PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY

We are here to support the academic, social and emotional development of our students to be resilient to the challenges of a rapidly changing society.

FIRST ONLINE NEWSLETTER
Most of you are reading this newsletter online as we have had a huge take up of our first offer to provide your news this way rather than through the less eco-friendly hard copy. Hopefully, those who are choosing to still receive a hard copy have filled in the request form. If you haven’t, a reminder note has been sent home with your newsletter. Of course, in the changeover, we hope everyone is able to find the time to keep informed through the newsletter. Let us know what you think. An archive of newsletters is also available on the website at www.carnegieps.vic.edu.au.

INAUGURAL TWILIGHT CRAFT MARKET
Thank you to Lisa Anastopoulos and PFA helpers for organising our first Twilight Craft Market on Friday afternoon. This was a lovely way to bring the community together. Stallholders were able to showcase their talents and sell their wares while families enjoyed the experience, hopefully purchasing a bargain or two.

CARNEGIE STREET FESTIVAL
Thank you to Selina O’Sullivan and our PFA for organising the cake and gingerbread making classes over recent weeks. This Saturday, 24th November, the annual Carnegie Street Fair is being held. I would like to extend our thanks to all of our mums and dads who are baking, decorating and wrapping in preparation for this stall. Thanks also to those who will generously donate their time to man the stall on Saturday. The weather in past years has been unfavourable so let’s cross our fingers for a lovely spring day. I’m sure many locals will enjoy their delicious purchases.
REFLECTING ON 2012
At this time of the year staff and School Council reflect on the year whilst making goals and priorities for 2013. At all times we welcome parental input in our school community and therefore I invite parents to share their opinions with us. I have attached a sheet to today’s newsletter that you may like to consider completing and returning to school. The three questions posed are – What elements of our school are you most pleased with this year? What would you like to see as priorities for 2013 to continue to meet the learning needs of your child/children? Are there any specific areas where we could improve? Thank you, in advance, to those who choose to complete this. Your feedback is much valued.

COMPUTER CONTENT
As teachers and parents, we regularly become aware of the accessing of inappropriate websites or computer content, sometimes intentionally, sometimes by accident, often at the suggestion of others. This can involve children as young as 5 and 6 as well as our senior students. This is happening to students at our school, right across the school, just as much as students at other schools. We have included a helpful little flyer from ACMA in the newsletter today with some great tips for parents. ACMA (Australian Communications and Media Authority) is a government sponsored organisation which works heavily in this area and particularly with Cybersafety. They can be contacted on: Tel: 1800880176 or at www.cybersmart.gov.au

CARNEGIE STAFF SOCIAL NOTES
We have recently welcomed back Miss Shanley from her lovely European holiday with her partner, Matt. Miss Shanley’s plan worked a treat ☺ and in one of Europe’s romantic cities, Matt popped the question and Miss Shanley has returned engaged to be married and very happy about the future. Congratulations, Elise.

PAYMENT AND PERMISSION FORMS FOR EXCursions AND SPECIAL EVENTS
Like all school sporting activities, excursions and incursions form a pivotal part of our curriculum and are often much anticipated by students. I remind parents of the importance of returning permission notices and money promptly. To ensure the safe and smooth running of such activities, permission notices and money needs to be returned ASAP and cannot be accepted on the day of such events. Return dates are written on notices sent home and your support for this is much appreciated.

RELIGIOUS EDUCATION
We have had a number of queries about Religious Education in the past week. At CPS, we have a form in the office which parents fill in as part of their child’s enrolment choosing a Roman Catholic syllabus, a Jewish syllabus, a Greek Orthodox syllabus or the Agreed syllabus ‘Religion in Life’. Attendance at Religious Instruction classes is not compulsory for students whose parents request that they be excused from attending. Unless or until parents request that their children do not receive religious instruction, or that they receive a different form of Religious Instruction, students will receive Religious Instruction in accordance with the Agreed Syllabus.

The Agreed syllabus is delivered by instructors drawn from the Anglican, Catholic, Protestant and Pentecostal Churches, who are trained and is extremely disappointing for all concerned if children miss out on these special activities.

FREE TO A GOOD HOME
Prior to the end of term we will be repainting the classroom on the landing in the main building as it will be used as a Year 3 classroom in 2013. There are two quite long blue laminex benches which will be removed. These are in excellent condition and could be recycled. If you think you may have a use for them, please pop in and have a look. - First in best dressed.

AEU INDUSTRIAL ACTION
As the negotiations continue between the government and the education union without any sign of agreement, another round of workplace bans are imminent. Our sub-branch will be supporting the bans on providing written comments in end of year student reports and on after school staff meetings. There is a proposed half day stop-work for schools in our network on Wednesday November 28th concluding at 12:15pm. We do expect this will affect most classes at CPS. More specific details will be forthcoming very shortly.

