PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

OUR VIBRANT COMMUNITY SHINING
Like all schools there is much to celebrate each week, as well as challenges to keep me on my toes. But as principal of CPS, not a week goes by when I’m not touched by the professionalism of staff, enthusiasm and passion of students and generosity of parents. The last fortnight hasn’t been any different. Worthy of particular mention are:-

• Amy Travers for organizing last week’s exciting camp for our 3/4 students. The students were wonderfully behaved and a credit to their families and our school. Michael attended all three days with many other staff and I was fortunate enough to share Wednesday night and Thursday with the children and it was wonderful to see our children making new friendships, supporting one another and thoroughly enjoying the challenges.

• Our 5/6 students for organising a number of small fundraising events to raise monies for their chosen charity. Tom, Callum, Daniel and Billy’s cake stall was a real winner raising a fine amount for the Salvation Army. This inquiry unit has given all our students an insight into those less fortunate than themselves while at the same time allowing them to personalise their learning by investigating a charity that they had a personal interest in.

• Simon Wang, Grace’s dad in year 2, for supporting us in applying for the Telstra Foundation 2012 Anniversary Grant Program. Mr Acklom put together this $10,000 submission. Our submission has included iPad tablets for students to use and professional development for staff. Simon Wang endorsed this submission as a Telstra employee.

• Liz Millikan, Harry’s mum in year 6, for giving so generously of her time to purchase and plant a number of shrubs and seedlings last week. The areas Liz worked on certainly look much better after her TLC.
Leesa Needham and our PFA helpers for giving many hours of their personal time to organise Friday’s very successful Walkathon and our upcoming Trivia Night. The generosity of families towards our fundraising is always much appreciated with monies raised spent on enhancing the resources and facilities for our students.

The mums and dads who generously supported last week’s Yellow House Rewards Day. Having capable helpers to buy the food and prepare the lunch makes all go smoothly here and I know the children enjoy this special afternoon that they earn as a team.

UPCOMING PFA TRIVIA NIGHT- Saturday 18th August
Another great night has been organised by our PFA. Trivia Night bookings have been strong and I’m sure a great night will be had by all who attend. If you haven’t already booked a spot on a table, please do so as soon as possible. Don’t forget the night is being held at McKinnon Secondary Hall, not at Carnegie Primary.

CURRICULUM DAY - NO SCHOOL ON THURSDAY 30th August
There will be a pupil free day on Thursday 30th August. This day will provide professional training sessions for our teachers. Before and After Care are offering a program for interested parents on this day.

DEVELOPMENT OF A MASTERPLAN FOR OUR SCHOOL
Architects Clarke Hopkins Clarke have prepared initial Master Plan drawings for our school. These plans have considered internal and external areas of our school including buildings, vehicular access, landscaping, play areas and service zones. These designs are available in the office area. If you’d like to view these, please pop in. Feedback is obviously welcomed from all stakeholders at this design stage. It should again be noted that the Master Plan is not a guarantee of works to be undertaken but us positioning ourselves well for the future.

PARENT OPINION SURVEY
Last week some families received the Department of Education and Training annual Parent Opinion Survey to complete. This is a computer generated confidential survey carried out each year as part of our Annual Reporting process. It is useful for School Council and teachers when working together to continually improve the programs and services we offer our families. It is a random survey. For those families who received a survey, we appreciate you taking the time to complete this. If you have any questions, please see Michael or myself.

COFFEE & CHAT INVITE
As mentioned in the last newsletter our next ‘Coffee and Chat’ opportunity for parents will be Thursday 23rd August at 7.00pm in the staffroom. At this time we are available to answer general questions, further discuss our school programs and practices, our goals and priorities and our hopes for the future. The Master Plan drawings will be available on this evening too. As this is an evening session, if you would like to come along, please let us know before the night so we can plan accordingly. A note or email to your class teacher or the office would be good.

DOGS IN OUR SCHOOL YARD
Concerns have been raised in relation to dogs in our school ground before and after school. Please note that our school yard is a ‘NO DOG ZONE’ between the hours of 8.30am and 4pm. We know our furry friends won’t mind spending a little time tied up outside our school while parents and care givers are dropping off and picking up their children. Your support is appreciated.

SWIMMING
Yesterday, we had a busy but successful start to our whole school swimming program at the new GESAC pool. On the first day the children are tested for group placement according to their level of swimming competency. We trust that has been achieved and the groups finalised with only minor adjustments in the coming days. Mr Champion will be in attendance at the pool throughout the fortnight and is the point of liaison between the school and pool staff. Amanda Miller is running a reduced P.E. program back at school while Marcus is at the pool.

An unfortunate hiccup in our program yesterday was that the fire alarm was activated twice, resulting in the complete evacuation of the complex both times. Our children were required to leave without having time to collect towels. This was somewhat uncomfortable but
2. **Establish a 30 minute bedtime routine that signals the end of the day.** A known routine such as quiet time, drink, toilet and story lets children know what is expected of them and enables them to plan accordingly.

