Please note the following dates in your diary

**TERM 2**

**Tuesday 19th June**
PFA Meeting 7.30pm Staff Room

**Wednesday 20th June**
School Council Meeting 7.30pm Staff Room

**Thursday 21st June**
- School Photos Day
- Portfolio Sharing 3—4pm

**Friday 22nd June**
Assembly—9am School Hall

**Thursday 28th June**
PFA Fundraiser—sushi day

**Friday 29th June**
Term 2 finishes—early dismissal 2.30pm

**TERM 3**

**Monday 16th July**
Term 3 commences—9am

**Monday 23rd July**
Parent teacher interviews

**Wednesday 1st to Friday 3rd August**
Grades 3 & 4 Camp

**Monday 13th to Friday 24th August**
Whole School Swimming programme

**Thursday 30th August**
Curriculum Day—child free day

---

**PRINCIPAL’S REPORT**

**GROWING WITH THE COMMUNITY**

Our mission is to inspire the self belief and motivation in students that will enable them to achieve and grow.

**CAMP THANK YOU**

On Friday our Year 5/6 students returned from a fabulous four days at Camp Manyung in Mt Eliza. The reports from the children have been fantastic; it was a very successful camp. The staff also ‘sang the praises’ of the students for the manner in which they participated in the camp.

I would like to publicly thank the staff involved in the camp — Mr Douma, Mrs Bentata-Grimm, Mr Acklom, Miss Harley, Miss McGregor, Mr Champion, Miss Nakajima, Ms Taylor, Mrs Roberts and student teacher, Rebecca Roberts. I know only too well, how much time and effort goes into the organisation and planning to ensure that the camp is a safe and enjoyable experience for all. As well, the time and energy required while on camp with all staff being on duty 24 hours a day is a huge commitment.

I was fortunate enough to spend a day at the camp site on Wednesday and it was a pleasure being with our students watching them enjoying numerous outdoor activities specially designed to engage them while at the same time developing initiative, risk taking and team work. I personally am touched by how particularly persistent some of the ‘quieter’ achievers are when faced with a wide range of challenges such camps offer that is beyond the activities children usually pursue at home. Their efforts are something to be most proud of. I hope the mums and dads enjoyed sharing some of the highlights with their child over the weekend.

While camping programs are not mandatory for schools, they have become part of the fabric of what a school offers because staff know the enormous educational and social benefits that can be derived from them. We are fortunate to have staff that are committed to our camping programs.
PARENTS, TEACHERS AND STUDENTS WORKING TOGETHER
It is hard to believe that the first half of the school year is nearly over. It only seems like yesterday that the first day of school was here and everyone was in new classrooms and making new friends. Six months later it is time to look back and see the progress that has happened, as well as looking forward to setting new goals for the second half of the year.

In the last week of term, parents will receive a half year report on their child’s/children’s progress. This report provides a snapshot in time of your child’s achievements as well as what the school and the parent can do to support your child’s future learning.

Reporting to parents is a very important part of our program and your child’s education. It is an opportunity to discuss your child’s strengths and work together with the teacher on areas of concern. Taking an active interest in your child’s education is a great step in ensuring your child’s success at school. We look forward to seeing as many parents as possible at our parent teacher interviews to be held on Monday, 23rd July. Notices in relation to appointment times will be sent home in the last week of term.

READING YOUR CHILD’S REPORT – by Michael Grose, Parent Educator
Student reports bring mixed feelings for parents. Pleasure and pride if they are performing well but considerable angst when children are not progressing as you hoped. Reports can mean anxious times for children too. Will my parents be disappointed or proud? This is the main concern of most children. Kids of all ages take their cues from their parents, so your reaction to their school report can affect the way they see themselves as learners and as people.

Before you open the envelope containing the report do a little self-check to see if you are in the right frame of mind:

1. **Are your expectations for your son or daughter realistic and in line with their ability?**
   Expectations are tricky. If they are too high then kids can be turned off learning. Too low and there is nothing to strive for. Pitch your expectations in line with your child’s abilities. A quick check of your Child’s last report cards may provide you with a good yardstick.

