New rain heads on 6 downpipes on the 1/2 Learning Centre and concreting of the area along the side of the hall and near the bike shed was completed over the holiday break, tidying up these areas.

ENROLMENTS FOR 2013

Plans for 2013 staffing are under way and budgets are being organised. To support this planning I ask parents to return the form sent home today which asks you if your child is remaining at Carnegie Primary School in 2013.

The Orientation Program for 2013 Preps will be held on Thursday, 1st November, Thursday, 8th November, Friday, 16th November & Friday, 23rd November. The first two sessions run between 2.15 and 3.15pm. The third and fourth sessions will be from 11.45 till 1.15pm. All 2013 prep students are invited. If you would like further details please call into the office.

IMPORTANT DATES FOR YOUR DIARIES

Year 1 to 6 pupils will resume on Thursday, 31st January, 2013. Preps will commence on Friday, 1st February. Please note the following dates in next year’s diary; the 29th and 30th January are scheduled...
pupil free days for 2013. On these days teachers will participate in professional development in preparation for a smooth start to the school year.

INTERNET SAFETY
It is important that as adults we remain vigilant in relation to internet safety, setting clear boundaries for our children. Safe computer use guidelines can help make the Internet a safer experience for all your family members. Here are some general guidelines you might like to consider:-

- Place your computer in an open room. This allows you to see what is occurring.
- Educate your children about the Internet, both the positives and the potential dangers.
- Bookmark child-friendly websites. This allows your children to easily get to safe sites that they have used before.
- Teach your children that Internet safety means never giving out personal information over the Internet.
- Teach your children to refrain from chat rooms.
- Teach children to crash and tell. If they encounter a bad experience, they should feel comfortable in immediately turning off the computer and talking with a parent or adult about the experience.
- Never allow your children to meet with someone from an online session unless the parent approves.
- Know the parents of your children's friends.
- Teach children to never open emails from someone they don't know.

SCHOOL UNIFORM & SUN SMART FOR TERM FOUR
By now all students should be wearing their sun smart hat when playing outside at recess and lunch breaks. School hats can be purchased from our Uniform Shop. Plain navy sun smart hats that can be purchased from local department stores are also acceptable, particularly if you like to keep a spare one!

To give our students a sense of pride in their school and to enable them to be identified as students of Carnegie Primary School, the wearing of school uniform is compulsory. Our uniform colours are navy and gold and I thank the vast majority of families for respecting this policy. Items such as black leggings and Caulfield Bears windcheaters are not an acceptable choice.

We introduced house colours and house t-shirts a few years ago and we remind parents that when we hold house events, such as our school sports days, we strongly encourage the wearing of house t-shirts so your child can show support for their team. On such occasions other clothes even in team colours are not to be worn. As you know there are other opportunities where free dress can be worn.

LIVING WITH A PERFECTIONIST - PARENTING IDEAS BY MICHAEL GROSE
Many children are afflicted by the curse of perfectionism. It is not lack of ability, opportunity, timidity or even laziness that holds many kids back. Rather it is a deep-seated unwillingness to expose themselves as temporary failures while they learn, that stops many children from really achieving their full potential. This fear of failure is strongest amongst first borns, our most prolific population cohort, so it is little wonder that perfectionism is one of our greatest problems in Australian schools.

The curse of perfectionism means that some children will only star or achieve in areas where they are certain of success. So they tend to narrow their options by sticking to the safest path. The road to innovation and adventure is also littered with uncertainty, which increases the likelihood of making errors.

Perfectionists are hard to live with. They make demanding partners and anxious children. They can be critical of those around them just as they are highly critical of themselves. Their attention to detail can be infuriating. Perfectionists usually want to be better than anyone else.

It may seem strange but children need to make more mistakes. We should encourage our kids to make more errors, spell more words incorrectly, get more sums wrong, make a mess sometimes when they write, break a dish or two as they unpack the dishwasher, set the table with the knife and fork upside down, leave marks on the floor when they wipe up the mess or forget to feed the cat once in while.

The Spelling Bee was amazing and nerve wracking. We all enjoyed it and the pressure filled the room. When the competition started, the students’ hearts started pounding, and as it went on, people were knocked out by the tiniest of mistakes. Everyone tried their hardest but in the end the exceptional spellers Imogen Thomas and Morgan Edwards had a showdown. In the end Imogen won the spelling contest by spelling the word ‘colloquialism’. We all had an awesome time cheering each other on and we were all so good, it was like everybody was a dictionary itself!

By Daniel C & Adam A.

Children benefit from being released from the pressure of always having to do well. When children learn that mistakes are quite acceptable they are more likely to stretch themselves and try new areas of endeavour or use their own initiative and not worry if they mess up. Help perfectionists understand that they don’t have to do everything perfectly. Sometimes near enough is good enough, particularly if you are trying new endeavours. Learning to spell, writing a story or playing a game all have healthy margins for error. The trouble with some children is that they believe that they only count in the eyes of others when they are perfect, look perfect or can do the perfect job. These people need to learn that doing their best is indeed good enough.