3. **Reduce over-stimulation before bed-time.** Ensure children are engaged in passive activities such as homework, reading or watching television.

4. **Temporarily remove distractions at bedtime for bedtime resisters.** Sometimes turning off the television can be enough to send children to bed.

5. **If you have a procrastinator focus on your behaviour, not theirs.** I know a parent that begins reading a bedtime story whether her child is in bed or not. As her daughter treasures her story this is generally enough to have her rushing to the bedroom.

6. **Distinguish between being ‘in bed’ and ‘being in the bedroom’.** Children differ in the amount of sleep they need. It may be more realistic to expect some kids to be in their bedrooms at a set time, rather than in bed. Once away from the adult world children generally fall asleep fairly quickly. Young children may remain on their beds surrounded by a favourite toy or books to keep them occupied before they fall asleep.

7. **Resist children’s efforts to involve you by ignoring calls for drinks or assistance with forgotten homework at bedtime.** Once in bed ignore their calling out for ‘one more story’, a drink or toilet-stop and demonstrate that you are unwilling to play their ‘keep you busy with them’ games.

8. **Avoid sitting with young children until they fall asleep.** This may be all right once in a while or for emergencies but habits are easily formed and often difficult to break. Many parents who sit with young children until they drop off discover that they have made a rod for their own backs.

9. **Ignore or return boomerangs to their rooms and give them minimum attention.** Children will generally tire of being jack-in-the-boxes when they get little feed-back for the behaviour. If you have an extremely persistent boomerang then you may have to steel yourself for several nights. Be persistent and give little feed-back to them.

10. **Make sure you wake them at the same time each morning.** If you overcompensate and allow them to sleep later to make up for lost sleep then you are encouraging a late sleep pattern.
Grade 3 Nature Quilt.

In Art the Grade 3 students have been drawing a nature picture for a Quilt. Our Inquiry was Natural Disasters. Disasters are bad news, so we chose nature because it makes people feel happy. We used pieces of fabric and pastel dye sticks. Jake’s mum, Andi sewed the Quilt together for us. She has put in a lot of effort to make our Quilt look so beautiful. We all thank her for her wonderful work.

We made the Quilt for our Trivia night. The money we raise will help our school.

If you buy our Quilt, we hope it will always make you feel happy.

Stavrina, Peter, Isha, Julian and Ms Bolger.

Year 3/4 Anglesea Camp

On Wednesday 1st August, 92 very anxious and excited Year 3/4 students and 10 lucky teachers hopped on two buses bound for the YMCA Recreation Camp in Anglesea. The students spent 3 days participating in team building activities and developing independence in new areas. It was wonderful to see every student persist when faced with new challenges and have the confidence to ‘give it a go’.

Every day was jam packed full of fun, laughter and adventure. A favourite for all was the traditional good ‘ol sing-a-long as Mr McCarthy entertained us with his music skills!

Thank you to all of the teachers and parents who supported the students on this

Camp was a great opportunity to have independence and be free with a whole lot of fun games. It was a great learning curve for me! – Liv 4A

Camp was a great opportunity to improve our getting along skills. My favourite activity was The Giant Swing. It was scary at first but once I had done it I wanted to do it over and over again! - Tilly 3A

The 3/4 Anglesea Camp had so many fun activities. There were opportunities for students to overcome their fears and I just loved it so very much! – Naomi 4B

At camp this year I had lots of fun Canoeing and going on the Giant Swing. I think camp is a great opportunity to learn new things. I had a brilliant time in my cabin with my friends and watching the kangaroos out the window. I can’t wait until camp next year! - Eliza. G 4A

We had a 15min walk to go Canoeing and to the Park Search. After Park Search I stepped in really deep sinking mud and my new shoes were soaked. I had a great experience camping! – Henry 4B

Gaga was great to play. We enjoyed it lots. The Giant Swing looked a bit freaky but I gave it a go and had super fun. The team building at camp was great and we did lots of discovering about ourselves and each other. - Jenna 3B

School camp is a very cool experience. My favourite activity was the Canoeing because I got to splash water at Miss Lipson! Overall, Year Prep, 1 and 2……be prepared! – Ollie 4B
Grade 1 & 2 Cultural Expo

On Monday the 30th of July, the Grade 1 and 2 students attended a cultural expo as a part of their Inquiry topic, ‘Different People One World.’ Very generous parents from across the grade levels came along to our building to share their different cultural experiences with the children. We were overwhelmed with the response we received from many parents. The children loved hearing stories from different cultures, seeing traditional clothes, eating traditional food and viewing photographs and pictures.