WORKING BEE
We have planned one final working bee for 2012 to be held on Saturday, 1st December from 10am to 12pm. We hope to see a group of committed hard workers who are keen to lift their heart rate for two hours followed by some well-earned refreshments. Please return the reply slip attached to a notice sent out today if you are able to help this time. It will mainly be an end of year spruce up.

RELIGIOUS EDUCATION
Give kids a scapegoat. Keeping face is important for many young people so they can maintain their status among their friends. Encourage them to blame you for not letting them do something they don’t feel comfortable with but can’t admit to.

Avoid making kids rely on the approval of others, including parents, for their self-esteem. Allow them to feel comfortable holding opinions and views that are different to yours.

WORDS OF WISDOM –
Being jealous of others is a waste of energy. It gets you nowhere and makes you unhappy. Be happy with the good fortune of others and concentrate on your good points and strengths.

PARENTING IDEAS FROM MICHAEL GROSE - PEER PRESSURE

Peers have a strong influence on the hearts and minds of children and young people. Usually peer influence is positive. However, the influence of friends and acquaintances is not always in a child’s best interests. Peers generally have an extremely positive impact on a child. Positive peer influence can impact on learning, character development and a child’s interests. However, for a child or young person, resisting negative peer influence can mean isolation or instant ostracism, so it sometimes takes great strength of will to refuse to follow the crowd.

SOME IDEAS TO HELP CHILDREN COPE WITH AND BE LESS SUSCEPTIBLE TO PEER PRESSURE :-

1. Help children say no – and still save face. Ask them how they would refuse an offer of a cigarette, an illegal substance or an invitation to behave in a way that they felt uncomfortable with. How could they say no? What words could they use? How could they react if they were pestered? How can they refuse and still be ‘cool’ and accepted by others? Be upfront with them; after all their peers will be.

2. Encourage them to gain some thinking time. If they feel uncomfortable with a peer’s insistent request, but find it difficult to refuse, then encourage them to gain some reflection time by saying something like ‘No thanks, not now.’

3. Invite children to think through the consequences of their decisions. When they are put on the spot they should think about the risk factors involved and err on the side of caution. Encourage them to think ‘Is this behaviour smart? Is it in my best interests?’

4. Talk about peer influence with your children. Be open and frank about the subject, letting them know that while much of the influence of their friends is positive, some is not in their best interests.
Not all material you come across on the internet will be right for you or your family. Material may be inappropriate because it breaches your social, religious or cultural standards, or your own personal or family values.

Inappropriate content may be violent, sexually explicit or promote unsafe behaviour, such as eating disorders. It may also promote and detail dangerous or criminal activity, or promote extreme political or racist views. Some inappropriate material may be prohibited or even illegal.

Inappropriate content may upset or disturb children and teens or provide them with access to images and concepts their parents do not feel they are ready to explore.

Children and teens may seek out inappropriate content through websites browsing or they may be referred to it by others, such as by email or instant messaging services.

They may also unexpectedly come across it by clicking on hyperlinks within websites, obtaining unexpected results from online searches, opening junk or spam mail, clicking on a pop-up, mistyping web addresses in a browser or incorrectly spelling terms in a search engine.

Internet-enabled mobile phones offer 24/7 access to online content which can increase the risk of being exposed to inappropriate content.

Tips for Parents:

1. Be aware of how your child uses the internet and explore it with them. Discuss the kinds of sites that they play to explore and those that are not, and talk about what you both like and don’t like about them.
2. Try to locate the computer in a shared or visible place in the home.
3. Warn your child about the consequences of accessing inappropriate content.
4. Consider using filters, labels and safe zones to help manage your child’s online access.
5. Remind your child not to open spam email or click on pop-ups, prize offers or unfamiliar hyperlinks in websites.
6. Help your child use search engines to locate websites. Develop a list of favourites for younger children.

Teach your child that there are ways they can deal with disturbing material—they should not respond if they are sent something inappropriate and they should immediately leave the site if they feel uncomfortable or worried. Younger children should tell a trusted adult.

Reassure your child that access to the internet will not be denied if they report seeing inappropriate content.

Report content that you think may be prohibited to the ACMA's online hotline: www.acma.gov.au/hotline.

Education Maintenance Allowance - information for parents currently receiving EMA

Changes to the Education Maintenance Allowance (EMA) for 2013:
The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including textbooks, stationery, uniforms and excursions for their child up until the age of 16.

From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points.

In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive an annual payment of $250.

The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013. However, additional funding has been incorporated into the EMA meaning that parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years.

