PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

STAFFING NEWS

It is with great pleasure that we announce the safe arrival of Ms Liv Draffin’s bouncing baby boy, Austin Hunter Bazely. Liv and partner, Todd, are very proud parents and at 7lb 11oz, Austin is a bundle of joy. Congratulations! Mrs Angela Thompson is taking Long Service Leave from Monday 10th September until the 11th October. Mrs Sam Nicolaides has been employed to cover Mrs Thompson’s program. Mrs Dominique Oosterbaan will be taking Long Service Leave for the last week of term from Monday 17th September until Friday, 21st September. Mrs Cate Allen will be taking Mrs Oosterbaan’s class. Both replacement teachers are well known to our students and staff. We wish both ladies a very happy break with their families. They will return well rested in term four.

SWIMMING PROGRAM

Our two week intensive swimming program has been a significant but very successful undertaking and well worth the huge organisation and re-arranging that goes into such an event. Moving to the new venue at GESAC has been a further challenge as there was lots to learn about the placement of children into groups and lots of getting used to the new protocols and procedures there. The first couple of days were a little frantic, complicated somewhat by two unexpected full scale evacuations. Thank you to those parents and students who were patient and trusting in us and the pool staff to place children in a timely manner and allow them to find their correct level to benefit most from the experience.

The main aims of the swimming program are firstly to ensure all our students are water safe. Secondly, that even the most able swimmers will derive some benefit in terms of progressing their swimming ability and love of the water. Thirdly, we aim for a great social benefit in learning and playing with our friends and also becoming confident to look after
ourselves and our belongings in the change rooms. On reflection, the program has met those aims very well. We thank Mr Champignon who has spent a huge part of the two weeks at the pool, liaising between all groups and ensuring smooth sessions for all students. He will now work further with GESAC staff to reflect on what the most successful aspects of the program were and what could be done better or differently. Constructive suggestions from parents, students and staff are welcome. We, Linda and Michael, also attended many of the sessions, especially for the younger ones and have been delighted to see the progress in all the areas mentioned earlier. During the second week in particular, the whole program was very calm, organised and obviously fun and beneficial. We should all be proud of the children for their wonderful, respectful behaviour with their various instructors, for their resilience in tackling some hard challenges and for their ability to enjoy such an experience and to have fun. I know most of them were sleeping very soundly by the end of week two.

We also know there have been some queries along the way. Firstly, we have endeavoured over a number of years to have our program at a warmer time of year. First term is too early for preps, so we have regularly requested early term 4 without success. Obviously, this is the time most schools want, so the prospects of a change remain a little remote. We also wished to allay some concerns about the evacuation procedures on the first day as it did leave children outside and a little uncomfortable without their towels. We were present for one of these events and believe it was carried out entirely appropriately. It was a genuine fire alarm so an immediate evacuation without going back for belongings was the safe and proper course of action. The pool staff did a great job keeping each group together, calm and active.

We feel it has been a really good thing to choose our local provider for the swimming program. The teachers feel that almost halving the time out of school compared to previous years is a huge plus. We see no reason not to book in again for next year. A 90% – 95% take up of the program this year was the best for many years. We trust you will continue to support it going forward.

VIP/GRANDPARENTS’ DAY
Yesterday, 27th August we invited all those special people in our lives to come and share a story with us to mark the occasion of Numeracy & Literacy week. It was also an opportunity to share some of the wonderful work we have been doing at school. As usual, we had an excellent response to this invitation. Thank you to all who attended and made our students feel so special. Our children are always very excited to have family and friends visit. Thank you to Leesa Needham and Carrie Zuk who served tea and coffee in the Hall and also to Kerin von Stiegler for her support of them. Thanks to Mrs Thompson for her organisation.

OUR TREMENDOUS TRIVIA NIGHT
A HUGE CONGRATULATIONS to Leesa Needham and our Parents and Friends Committee and all the tremendous helpers who organised last Saturday night’s Trivia night at McKinnon Secondary. Many parents put much hard work into ensuring a memorable evening. These parents must feel very satisfied with the great results. This evening was a fine example of teamwork. WELL DONE TO ALL! ☺. Thanks to everyone who supported the evening by attending. We hope you went home with smiles after seeing many creative costumes, some useful trivia to share or some treasures from the auctions. The funds raised will be diligently spent on improvements to our school facilities in the months ahead.

SPECIAL RECOGNITION OF OUR EDUCATION SUPPORT OFFICERS
This week we will recognise the special and very supportive work that our Education Support Officers do. At CPS our ES Officers are our office staff, our teacher/integration aides – Mr Bruce Hopcroft, Mrs Pip Sciffer, Mrs Annie Easthope, Mrs Sue Dawe, Mrs Marg Roberts, Mrs Selina O’Sullivan, Mrs Sabrina Scrivener, Mrs Ebony Birch Hanger and Mrs Miriam Feeney. On behalf of the whole school community, I would like to sincerely thank them for their commitment and dedication to the students, staff and parents of Carnegie Primary School.

WORKING BEE
Special thanks to the group of dedicated parents who attended Saturday’s working bee. Those parents who attended worked extremely hard in a short period of time to improve the appearance of our grounds.
Some children are more likely to thrive when they are challenged – so you can ‘push’ them more. Others will need more sensitivity. Do I follow my or their wishes? It depends. The difficult part about parenting is that different circumstances warrant different handling. Read the context. If a situation involves the child making a few mistakes to learn a skill (as they did when they learnt to walk!) then perhaps we can let them approach it their way. A Japanese proverb tells us to, ‘Fall down seven get up eight’. On the other hand, a more complex decision will need more guidance and direction from the parents.