2. **Do you believe that children learn at different rates?**
   There are slow bloomers, late developers and steady-as-you-go kids in every classroom, so avoid comparing your child to siblings, your friends’ children and even yourself when you were a child. Instead look for individual progress.

3. **Are you willing to safeguard your child’s self-esteem rather than deflate it?**
   Self-confidence is a pre-requisite for learning, so be prepared to be as positive and encouraging as possible.

4. **Here are some ideas to consider when you open your child’s report:**
   - **Focus on strengths.** Do you look for strengths or weaknesses first? The challenge is to focus on strengths even if they are not in the traditional 3Rs or core subjects.
   - **Take into account your child’s effort and attitude to learning.** If the report indicates that effort is below standard, then you have something to work on. If your child is putting in the required effort, then you cannot ask any more than that, regardless of the grading.
   - **Broaden your focus away from academic performance to form a picture of your child’s progress as a member of a social setting.** How your child gets along with his or her peers will influence his happiness and well-being, as well as give an indicator to his future. The skills of independence and co-operation are highly valued so don’t dismiss these as unimportant.
   - **Take note of student self-assessment.** Kids are generally very honest and will give a realistic assessment of their progress. They are generally very perceptive so take note of their opinions.
   - **Discuss the report with your son or daughter talking about strengths first before looking at areas that need improvement.** Ask for their opinion about how they performed and discuss their concerns. After reports are read and discussed celebrate your child’s efforts.

SETTING THE RIGHT EXAMPLE TO OUR CHILDREN
In partnership with parents we hope to instil a safe and responsible use of ICT and more specifically social media in our children. It comes to our attention, on quite a regular basis, that some students at our school have regular access to Facebook. I do remind all families that Facebook doesn’t permit kids under the age of 13 to access the site for reasons of personal safety. It doesn’t require proof of age to access
the site, so it’s a guideline only. Facebook’s recommendations, however, may be useful reference points if you are involved in negotiations with your child over using social networking sites.

As adults we need to help kids navigate safely and securely in an online world, just as you do in an offline world. Know what kids are doing; spend time teaching them common sense, safety lessons and limit their use of technology so that they stay connected to you and others in your family.

A very good website that offers support and guidance is http://www.cybersmart.gov.au

HEAD LICE
It has come to our attention that some children across the school have had head lice recently. This condition is easily treated by using an approved lotion which may be purchased from the pharmacy.

It is very important that all parents check their children’s hair regularly. If head lice are detected, treatment must commence immediately. Children can come to school if treatment has commenced. Thanking you for your cooperation and understanding.

As a preventative measure, tying back girls’ hair is also far more preferable than leaving it out.

SCHOOL PHOTOS – THIS THURSDAY – JUNE 21st
School Photo Day is this Thursday. Envelopes and information were sent home to all families last week. Monies are to be returned over the next three days. Envelopes for family photos are available at the office if parents are interested.

LAST DAY OF TERM
The last day of term 2 is Friday, 29th June. The children finish school at 2.30pm. They will be dismissed from their classrooms. I wish everyone a very safe and happy holiday and look forward to seeing you all again on Monday 16th July when we commence another great term.

WORDS OF WISDOM
Have regular hours for work and play, make each day both useful and pleasant and prove that you understand the worth of time being employed well. Then youth will be delightful, old age brings you few regrets and life will be a beautiful success.

Linda Jones—Principal

BIRTHDAY BOOK CLUB
Tilly—1A Billie B Brown-The Cutest Pet Ever
Lucas—2A Andy Roid and the Superhuman Secret
Daniel—1A Sebastian Lives in a Hat
Harshitha—Prep B Magic Beans

Chess Club
Term 3, 2012

Playing Chess helps students achieve many learning outcomes faster and more effectively.

Put simply; CHESS HELPS KIDS BECOME SMARTER!

It was great to see the enthusiasm of the chess club members every Tuesday last semester. Hopefully in Term 3 all members will be back to further improve their game!

