School Profile

Welcoming

Engaging

Achieving

The 2020 Prep enrolment reflects a steady increase over recent years and this trend of consistent growth is expected to continue with the area attracting younger families. The 2019 enrolment was around 600 students. We anticipate a slightly higher enrolment in 2020. This rise in enrolments has allowed for greater flexibility in both staffing and curriculum.

We focus strongly on maintaining and fostering our school as a learning community, valuing interaction between and contribution from students, parents, teachers and the wider community through:

- providing an environment that is safe and secure
- facilitating effective communication to foster strong partnerships
- providing equal opportunity for all members of the school community
- providing regular professional development for staff
- valuing and facilitating academic excellence
- supporting students to attain their individual potential by building on their strengths and experiences
- encouraging, recognising and rewarding achievement and effort
- developing in students such qualities and social skills as resilience, responsibility, communication, independence, problem solving, creativity and respect for themselves and others
- providing and fostering a cooperative environment where students can share the responsibility for their own learning, behaviour and health

Our main aim is to foster in students, qualities and skills which will enable them to be successful, confident and tolerant individuals, able to contribute positively to a constantly changing society.

Carnegie Primary offers a comprehensive curriculum in line with the Victorian Curriculum. We strongly emphasise the development of skills in English and Mathematics. Specialist programs are offered in the Arts, Physical Education, ICT and a language other than English, Japanese, with a perceptual motor program (PMP) provided in prep and grade one. We embrace a Discovery Learning model ensuring essential learnings contained in the Victorian Curriculum are covered in a student's journey at CPS.

To actively support these curriculum areas, the following enrichment programs are provided:

- biennial art exhibitions and whole school concerts
- coding and robotics
- social emotional learning framework that includes Bounce Back, RRRR and other programs
- water safety and swimming lessons
- camps
- interschool sport
- junior school council
- student leadership programs
- buddy program
- instrumental music lessons from external providers (piano, keyboard, guitar and violin)

The school's grounds consist of a large oval, sandpits, a basketball and netball court as well as shaded fixed play equipment. In 2018 we embarked upon a capital works program funded by the State Government, to construct a gymnasium, art room and music facility. This building opened in late 2018 and the next step of upgrading and refurbishing the existing prep building began. This was completed at the start of 2019, enabling the 2019 prep students to be the first cohort to use the new facilities. A learning centre was constructed in 2011 as part of the BER program. This was complemented by the refurbishment of some of our more traditional upstairs classrooms and the renewal of our administration area in the main building. We are excited to have the opportunity to considerably enhance our teaching and learning spaces to support 21st century learning and our teaching and learning pedagogy. What exciting times lie ahead!

To facilitate improved student learning outcomes, the school has identified three major student learning goals:

- To maximise learning growth in literacy and numeracy for all students
- To empower all students to be motivated, curious and self-directed learners
- To foster an inclusive and respectful community

The School Council

The School Council is a representative body which is responsible for developing and implementing the policies of the school. The School Council is comprised of parents, teachers, the principal and community representatives. School councillors nominate for the various sub-committees, which report back to council. The sub-committees are Finance, Buildings and Grounds, Out Of School Hours Care, Policy and Programs, Marketing and PFA. The term of office for school councillors is two years with elections held each February / March. The School Council and each subcommittee meets monthly. Membership of the School Council can be rewarding and all parents are encouraged to consider nominating for vacancies.

Message from the School Council

Dear New Parents and Carers,

On behalf of the School Council we welcome you and your child. At Carnegie Primary School we pride ourselves on the sense of community that has been cultivated at our school. We encourage an active, positive and rewarding partnership between parents and our staff. We would like you to feel that you can become involved in the school at many different levels such as joining groups or assisting in areas such as:

- *School Council*
- *Parents and Friends' Association*
- *social and fundraising events*
- *sports and special events assistance*
- *assisting in classes - reading, typing, perceptual motor program*
- *computer and technological advice*
- *coaching of sport teams*
- *mentoring of students*
- *supporting our library and joining the library lovers group*
- *working bees*

We look forward to a happy association with your family and trust that the time spent with us will be an enjoyable experience.

Yours sincerely,

Susan Harper
SCHOOL COUNCIL PRESIDENT

Parents & Friends' Association

The Parents & Friends' Association (PFA) was formed to enable parents and friends of students at the school to play an active role in their children's education and in school events. It is a vital part of the school community and represents our families at the school.

The objective of the PFA is to raise funds for the benefit of the children and the school. Members meet on a monthly basis to discuss ideas for fund raising activities and to plan social events. The Association is an active one and the school community generously supports our activities, resulting in a substantial contribution to the school. Recent fundraising activities have targeted the Audio Visual systems in our new gymnasium, literacy resources, classroom furniture, outdoor landscaping and playground improvements.

