Please note the following dates in your diary

TERM 1

Wednesday 29th February
- Grades 1 & 2 Parent Helper Training
  7pm to 8.30pm—BER Building
- District Swimming Carnival—selected year 3-6 students

Friday 2nd March
Assembly 9am—School Hall

Tuesday 6th March
Prep Pizza Night—5.30pm

Monday 12th March
Labour Day—no school

Tuesday 13th March
PFA Meeting & AGM 7.30pm staff room

Wednesday 14th March
School Council AGM 7pm staff room

Thursday 15th March
Lyn Watts Evening—7pm School Hall

Friday 16th March
Assembly 9am—School Hall

Saturday 24th March
School Fete

PRINCIPAL’S REPORT
GROWING WITH THE COMMUNITY

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

PARENT INFORMATION EVENINGS
It was wonderful to see so many parents able to attend our Parent Information Evenings. And ‘You Tell Us’ sessions. Valuable information was shared with all families and this home school partnership ensures the very best outcomes for your child. All parents should have now received a 2012 information booklet from their child’s teacher outlining specific details pertaining to your child’s class. If for some reason you haven’t received this information, please make contact with your child’s teacher.

AN EVENING WITH LYN WATTS
We look forward to a large turnout of interested parents for our night with Lyn Watts, entitled ‘Preparing Your Child for Success.’ Lyn will talk about the journey for schools in general and particularly for Carnegie Primary in trying to meet the changing needs of 21st century learners in a new challenging world. Lyn has helped our teachers on this journey in recent times and would welcome feedback and questions about our present and future directions and about how parents can best support their children’s education. Please fill in the reply slip on the flyer that went home last week if you are able to attend this evening.

MY SCHOOL WEBSITE
The 2012 My School website has recently been made available to the community. The My School website has two main purposes. Firstly, it provides parents and students with information on each school – its view of itself and its mission, its staffing, its resources and its students’ characteristics and their performances.

Secondly, it provides schools and their communities with comparisons of their students’ performances in literacy and numeracy with those of students in other schools, most importantly those in schools that serve...
similar students. Teaching staff have used the NAPLAN results as one of a number of indicators of student outcomes and as a source of feedback about our teaching practice. They have assisted us in setting our goals in our strategic plan for the year ahead and have highlighted areas for improvement. The general academic performance of Carnegie Primary School students, as measured on the My School website, is cause for particular celebration. We invite you to explore the data presented on the website at http://www.myschool.edu.au/.

**PARTNERSHIPS ARE ESSENTIAL**

Research sends out a very clear message about the importance of partnerships in education. When parents express confidence in the school and teachers, and are involved in some way, their children are more likely to be happier and perform better academically.

At Carnegie Primary School we actively seek partnerships with our parents. At the end of 2011 parents were given the opportunity to reflect on the year and give thought to priorities for the future. We thank those families who took the opportunity to provide this feedback to us. Your thoughts and opinions are much appreciated. Listed below are some of the responses we received:-

**What elements of our school have you been most pleased with?**

- Transition into new BER Learning Centre
- Continued close relationship with class teachers ie approachability
- Small class sizes
- Inquiry units and excursions/activities relevant to their study
- We are impressed with the standard of teaching and the love and care
- Liked the way special events have been well spaced/spread out
- I found the new way of teaching (literacy groups) was/is wonderful
- Friday assemblies, especially the performances
- Focus on welcoming new parents and kids – pizza night / trivia night
- New spelling program
- Portfolio sharing afternoons
- Teachers are engaged – not going through the motions. Always put in a super effort
- School well mannered
- The sense of community and fabulous teachers supporting the children. We have been very happy with our first year of school
- Organisation is amazing – swimming and the concert beautifully done
- Community spirit is so generous and we at the kinder are so grateful