How much pressure is too much? When it’s a constant battle and it’s no longer fun. When no inner burning desire can be drawn from the child. Once more: read your child.

When should we listen to our kids? Always have an open mind. I am often surprised by the maturity in my children when I stop to listen. If they seem misdirected, by all means use respectful influencing skills to guide them. Always model collaborative engagement over a bulldozing approach!

What are the signs of pushing too much? Simple, stressed-out children and/or stressed-out parents! There are lots of questions to consider.

1. Set clear intentions and boundaries.
2. Come from a willingness to help – support and challenge them to be outstanding in their own right.
3. Use sensory acuity – be observant and present. Read the child and the context.
4. Communicate with care – know when to ask questions or give suggestions.
5. Inspire an inner motivation – light the fire in your kids so they are committed to what they do from within.

Helping out at a Soup Kitchen
10/08/12

As part of the grade six Inquiry unit, we wanted to learn why people would give up their time to help those in need. We were able to control our own learning and the direction that we wanted to go. We had hoped to volunteer at a soup kitchen, where we could help out and ask some questions, to further understand why people would volunteer their time there. When we were told by our classmate Annabelle that she volunteered at a place like this, so close to home and school, we thought we had hit on an educational goldmine.

We left straight after school on a wet, cold and windy Thursday afternoon with Annabelle and our teacher, Miss McGregor, to Tony's Café, which is set up every Thursday at St Anthony's Parish Hall, Glenhuntly. We helped by packing food hampers, filling water jugs, mashing potatoes, serving meals, clearing the tables and generally being friendly to everyone that came for a meal.

The people we served were people that were going through hard times, some homeless, many of them poor. People from all walks of life come to the cafe, from families with very small children to 89 year olds, they are all sad, lonely and struggling to put food on the table. We served very warm hearty meals including pea and ham soup, shepherd's pie and apricot pie with ice cream. Alex admitted to getting peckish looking at all the delicious food!

The volunteers were very friendly and they welcomed us with open arms. They are always happy for new people to come along, whether as volunteers or people looking for a friendly place to eat a warm meal. From talking with one of the volunteers who coordinates the program, Mrs Gwen Fitzgerald, we learnt a very important message: "We all have good times in our life and we all have hard times and if we help each other through the hard times, the good times will be much better and much easier". Wise words from a wise woman!

We hope to head back to Tony's Café to help out again now that we have learnt just how important it is to make a difference in the lives of those who are going through a difficult time within our local community.

Harrison and Alex (6B)
TRIVIA AND AUCTION NIGHT WRAP UP

Thank-you to everyone who came along to our recent Trivia and Auction Night. The 80’s theme was fully embraced with nearly everyone dressing up in one way or another. We had John McEnroe, Vivian from the Young Ones, Robert Palmer and his back up singers from the “Addicted to Love” film clip (great work Mr. Hopcroft!) just to name a few. There was also a lot of taffeta, and a LOT of fluoro! Everyone had a fantastic night and we raised approximately $16,000, which was a fantastic effort.

A special thanks to all our those who helped set up the hall and who helped on the night; Lisa Anastopoulos, Karen Phillips, Clare Murphy, Annie Besnard, Kerin von Stiegler, Simone Marshall, Tara Caraffa, Karen Wynter, Wendy McMillan, Anna Webb, Penny Callaghan, Anna Cahill & Tanya Jorgenson.

I would also like to thank all our very generous donors who made the night possible. The businesses are listed here in the newsletter and I urge you to support them if you can in return for their kind support of our school.

FATHER’S DAY STALL

The Father’s Day Stall will be held this Wednesday 29th August from
• 9.30-11am in the portable near the hall. Gifts will range from $1 to $5.

SUSHI DAY

Sushi Day is this Friday 31st August, except for the Preps who are having theirs on Wednesday due to an excursion on Friday. Orders are due in today!

NEXT MEETING

The next PFA Meeting will be Tuesday 18th September at 7.30pm in the Staff Room. All welcome!

Thank-you!

Thank-you!

MILO ‘IN 2 CRICKET’ PROGRAM AND ‘T20 BLAST’
In conjunction with Cricket Victoria we also run a Milo In2Cricket program that provides an introduction to cricket for boys and girls aged 5 to 9. The program commences in November and runs for 12 sessions with an emphasis on skill development, participation, team play and enjoyment. In addition to this we will also participate in a transition competition, T20 Blast, for players too old for Milo and too young for Junior Cricket.

All players are most welcome and enquiries can be directed to our Junior Co-ordinator Alistair Gordon on 0438 821 025 or gordapsa@bigpond.com or visit www.ormondcc.vic.cricket.com.au
The Carnegie South “Redbacks” Cricket Club

Welcomes you to an exciting new season of cricket

There is no better time to get involved in the great game of cricket and there is no better club than your local club, the mighty CARNEGIE SOUTH REDBACKS! Season 2012/13 looks bigger and better than ever, with newly appointed head junior coach Roger Young. Roger has vast experience working with cricketers of all ages, including working with the Australian national side.

The Redbacks cater for all cricketers, young and old, with the following teams:

- Under 18's (ages 16-17)
- Under 16's (ages 14-15)
- Under 14's (ages 12-13)
- Under 12's (ages 8-11)
- T20 Blast Boys (ages 7-9)
- T20 Blast Girls (ages 8-14)
- Milo Program (ages 5-10)

Make sure you don’t miss out on all the fun this season by getting down to our ‘Registration Day’ on Saturday 8th September from 10am-1pm at the Carnegie South Cricket Club, cnr Munro Ave & Madden Ave Carnegie (mel ref 68 G6)