This letter is to be filled out and returned if you are SERIOUSLY INTERESTED in joining chess club for the whole of Term 3. It is important that we have an indication of numbers so that we can book the appropriate number of coaches for the job.

IMPORTANT INFORMATION: Due to swimming in Term 3, Chess Club will be held for 8 weeks only. The estimated cost will be $90 per child. This amount will be confirmed once numbers are known.

You need to return this notice by Monday 25th July to help secure your position in the club.

________________________________________
CHESS CLUB INTEREST FORM TERM 3, 2012

My child __________________________ in year ____ A B C D is keen to participate in chess club for the third term of this year between 1.30pm and 2.30pm on Tuesdays.

Parent Signature: ____________________________________________
Arts News Term 2

We are very lucky at Carnegie P. S. to have such caring families who constantly provide us with materials that are used in the Arts Room and our school every day.

Thank you to all the families who have given us:
- magazines for a huge variety of inspiration and pictures,
- material scraps that we are currently using to decorate our art work,
- crockery that we will be used in our mosaics designs,
- cardboard pieces that we are using to add details to our art works,
- plastic containers that are used and re-used for paste, P.V.A. and paint,
- old towels that are cut into eighths and used for cleaning and drying little hands.
- The Arts Room has also been given the very generous gift of an iron. It has been so useful for setting our fabric designs and adding detail to our fabric crafts. Many thanks.

Some curious families have visited the Arts Room recently to find out more about the current Grade 3 and 4 art work, as their children were talking about it at home. The Sun and Moon project grew out of a calendar designed by artist Dan Morris.

Dan Morris grew up in Carmel, New York an hour north of New York City. At age eleven, he began studying art under sculptor, Paul Rudin. Dan continued his art study throughout high school and later attended Temple University, where he studied architecture.

Dan began his art and licensing career in 1994. Dan’s art is featured on ceramics, stationery collections, fabric and many items of home décor. Dan’s celestial/sun and moon calendars have been best sellers since 1999, and his many fabric collections are popular in crafting, quilting and manufacturing markets. In 1995, Dan created his best selling line of Tween decal art which he has recently updated as well. You may have seen a Dan Morris design without realising it!

Dan’s versatility has led him into multiple design styles and themes. Beach and celestials are just two of his more popular subjects. His portfolio features over a thousand designs in many styles. You can see examples of Dan’s work at www.danmorrisdesign.com.

Just wait until you see how Dan Morris’ celestial pictures have inspired the Grade 3 and 4 children at C.P.S. You will be amazed!

Suzy Bolger.
Information, Communications Technology

The ICT program at Carnegie Primary is constantly improving and evolving with the ever-changing technologies used around the world.

Adding 20 new iPads to our collection has allowed classes to incorporate these tablets into their curriculum for a vast variety of educational purposes in a one per student capacity.

Whilst using the iPads, our;
- Prep students have developed their understanding of the alphabet,
- Year 4 students have created their own eBooks and
- the Year 5 and 6 students are developing their digital portfolios.

We have purchased 45 new laptops to be distributed throughout the school, adding a further 2 laptops to every class and creating a secondary bank of laptops for classes to borrow.

We have also purchased new digital cameras and video cameras to capture many great moments around the school. These images can be seen on the television in the office, displaying videos, pictures, reminders and sports results.

While ICT is a separate subject, every class utilises our ever-growing resources to improve student learning. For example:
- Year 3 students created and filmed persuasive television advertisements to sell their products.
- We have installed Italian apps on the iPads to further engage students in LOTE classes.
- All students have been video taped performing a chosen PE skill. They then reviewed and analysed their actions via slow-motion replay to identify areas for improvement.

Last week our Year 5 and 6 students attended a four day camp to Camp Manyung, where they recorded and reflected on their experiences on iPads around the camp site.

The students and I look forward to sharing many more exciting and new ICT changes with you all over the course of the year.

Josh Acklom
ICT Coordinator
PFA MEETING TONIGHT
The last PFA meeting for term 3 is to be held tonight; same place, same channel! ie. Staff room, 7.30pm. All welcome!!