**What would you like to see as priorities for 2012?**

- LOTE reintroduced but would love to see an Asian language as opposed to Italian
- Keep up Inquiry learning, supporting the excellent Arts program & PE
- Emphasis on the music program especially securing a new guitar teacher
- Teacher engagement. Evolving best practice teaching and parent engagement
- Continued individual assessment and targeted teaching. Feedback to parents
- We hope class sizes are good.
- More extension and challenge
- Aware that you are continually updating and moving forward in all aspects of education and the school grounds and we appreciate this
- Happy with the new plans for literacy and numeracy focus on ‘am’ time slots
- That the children are given every opportunity to be able to learn and trust in one another.
- That the open plan teaching spaces don’t interfere with the concentration on learning
- The development of the literacy program. I’m glad there is still an opportunity for book bags so that working parents and those with little ones at home can still be involved in the reading program.
- I think the balance is right at the moment. Numeracy, literacy, social skills (empathy & sharing), arts and physical activity

Your feedback formally and informally is much appreciated. At all times staff, the school leadership team along with School Council are committed to providing the best learning.
WHY NOT TO WORRY – by Michael Grose
Parent Educator

We all worry as parents. It comes with the job. There are three things I’ve noticed about parenting worries.

First, small kids give you small worries and big kids can provide big worries. Hmmm! That maybe a little scary but you’ll be ready to cope when your kids are older. Second, parents always seem to be concerned about one child at a time. You fix one child up and then suddenly another one presents with an issue or concern. Third, the bigger the family the less parents worry about individual kids. Concerns tend to be about the family, or the kids in general, in bigger families.

Don’t sweat the small stuff
Lately, I’m finding parents worrying about stuff (kid’s behaviour, learning, confidence levels) that they shouldn’t really be concerned about. In many cases, maturity will solve these issues. Also, for many kids a problem today will be forgotten tomorrow, yet we adults tend to hang on longer to those same problems long after the child has given up caring. I can’t advise you about what you should worry about as a parent. That’s your prerogative. But I think there are times when it’s not worth worrying too much. It’s not worth worrying when:-

1. A child’s misbehaviour fits into the normal behavioural range.
   A mum was worried that her four year old may have some problems as he was checking out the genitalia of a mate. Nope – that’s pretty natural curiosity for that age group. Working out what’s normal is a challenge for inexperienced parents.

2. A child is moving from one stage to the next.
   Kids get ‘kinder mouth’; boys can give mum a hard-time at five and again in early adolescence; some girls develop an ‘attitude’ at seven, and again at thirteen; boys vocabularies shrink to three words in early teens; and fourteen-year-old girls will often have little time for their dads. These behaviours are indicative of different stages of development. Annoying yes, but not always worrying!

3. A child is displaying an independent streak.
   Sometimes kids put their foot down and say: “NO! I’m not trying at that sport or activity anymore because I don’t enjoy it”. They are no longer willing to

FIRST AID PROCEDURES AT SCHOOL
Children who are sick during the day are sent to the First Aid room. If children need to go home parents or careers are informed and children are collected from school.

If children are very sick or more seriously injured and parents or their emergency contact person cannot be contacted by phone, we are obliged to ring an ambulance to take the child to the doctor or hospital. DEECD does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the costs of medical treatment for injured students including medical transport. Teachers cannot take children to the doctor or hospital in private cars. The cost of the ambulance will be the responsibility of the parents.

This can be very expensive unless parents have ambulance subscription. It is very important parents consider taking out ambulance cover. Health Care Card holders receive free ambulance service (children’s names must be on the Health Care Card).

NEW AIR CONDITIONERS
We have installed new air conditioners into each of the six home rooms in the new grade 1 & 2 learning centre. It has been a little too humid in recent weeks for teachers and students to be at their best without a little cool relief so it has become necessary to make this decision. Thank you so much to the PFA for their huge contribution to this initiative.

TRAFFIC SAFETY
Last week I met with the City of Glen Eira Manager of Parking and Prosecutions. Time was spent discussing the parking conditions around our school and what, if any, changes may be considered to ensure the safety of our students while allowing the best traffic flow particularly at pick up and drop off time. I will keep families informed of any changes should they arise. Being courteous and considerate to others and acting as a positive example for our student in relation to the road rules is so important.

WORDS OF WISDOM
People, even more than things, have to be restored, renewed, revived, reclaimed and redeemed. Never throw out anyone.

Linda Jones & Michael McCarthy
unquestioningly do the things that you want them to do because you think those things are good for them. A show of independence is usually a healthy thing, although it can be difficult for parents to swallow.

