PRINCIPAL’S REPORT

GROWING WITH THE COMMUNITY

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

WELCOME BACK TO EVERYONE

What a lovely, smooth and happy start to the school year we have had! This year, we again welcome many new families to Carnegie across a range of year levels. As well as our new prep, we also welcome new children and families to other year levels at our school. I am sure the whole community joins me in welcoming you all to our school and I trust that your time with us is positive and enjoyable. I am certain that you will all quickly become part of our wonderful community.

Each year when we return, I am always delighted to see such happy and enthusiastic faces. Students seem to be well rested and keen to return to school after quite a long holiday break. They are all happily engaged in activities in their classroom and learning teams and are enjoying getting to know one another in their new classes. A focus in all classrooms over the first few weeks of school is the creation of a year level vision and the establishment of a positive, engaging learning environment where each child feels valued.

Staff have been busy over recent weeks preparing for a smooth start to 2012 and I would like to thank you, the parents, for your efforts in preparing your children so well for the start of the school year. We are very fortunate to have such an outstanding staff at Carnegie Primary School who work tirelessly to provide the very best for each child, ensuring they are supported and their individual needs are considered. Throughout the year, I hope we will share many opportunities of watching our students shine in many ways.

We welcome six new staff to Carnegie Primary School this year. Emi Nakajima, Kim Taing and Marg Jeffery have joined our 1/2 team this year. Amy Travers will be teaching Year 3, Nikki Sommerfeld has Year 4 and Sue McGregor is teaching Year 6.
We are again counting ourselves very lucky to have enticed such capable people onto our staff. We also welcome back from leave, Tess Yoshida, our Italian LOTE teacher.

In the coming weeks, parents will have a chance to meet staff informally before and after school and also more formally by attending the upcoming Parent Information Evenings and the ‘You Can Tell Us’ afternoon. The dates are listed in the diary section and parents should have also received notices home with their children. We encourage an open door policy at CPS and an invitation is extended to all parents to visit the school or ring, should they wish to discuss any issues, talk through a problem or just have a chat about their child at any time throughout the year.

We are again looking forward to a wonderful year ahead at Carnegie Primary School.

OUR SCHOOL’S GOAL & PRIORITIES
As part of rigorous DEECD Accountability, our school, in its Strategic Plan, has set purposeful goals and priorities in the areas of Student Learning, Engagement & Wellbeing and Transitions & Pathways. The specific goals and priorities that we’ve agreed upon are:-

STUDENT LEARNING
• To further develop differentiated curriculum and effective teaching practice based on challenging and appropriate learning outcomes for all students
• To develop a whole school approach to the teaching of mathematics and improve teaching practices through ongoing and supportive professional development
• To develop common pedagogical understandings using the E5 Instructional Model which underpins Inquiry Learning

ENGAGEMENT & WELLBEING
• To create and implement a comprehensive whole school approach to student wellbeing, strengthening the school/child/family/community education partnership
• To adopt innovative use of ICT to enhance student learning

TRANSITIONS & PATHWAYS
• To enhance intra and inter school transfers and transition practices in partnership with parents and other school providers, Kinder to Year 8

CPS STAFF SOCIAL NOTES (Very Busy)
Amanda Dowsett and her partner Kylie welcomed the safe arrival of Jiah Dowsett early in the new year. We eagerly await a visit from Amanda and Jiah a little later in the term.

The holiday break was also a very romantic time for some of our staff with Marcus Champion and Abbey Pomeroy announcing their engagement on Boxing Day and Olivia Draffin and her lovely partner Todd announcing their engagement just before school resumed. The momentum has continued and we have just learned that Kate Lawerson, who is on leave travelling overseas, has become engaged to her partner, Luke. I know you will join me in wishing them all every happiness now and in the future.

SPECIAL ACKNOWLEDGEMENTS TO OUR PARENTS
In the last few days of 2011 myself and staff were touched by the thoughtfulness of families. As a staff we received a number of cards with kind words acknowledging the efforts of our school; we also received some culinary delights to share over the last few days and at our last day luncheon and Kris Kringle festivities. There are certainly some fine cooks within our community. This week we have once again seen wonderful volunteers. On Monday a number of our PFA mum’s welcomed the new prep parents after they said farewell to their children.

SCHOOL IMPROVEMENTS
Over the holidays, works continued to ensure ongoing enhancement of our facilities. I hope you’ve had an opportunity to see the works completed which include the replacement of a retaining wall around the garden bed in the junior play area. The planting of trees and shrubs complemented this improvement. New aluminium seating has been installed near the hall with special thanks to the Harris family for their donation of a number of rocks, enabling the creation of a smaller garden bed to further beautify this area.