Some of the things we learnt about each culture were:

‘My favourite culture was Greece. I liked learning about their food and how they say hello.’ Nishita

‘I learnt that in Korea they cook food in a wok and that women wear colourful dresses.’ Jack M & Carmen

‘I liked learning about different cultures and tasting their food.’ Srujani

‘I learnt more about Fiji from Charlie’s dad. They drink kava and they dance with fire.’ Krista

‘I learnt in Japan they mostly eat the same stuff that we do and when they walk into a house they take off their shoes.’ Max K

‘I learnt that in different countries you have to say thank you in different ways.’ Rudi

‘I learnt that in China the Chinese dragons are used to scare away the evil spirits and the fire crackers also do this.’ Arhan

‘I learnt that in Egypt you can go inside the pyramids and look around.’ Penny

‘I learnt more about Italy and the Italian doughnuts were delicious.’ Tex

‘I learnt that it takes up to fifteen years in Egypt to build a pyramid.’ Kobi

‘I learnt that Jewish people have red wine on Friday nights and you say Shabbat Shalom.’ Olivia G

‘I learnt that in Venezuela they like to play with wooden toys.’ Annelie

‘I learnt that in Sweden they have delicious gingerbread and they put real ginger in it.’ Zoe M

The Grade 1 and 2 teachers and students would like to say a BIG thank you to all the parents who came along and gave up their time to teach the students about their culture. This expo was a very rewarding experience for the students and we could not have done it without you all!

Wellbeing

We live in a digital world with so many new opportunities to embrace. It is important for us to all stay safe online and we are learning these skills every day in our classrooms and in our amazing ICT lessons. Learning to communicate in a safe and responsible way has been a focus for our community at Carnegie. We thought it might be fun to have a play with some of the text talk that our students are using online these days. See if you can figure out these acronyms/phrases before your family!

Remember, when you communicate through technology, it’s easy to forget that the person you’re talking to is a real person with real feelings. If you wouldn’t say it face to face, or yell it out at our school assembly, don’t say it online.

You can’t always tell if someone’s joking when you can’t see or hear them - even with emoticons - so be careful when you’re chatting, to make sure that what you say won’t be taken the wrong way.

Portfolio Sharing Afternoon

Last term was our first Portfolio Sharing Afternoon for 2012. Students were able to invite family and friends to share and reflect on their learning journey. Walking through the school, we were so proud to see so many students showing great confidence in presenting their portfolios. After talking to the students and listening to their feedback, it is obvious that they felt a great sense of pride and empowerment as they lead conversations with their parents and families. Thank you to all families and friends that came to share our afternoon. We know it meant a great deal to our students and community.

Science and Sustainability News

National Science Week
It is National Science Week this week and time for us all to reflect on and celebrate the important role that science plays in our lives.

This year's theme is “Energy Evolution”. Last week Grades 5 and 6 participated in an energy excursion from CERES, investigating different types of energy and its use.

As Science and Sustainability Co-ordinator, I was delighted to receive a visit from students in Grade 6 who were keen to share some wonderful reflections they have made and written following their incursion. I was very impressed to see their passion and thoughtful insights about renewable energy. We will be making a display of these in the 1/2 Learning Centre for you to come and look at. Here are examples of some of their work.

These pro-active students also received the Sustainability Trophy this week for helping to educate others on energy issues.

Reducing Waste
This term our Sustainability focus is on reducing waste at school and at home. You can help us to achieve our goal by supporting Nude Food Day on Tuesdays and Thursdays. Here are some interesting facts:

Recycling VS Rubbish

- 60% of rubbish that ends up in the bin could actually be recycled.
- About 400 kilograms of waste is produced by each Australian household every year.
- Glass can be recycled millions of times.
- Plant waste like potato, banana peel and grass cuttings can all be used for compost which is an excellent fertilizer for plants.

TRIVIA AND AUCTION NIGHT—THIS SATURDAY!!!

Thank-you to everyone who has kindly donated to our Auction Night. If you haven’t already purchased tickets to what is sure to be a great night out, do so today! We have a huge array of auction items to please everyone. We have Prep artwork, accommodation, concert tickets (Rick Astley, Simple Minds, Devo, just to name a few!), opera tickets, lunch vouchers, massages, home wares, sporting memorabilia including a cap signed by Usain Bolt!

Our major item for the night is an all-inclusive Cocktail Party once again kindly donated by Mark & Karen Thompson to the value of $2,000. There is bound to be some hot bidding happening on Saturday night! The catalogue of all auction items will be handed to children this week for you to peruse before Saturday. Be there or be square!!

WINE DONATIONS

Don’t forget to bring in a bottle of wine to add to our mega wine cellar, which we will be auctioning off on the night.

SUSHI DAY

Due to the success of Sushi Day last term, we will be having another day on Friday 31st August. More details will follow.

COLES AND WOOLWORTHS PROMOTIONS

I’d like to thank everyone who has collected the voucher and stickers over the past few months. The promotions have now both finished so please bring in any you have left at home so we can finish counting them all up.

PFA MEETING NEXT TUESDAY

Our next meeting is next Tuesday 21st August in the staff room, 7.30pm. All welcome!!