4. **A child struggles periodically at school, either socially or academically.**
   The ups and downs of growing up mean that kids don’t always learn on an even trajectory. They have good years and bad years at school. They also have good years and bad years socially. That is, they have years where they sit next to their best friends and have a ball. And other years finding and keeping friends can be a little tougher. Helping kids ride the lows and the highs is part of the parenting job. Sometimes we worry at the first sign of a problem. Time and children themselves solve many problems when they get the chance. If in doubt, talk honestly and openly with some trusted parents, preferably with some experience. Also talk with your child’s teachers who generally have had more experience of children of your child’s age group than you do.

We all worry as parents. It’s a worry being a parent. But it doesn’t always have to be!

For more ideas, support and advice for all your parenting challenges please visit website:- www.parentingIdeas.com.

**SCOOTERS, BIKES AND SKATEBOARDS**
Please ensure that all the bikes, scooters and skateboards that come to school have been named. A scooter has gone missing (Friday 24/2) which has blue handlebars and a blue and black checkered deck. Please check at home this has not come home inadvertently.

**BIRTHDAY BOOK CLUB**

The above nominations were received by Friday 24th February. Nominations equalled positions to be filled therefore no ballot is necessary.

Linda Jones – Principal
**Arts News - Term 1**

In the Arts room every class from Prep to Year 6 contributed their thoughts and ideas to the Arts room Mission and Vision Statements. These are some of the ideas from the students:

- The arts helps us to enjoy ourselves.
- When we visit the Arts room we want to feel safe, like home.
- We learn arts so that when we grow up we might want to be a designer, a dancer or a DJ.
- We want to be clever and creative all the time.
- Art makes us feel happy and comforted and excited.
- We want to dance and sing and make better gestures.
- Art helps us to live happily by creating and dancing.
- We learn skills to help us with future projects.
- We learn about things we love and feel passionate about.
- We feel proud of our achievements and artistically special.
- When we are being creative we feel released and free to express ourselves.
- Learning about Art gives us a different view.
- We use our imaginations and stretch our skills.
- We challenge ourselves.
- We are allowed to share our feelings and emotions without limits.
- We inspire each other with our different ideas.

**DONATIONS PLEASE!**

If you have any old items that you are ready to throw out we would love to use them in the Arts Room.

- Magazines
- Towels
- Calendars
- Old shirts to use as Art Smocks
- Ice cream containers and lids
- Milo tin lids

Thank you,

Suzy Bolger.
Sustainability News

Sustainability Club

If you love gardening and exploring your environment come along to Sustainability Club every Friday. We will be replanting and growing veggies, then cooking and eating our produce! We also have mini beast hunts and encourage biodiversity in our school grounds.

Veggie Garden

The veggie garden has been very prolific over the summer months and will be replanted with new crops this week by the Sustainability Club.

Nude Food Tuesday

Help us to reduce rubbish across the school by bringing Nude Food on Tuesdays. This means your food needs to come rubbish free that day. Place sandwiches directly into lunchboxes without wrappers, think of creative ways to bring a rubbish free lunch. Best ideas will be shared, classes will be judged at the end of lunch time to see who has the least rubbish.

Clean Up Australia Day

Students across the school will participate to help clean up our environment on Friday the 2nd March. Grades 3-6 will help to clean up Koornang Park and Preps-2 will be cleaning up our school grounds.

Can You Please Help?

Ms Bolger has lots of lovely worm juice ready for bottling for our fete. If you have any 600ml plastic bottles (such as clear water bottles), can you please drop them off outside the art room? Thanks!
From the Sports Office:

Walking, wheeling, Wednesdays:
Like last year, every Wednesday at Carnegie students are encouraged to leave the car behind and walk, ride or scooter to school. If travelling from far away, cars can be parked a distance from the school to encourage healthy habits.

Swimming:
Congratulations to all students for a fantastic House Swimming Carnival, held 2 weeks ago. The perfect weather helped everyone achieve their best and a big congratulations to Green house for being crowned 2012 House Swimming Champions. The fastest swimmers have already been acknowledged at assembly, but here is our Carnegie swimming squad competing at the District carnival tomorrow. We wish them all the best of luck and look forward to keeping everyone up-to-date with their progress. Full list next page.