Most importantly, two wonderful shade sails have been erected near our new Learning Centre. One is outside the PE store area with a larger, waterproof one outside the main entrance. PFA fundraising efforts enabled us to purchase the sails and seating. Thank you to everyone who supported fundraising efforts throughout 2011.

OUR SCHOOL’S GOAL & PRIORITIES
As part of rigorous DEECD Accountability, our school, in its Strategic Plan, has set purposeful goals and priorities in the areas of Student Learning, Engagement & Wellbeing and Transitions & Pathways. The specific goals and priorities that we’ve agreed upon are:-

STUDENT LEARNING

TRANSITIONS & PATHWAYS
• To enhance intra and inter school transfers and transition practices in partnership with parents and other school providers, Kinder to Year 8
CHANGE OF ADDRESS, PHONE NUMBER, MEDICAL CIRCUMSTANCES OR FAMILY SITUATION
Parents are requested to advise the school if a child’s family situation, medical circumstances, address or phone contact changes during the school year. It is important that all information is kept up-to-date in case the school needs to contact parents/guardians. Forms to update our asthma and allergic or anaphylactic reactions should have been received by parents if such medical conditions are recorded on our system. It is imperative such records remain up to date at all times to ensure we can adequately care for your child should there be a need.

RESPECTING OUR SCHOOL RULES
Even this early in the new school year there has once again been a small number of students regularly not in school uniform. We appreciate that there may be exceptional circumstances for some students on a specific day, but it is expected that students wear our navy blue and gold uniform. Black leggings are not an acceptable part of our school uniform. Your support with these school rules is greatly appreciated.

It’s terrific to see so many children choosing to ride bikes and scooters to school, but we remind everyone that bikes and scooter aren’t to be ridden in our grounds, before and after school drop off period. This expectation extends to parents and toddlers.

School commences each day at 9am. Arriving between 8.45 and 8.55 ensures a smooth start to the day for all. Setting the right example to children by their families is a great lesson for life.

SCHOOL COUNCIL
I would like to convey the community’s gratitude to Linda Baker, Flora Barbas, Selina O’Sullivan, Ben Conyers and Susan Harper who have finished serving their current term on School Council. A one year vacancy has also been created with Kristen Kearns and her family leaving our school at the end of 2011.

We farewelled Linda Baker and Flora Barbas at the end of 2011 as their children finished Year 6 but the other retiring councillors, along with all parents, are invited to put themselves forward for the 2012 School Council. Council is responsible for ensuring the smooth running of our school, overseeing school policies, finances and other aspects of school administration. It is made up of parents and teachers meeting once a month in the evenings. For information please call at the office to see Mr McCarthy or myself.

SCHOOL CONTRIBUTIONS
Thank you to all those families who have already settled their 2012 School Contributions. It would be appreciated if all payments could be made by next Friday, 17th February. If payments are causing any concern please contact our office to make alternative arrangements. If you are unclear about any of these payments or require a new payment slip then please call into the office for further details.

PARENT INFORMATION NIGHTS
Notices have been sent home to parents in regard to Information Nights for all year levels. We will be holding four sessions to give parents an opportunity to attend multiple meetings. The feedback from the parents who have attended previously has been extremely positive. Your attendance will provide you with valuable information about your child’s schooling.

- Tuesday 14th February – Prep Information Night 6.30 till 7.15
- Tuesday 14th February – 1/2 Night 7.30 till 8.15
- Thursday 16th February – 3/4 Information Night 6.30 till 7.15
- Thursday 16th February – 5/6 Information Night 7.30 till 8.15
- Thursday 23rd February – ‘You Tell Us’ sessions

FRIDAY ASSEMBLY
Our fortnightly Friday assembly will commence next week. Our assembly time is 9am in the hall. All parents are invited to attend.

encouragement from you will help set a positive tone for a day of learning. This may mean that you adjust your morning routine so that kids have plenty of time get up, eat and get ready for the day.

3. Establish work & study habits. The most successful students are those that develop regular study habits that suit their lifestyle, their study style and their school’s expectations. Find out the work expectations from your child and help them establish a routine that matches.

4. Make sure your child gets enough sleep. Many children and young people are sleep-deprived, which impacts on their well-being and their learning. A good night’s sleep consolidates learning, as well as assist future learning. Primary aged children need between 10-12 hours of sleep each day. Help kids get sufficient sleep by having a regular bed-time and get-up time each day. Have 45 minute wind-down time each night, and remove screens and mobile phones from bedrooms.