From 2013, the EMA will no longer be paid 50/50 between the parent and the school. The 50% school portion of the EMA will no longer be paid to schools on behalf of parents. However, $62 million over four years will be redirected to the State’s most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

New EMA payment option
From 2013, on the EMA application form you can choose to have your EMA payment;
• Paid by direct deposit (Electronic Funds Transfer) into your nominated bank account or
• Paid by cheque which will be posted to the school for collection or
• Paid to the school to be held as credit which you can use towards education expenses
The introduction of the new payment option to have the EMA payment directed to the school provides parents with extra flexibility to assist with budgeting towards education expenses.

Eligibility:
To be eligible for the EMA in 2013, you must:
• be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
• be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004* or be a Veterans Affairs (TPI) pensioner or be a temporary foster parent.
* i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.
The eligibility criteria must be met as at 29 January 2013 (Instalment One) and 15 July 2013 (Instalment Two).

Payment Amounts - 2013:

Student year level (or age for ungraded and special school students) will determine the amount payable. Parents of students turning 16 years in 2013 are paid on a pro rata basis.

Contact: School Office for an EMA application form and to lodge your application. The closing date for EMA applications forms to be submitted to the school is 28 February 2013.
Science and Sustainability News

Green Urban Better Schools (GRUBS)

Carnegie Primary was one of the founding schools of this initiative which aims to form partnerships with other schools in Glen Eira to share Sustainability ideas and successes. An exciting project we have recently received funding for is to create wildlife corridors and increase biodiversity in many different school grounds. Stay tuned for more on this next year and a start to some new planting.

The Vegetable Garden

We have harvested many delicious cauliflowers that children in sustainability club enjoyed eating with yummy cheese sauce.

Last week we planted out all the new veggies including tomatoes, basil, zucchinis, cucumbers and many herbs. We hopefully will have some tasty treats to enjoy before the summer holidays.

Thanks to the terrific Grade 1s for helping us to water our new plants.

CHRISTMAS CAKE DECORATING-TONIGHT!!
The last of our Christmas Baking sessions are being held tonight in the staffroom. The final topic is Cake decorating. Come along and learn how to ice those wonderful Christmas cakes you’ve made over the past few weeks.

In return for the lessons we encourage people to donate a Christmas cake or gingerbread house to sell at the school stall at the Koornang Rd Street Festival this Saturday.

KOORNANG RD STREET FESTIVAL THIS SATURDAY!!
We are once again holding our annual Christmas Cake stall at the Carnegie Street Fair this Saturday. We are asking for people to donate Christmas cakes, gingerbread houses, shortbread, biscuits etc for the stall. Can you please drop off your baked goods (fully labelled) any time on Thursday to the staff room.

Volunteers needed....
We are asking for volunteers to help wrap the cakes on Thursday night from 7.30pm, once again in the staff room.
We also need helpers for the stall on Saturday. We need people for set up from 8-10am and then during the day at the stall from 10am-4pm. If you can do an hour or 2 for either Thursday night or Saturday, please let Selina O’Sullivan (0409 019 014) or myself know.

TWILIGHT CRAFT MARKET A GREAT SUCCESS
The Twilight Market on last Friday was a wonderful afternoon. Thank-you to all those parents who booked a stall for the event and to all of you who came along to support them and our school.

- Holiday program for the January Holidays will be out in the next fortnight. **Parents should note that the program will run from the 14th of January until the 25th of January.**
  Also if there is expression of interest we will run on the 29th and 30th of January before the children start school on Thursday the 31st of January. Also note that there will be no program running on the 28th of January due to the Australia Day Public Holiday. If you are interested in the two days before school starts (Tuesday 29th and Wednesday the 30th of Jan) please advise the service, so that plans can take place whether or not to go ahead with offering a program.
- Also I am seeking help from the community. We are recruiting staff for next year. So if you know of anyone who holds a Teacher’s Degree or a Diploma in Children’s Services or who is currently studying in this area and would like to work in Outside School Hours Care then we would be delighted to hear from them. Please pass the word around.

FIRST AID PROCEDURES AT SCHOOL

Children who are sick during the day are sent to the First Aid room. If children need to go home, parents or carers are informed and children are collected from school. If children are very sick or more seriously injured and parents or their emergency contact person cannot be contacted by phone, we are obliged to ring an ambulance to take the child to the doctor or hospital.

DEECD does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the costs of medical treatment for injured students including medical transport. Teachers cannot take children to the doctor or hospital in private cars. The cost of the ambulance will be the responsibility of the parents.

This can be very expensive unless parents have ambulance subscription. It is very important parents consider taking out ambulance cover. Health Care Card holders receive free ambulance service (children’s names must be on the Health Care Card)