Arts News Term 4 2012

On Wednesday 12th of September our Senior Choir had a special visit. Meri and Meme are both professional singers and musicians. Meri is Atu and Laeima’s mum and Meme is their Aunt. They sang and played guitar for us and their voices were phenomenal.

Meri told us that she started singing in Church and that singing is a big part of her life. She told us to follow our dreams and if we want to sing to go for it. The Choir sang a song for them and Anna R accompanied us on the piano.

We would like to thank Miss Harley for inviting our special visitors. We had a wonderful time.

Anna, Caitlyn, Paris, Charlie K, Lucy, Ruby C, Imogen

Thank you

I would like to thank our school community for supporting our Art Show which was open from the 7th until the 17th of September. Our many visitors were thrilled to see the beautiful art work by our talented CPS artists. Well done, everyone.

Hip Hop Funk

In Term 4, the Grade 5 and 6 students are looking forward to participating in Hip Hop lessons. Lana Aarons is a dance teacher who specialises in Hip Hop. Lana will be teaching us dance moves and we will be choreographing our routines to the lyrics of songs.

6A and 5B had their first session yesterday. The first lesson for 6B and 5A will be Wednesday 10th of October.

Buttons!

We are on a button hunt! If you have any buttons that you do not need, we would love to use them in the Arts Room. Come and see what we are going to do with them!

Thank you to all our wonderful families who donate lots of fabulous goodies for use in the Arts Room and across our school. If you have any clean ice cream tubs, material scraps, wool and string or old towels, we would love to use them.

Thank you, Suzy Bolger

Australian Girls’ Choir Open Day – Sunday October 28

Congratulations to girls in Grade 2 to 6, who recently took part in the AGC assessment workshop at school. By now you should have received your personalised assessment. Girls in Prep and Grade 1 will be receiving an information flyer about the AGC Open Day. Everyone is welcome to attend the Open Day which will give girls the opportunity to try a free class and attend an information session.

Phone 03 9859 6499 for more information or visit www.aspagroup.com.au
Carnegie District Athletics Squad 2012

Congratulations to the Carnegie Athletics Squad who competed against the best in our District at the end of last term. They were chosen to represent the school on their performances at our House Athletics Day earlier in Term 3. We are very proud of their efforts.

KIDS’ HALLOWEEN DISCO
13/10/12

This Saturday the school hall will be decorated in all things Halloween for the inaugural CPS disco! If you haven’t returned your ticket form and money please do so by Wednesday at the latest.

Preps, 1s and 2s will be from 5-6.30 and 3s, 4s, 5s and 6s will be from 7-8.30pm. There will be a sausage sizzle (vegetarian option too!) and drinks available.

Parents will be required to sign their children in and out on the night. If you authorise another parent to pick up your child you will need to inform us when you drop them off.

Thank-you to all the parents who have volunteered to help on the night.

Decorations - if you have any Halloween decorations you can lend us, can you please name them and drop them into the office this week. Thank-you!

Please note that this disco is only for school students of Carnegie Primary. Unfortunately we can’t accommodate siblings or friends.

DUTCH CLUB SOCIAL NIGHT - SATURDAY 27TH OCTOBER

It’s on once again, the night for the parents to get down and boogie! Come along for a fun night of at Carnegie’s spectacularly kitsch Dutch Club in Rosstown Rd. Feel free to bring along friends and make a night of it!

This year we have a fantastic live band playing-so dust off those dancing shoes! A note will be going home later in the week with more details.

- What a fantastic holiday program that we just had. The children thoroughly enjoyed all the activities offered, especially the excursions. We would love to hear any feedback from the parents, so that we can make the next holiday program even better.
- Parents wishing to change any of their days need to contact the service as soon as possible.
- Also if parents contact details have changed eg: their address or telephone number, it is imperative that the service is notified in case of an emergency, if by chance we need to contact you.
- Medical conditions also need to be updated. So if your child suffers from a medical condition it is advisable to alert the service and if necessary the appropriate medication to be provided
- Also the service would love any recycled donations. Especially any boxes and containers, that would be used in out art sessions
- **If you have any questions/concerns about your account please contact Sally our Area Manager who will be able to help you on:** 0402 347 432

Planning to renovate or build?

Are you planning on renovating your home or maybe your kitchen, doing an extension or even considering constructing a new home?

Staying put in your current house rather than moving location, makes a lot of sense. You and your family like the local neighbourhood, the schools and the parks. The local area itself is your home.

Added to that is the cost of moving. Agents’ fees, advertising costs and stamp duty tax. All together, the sum is more than substantial and the bulk of that just goes off to the taxman.

So think about it, aren’t you better off saving those costs and sinking the savings into your existing home and enjoying the benefit yourself?

If the answer to any of the above is yes, consider the services Domestic Project Management (DPM) offers;
• Town Planning coordination
• Design services
• All construction
• Co-ordination of tradesmen

The result is that you can build to your requirements, to your quality, and still receive genuine savings. Contact DPM to share your vision.....