5. Encourage kids to exercise. Kids today get less exercise than those of past generations, which is an impediment to learning and mental health. Health professionals recommend a minimum of 60 minutes of exercise per day for kids of all ages. Encourage kids to play sport; promote free and active play and look for ways to make moving part of their daily lives.

6. Focus on being friendly. Schools are very social places requiring kids to negotiate many different social situations each day. Encourage kids to be open and tolerant; to be friendly; to be involved in plenty of activities and to be social risk-takers.

7. Develop self-help skills. Successful students are often well-organised, self-directed and self-motivated. You can foster organisational skills and self-direction by developing simple, age-appropriate self-help skills related to their everyday lives. Such skills as making lunches, packing school bags and organising after school schedules can be great lessons that impact on how kids perform at school.

8. At the start of the school year, kids are more likely to adopt changes than at any other time. Make the most of the opportunity by focusing on two or three areas to really focus on and you’ll find that the rest will fall into place.

GUITAR LESSONS 2012
We have invited Phillip He of Music World Enterprises, a local music business, to oversee our guitar program for 2012 for students in grades 1 to 6. Their teachers are presently providing instrumental tuition in a number of other local schools. Most of our young guitarists, who have been learning with David Boddington in recent years, have already indicated their intention to continue with our new teachers. Today we have a page in the newsletter inviting students interested in taking up any of our instruments to contact the appropriate teachers or organisations ASAP. We look forward to our guitar program continuing as strongly as ever.

The costs for individual guitar lessons are $34 per half hour. The cost for group lessons with a minimum of 3 students starts at $15. If you wish to begin learning guitar, please contact Music World at musicworld@y7mail.com or call 9572 3391 and register your interest in enrolling in the program. We hope the program may be able to start as soon as next week.

WORDS OF WISDOM –
Plant good thoughts, ideas, words and actions now. Enjoy good rewards later.

Notices were sent home to all year 1 to 6 students last week in relation to joining Chess Club this term. A number of responses have already been received. If you are interested in participating please remember to return your notice
Education Maintenance Allowance 2012

The Education Maintenance Allowance (EMA) is provided to assist eligible families with the costs associated with the education of their children.

To be eligible for receipt of the EMA you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004 or be a Veterans Affairs (TPI) pensioner or be a foster parent.

Consequently parents/guardians are able to access the EMA if they have a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at the first day of Term 1 (1 February 2012 which is the first day for teaching staff) and Term 3 (16 July 2012).

The EMA application must be submitted to the school by 29 February 2012 for the first instalment and 3 August 2012 for the second instalment.

The EMA provides an annual amount of $235 for primary students and is paid in two instalments. This amount is split evenly between the parents/guardians and the school.

• Welcome to a new year. Hope you all had a nice break and are refreshed for a new term. I would like to welcome all the new families to the program, especially our new preps who have settled in so nicely. Please don’t hesitate to approach us for any enquiries or concerns you may have.

• I would also like to remind parents that they don’t need to fill out a new enrolment form for the year (only need to fill one out if you are new to the program or if your details have changed). Parents only need to fill out a new booking form which is available at the service so we know when your child will be attending.

• It is also imperative that you inform staff if your child has any medical conditions that we need to be aware of and that the appropriate medication is provided to the service.

• Also being Term 1 children need to have a hat when going outside. The service has sunscreen to provide to the children but for any reason you can provide your own.

• Please also bear in mind that being a new year each family will have to pay a registration fee of $30. You only pay this once a year per family.

• Casuals also have to book their children into the service. You can do this by either phoning or texting me on 0402 043 810.

OSHC TEAM
Hi. My name is Menie and I have been tutoring children from various backgrounds for over 20 years.

Let me help your child maximise their learning potential as they approach their Naplan and other tests.

I have obtained the mandatory ‘Working with Children Check’ and have also undertaken a Police Record Check.

Are your child's motor skills up to scratch?
We are conducting a research study examining why some children have difficulty developing motor skills at an age-appropriate level.

We are looking for children aged 8-12, who may not be developing motor skills as quickly as other children their age, to participate in our research study.

What does participation involve?
Parents/guardians will be asked to complete some questionnaires about their child's motor development and developmental history.

Children will complete a motor skill assessment and some tasks where they are required to imagine movements.

Eligible children will undergo a MRI (magnetic resonance image) scan whilst imagining movements, to allow us to look at brain activity during these tasks.

After the assessment, we will provide you with a written report outlining your child's performance on the motor skill assessment compared to other children their age.

If you would like more information about the study or would like to participate, please contact Dr Jacqueline Williams on 9919 4025 or email jacqueline.williams@vu.edu.au.