SUSHI DAY AT CARNEGIE PS!!
The PFA will be having a Sushi Day next week on Thursday 28th June provided to us by “Sushi at School”. The order forms, which were handed out to students last week, are due in this Friday 22nd June. The delicious sushi rolls will be delivered fresh to the school at lunchtime.

COLES- SPORTS FOR SCHOOLS 2012
Coles is once again running this program to enable schools to earn points to be redeemed for sports equipment. For every $10 you spend at Coles you will receive a voucher. These can be placed in the Coles box at the school office. The promotion runs until August 14th—so start collecting now!

AFL CREATE A POSTER
Students received a note a couple of weeks ago regarding this great opportunity to design their very own AFL poster with 25% of the purchase price going to the PFA. To order, go online to www.createaposter.com.au where you can select ANY AFL player you like along with your choice of background and fonts. When you are finalising your purchase, enter the code “Carnegie 1” in the “offer code” box in the promotions section. This offer is available until June 30th.

Thank-you!

School Holiday Programs at Three Sweeties

Cupcake Decorating Workshop – July 2nd and July 9th (Mondays)
Cookie Decorating Workshop – July 3rd and July 10th (Tuesdays)
Cake Pops Workshop – July 4th and July 11th (Wednesdays)

Morning Session: 9:30am – 11:30 am for our smallest sweeties aged 5-9 years old and an accompanying adult. Cost is $95 per pair (one child, one adult.) Maximum of 6 pairs per class.

These sessions will allow your little ones to have a go at cake decorating with their parents or adult friends – the focus is on coming along and having a good time with icing and decorations. We’ll demonstrate a few techniques and decorating ideas and let you and your little one go for it! Class includes the cupcakes, cookies, or cake pops you have decorated – maximum of a dozen per pair.

Afternoon Session: 12:30 - 3pm for our slightly older sweeties aged 8-14 who want to have a go on their own. Cost is $95 (one child) Maximum of 8 participants per class.

These sessions are for our older sweeties who can do a bit more in the kitchen, so they’ll learn more challenging techniques and concepts than our younger kids will, but still have enough fun that they will come out of the class proud of their achievements and with treats to share. Class includes the cupcakes, cookies or cake pops they have decorated – maximum of a dozen per family.

Interested in enrolling? Just give us a call on 1300 36 01 02 or pop in to the shop. Enrol in all 3 sessions (cupcakes, cookies and cake pops) and get 10% off!

LITTLE CHAMPIONS
Fitness for kids
The professional alternative to after-school sport
We provide kids with opportunities to build a lifelong love of activity through a fun,
fitness-based program.

Would you like your child to improve their confidence with physical activity?
Then join the kids’ fun & fitness revolution with “Little Champions” Personal Training sessions.
For around the same price as OSHC, our sessions provide your kids with opportunities to make meaningful
improvements in their fitness and self-esteem while having lots of fun along the way.

When: Tuesdays 4–5pm (Ages 8-12). Care begins at 3.45pm.
Where: Currently based at Glenhuntly Primary School, both indoor & outdoor facilities.

Sign up now for Term 3, 2012 to guarantee your spot – once they’re filled they’re filled.

Cost: For 10 Sessions totalling 12.5 hours!
EARLY BIRD PRICE: $145 (Booked pre June 20)
REGULAR PRICE $165 (Booked post June 20)

INCLUDES:
• 10 sessions of Group Personal Training focusing on fitness improvement through enjoyment.
• Experienced instructor who is both:
✓ Qualified Personal Trainer specialising in kids’ fitness,
✓ AND practising Primary School P.E. teacher.
• Fresh fruit prior to each session (from 3.45 – 4pm)
• Great gifts and prizes to keep kids motivated

www.trybooking.com/BKKM

Remember: Early bird discount closes 6 June 2012
For any enquiries, please call: 9578 3718

'C I thought the seminar was very insightful. I learnt that letting children think of possible solutions to a problem on their own rather than stepping in to resolve it for them will lead to them being independent and confident people in the long run.'
Cathy Giannis, parent, Watsonia Nth PS