Thanks:

A huge thank you to Sam Shanks (Chester in 1A’s dad) for donating 3 boxes full of brand new soccer, rugby and afl balls to the school. Thanks also to the several other families who regularly donate sporting equipment to the school. We appreciate it and if you have unwanted, but good quality, sports equipment it will definitely be put to good use here at Carnegie.

Team Vic State Sport Team Selection
If you think your child is a superstar at cricket, hockey, rugby, softball or swimming you may like to nominate them to take place in a trial for the Victorian State Team. To be considered your child must already be playing their chosen sport at a very high level. Qualifying standards/ranking criteria may apply. Entry is open to students who turn 10, 11 or 12 before the 31st of December 2012. For swimming your child must have official recorded times which surpass the qualifying times set in the registration process. Times recorded at school do not count as official.

The nomination process for AFL football, soccer, netball and basketball remains the same as previous years. If the school believes your child may have state level talent they will receive a nomination form from the school and information on the District Trial.

If your child is in Grade 5/6 and plays section 6 or better in Tennis please see me before Friday, 2nd March to discuss the possibility of competing in a District Trial.

For more information on any of the above please see either myself or the School Sport Victoria website: https://www.ssv.vic.edu.au/TeamVic/Pages/default.aspx

Our school Fete is shaping up to be a Fantastic Day and is only a few short weeks away!

**LETTERBOX DROP**
We need people to volunteer for letter box distribution in the coming weeks. If you can do a few streets around Carnegie/Glenhuntly, please let Annie or Leesa know.

We are also asking families to please donate to at least one of the stalls below. For any more info please speak to Annie or Leesa.

**CRAFT MAKING MORNING**
It’s that time of year again for all you crafty mums and Dads to come together for the Carnegie Primary Fete craft stall. After a successful session this morning, another craft morning will be held on **Friday 9th March from 9.30am till about 12.00pm in the conference room in the Prep building**. You don’t have to be able to sew or knit, just have some spare time to come to our last craft morning. Once again, everything will be supplied. For those of you that can’t join us, we are accepting donations of home-made items.

**JAMS AND PRESERVES**
We need lots of helpers to make some more jams and preserves to sell at the Fete! If you are able to contribute to this stall, there are empty jars you can use in the staff room along with some recipes. Please note down on the list how many jars you take home.

**WINE, BOOKS & LUCKY JAR DONATIONS**
We are calling on donations of large clean jars and things to fill them, such as wrapped lollies, small toys, hair ties etc. Don’t forget to bring in all your 2nd hand books and any wine donations for our wine lucky dip stall too. Donations can be left in the corridor between the office and staff room.

**BBQ THANK-YOU!**
Thank-you to everyone who volunteered at late notice to run the BBQ at Carnegie Safeway last weekend. It was greatly appreciated especially in the heat we had! A special thank-you to Penny Callaghan for organising the BBQ-you’re a star!

We thank-you for all your help!

Annie 0413 745 833 and abesnard74@optusnet.com.au

Leesa 0408 556 669 leesa.n@optusnet.com.au
Opening Hours:
Before School Care  7am-8.45am
After School Care  3.30pm-6.30pm
Vacation Care  7am-6pm

Pricing Information:
Before School Care:  $11.00 Permanent
                     $12.00 Casual
After School Care:   $13.00 Permanent
                     $15.00 Casual

Contact Information:
For bookings and enquiries ring Vicky (co-ordinator) 0402 043 810
For accounts ring Shereen on 0422 803 717
Or email Admin@ylvinc.com.au

For general enquiries or concerns with the program:
Contact Sally (Area Manager) on 0402 347 432

Just a reminder that parents need to book their children into the program by filling in a booking form.
Casuals also need to book their children in, by either phoning or texting the service.
The number is 0402043810. This helps the service to determine how many children to expect each night.
The service at the moment is registered to take up to 45 children.
Thursday nights at the moment is booked out. Please inform the service if you need to use the service on this particular night so that we can put you on the waiting list if a cancellation arises. Thankyou for your co-operation on this important matter. Please feel free to contact us to discuss further if required.