The members are a friendly group and enjoy many social functions together. It is a great way to meet new people and to enjoy the company of friends whilst helping the school. We understand that everyone's lives are busy and appreciate whatever time members are able to offer to the school.

Some of the social, fundraising and community activities of the Parents and Friends' Association from previous years are:

- welcoming new parents during prep orientation and at our annual School Expo
- welcoming prep families at the first social occasions such as Pizza Night
- Easter Egg Raffle & Hot Cross Bun Drive
- fete and trivia nights
- Mother's Day & Father's Day stalls for the children
- crazy hair walkathons
- community BBQs
- end of year school picnic and concert
- working bees
- occasional hot chocolate and ice-cream sales to students

BRAIN FOOD

During the morning session, classes have a 'Brain Food' break. This usually occurs at about 10am. Brain food snacks consist of fruit, cut up vegetables or cheese. Nutritional non packaged food is the best option for this time as it allows children to fill the gap from breakfast to recess. It is an additional snack to their recess snack so please pack both. Due to the changes in timetable at the beginning of the year, Brain Food will commence towards the end of term 1 in prep.

SUGGESTED LUNCH

Children either eat their lunch inside or outside, supervised by their teacher. The lunch needs not be too large; one round of sandwiches and a piece of fruit in most cases is sufficient. Plastic lunch boxes and water bottles should be clearly named. Please note that glass bottles should not be brought to school.

Include another piece of fruit or small snack separately for your child to eat for play lunch at morning recess.

We encourage litter free lunches, otherwise known as nude food and request where possible that food is placed directly into lunch boxes, eliminating paper and plastic wrapping which are the cause of much schoolyard litter. Our aim is to encourage sustainable practices.

ANAPHYLAXIS/NUT POLICY

We do not ban certain types of foods (eg: nuts) as it is not practicable to do so, and is not a strategy recommended by D.E.T. or the Royal Children's Hospital. However, the school will request that parents do not

send those items to school if at all possible; that the lunch order provider eliminate or reduce the likelihood of

such allergens, and the school will reinforce the rules about not sharing food, and not eating foods that parents

have not provided or consented to.

BIRTHDAY TREATS

Like many schools, a tradition in classrooms has been many children choosing to share a small treat with their classroom peers when it is their birthday. We think this is a lovely token and is a nice touch should families/children wish to do so. If this is something you and your family wish to do, we ask that you keep the treats small and consider healthy choices. Some children do choose to eat such treats at school but if you would prefer such treats to be bought home, please make you have shared your thoughts with your child's teacher.

School Programs

Maximise Your Child's Potential:

- Academic opportunities
- Leadership opportunities
- Sporting opportunities
- Musical opportunities
- Artistic opportunities
- Public speaking opportunities

Curriculum

At CPS we embrace a comprehensive curriculum with a strong emphasis on academic development along with social, emotional and physical development.

The Victorian Curriculum is based on eight learning areas and four general capabilities.

The Learning Areas are: English, Mathematics, Science, Health & PE, Languages, The Humanities, The Arts and Technologies.

The Capabilities are: Critical and Creative Thinking, Intercultural Capability, Personal and Social Capability and Ethical Capability.

Newsletter

The Carnegie Primary School Parent Newsletter is published fortnightly on a Tuesday. It contains a diary of coming events, a Principal's Report, Parents and Friends news, general news, student items and local advertising. Families should subscribe to receive this newsletter by email via a link on the front page of our school website: www.carnegieps.vic.gov.au. A direct link to each newsletter is also provided on the school website.

Compass School App

The Compass App, can be downloaded and set up on your phone or smart device. We use this app for reminders, important information and urgent notifications and we believe it is in all our interests to have all families subscribed. Compass log in details will be provided at the beginning of the school year.

Attendance

Student Absences

If a student is absent from school, parents are required to use the Compass App to log the absence prior to the school day beginning. An sms asking families to contact the school will be sent to families if students are absent without notifying the school in order to comply with Department of Education regulations.

Students Leaving Early

Children are not permitted to leave the school grounds during normal hours of instruction without the permission of the Principal or Assistant Principal unless they are being picked up by their parent. Children may leave the school ground on school business but only under the supervision of a teacher. If they are taken out of the school, parental approval is also required. Parents should log the early departure on the Compass App and then update the departure via the Compass Kiosk in the office foyer.

Our school has the security of high fences on all boundaries and the gates are locked during school hours.

Urgent matters can be dealt with at any time so please contact the office.

Enrolling Students

Under the Health Act, all children enrolling in primary school or transferring between schools are required to present an immunisation certificate stating whether the child has been immunised against diphtheria, tetanus, polio, measles and mumps.

Exiting Students

Parents are requested to inform the office as soon as possible when their child/ren are transferring, as a transfer note and other relevant documents will need to be sent to the new school.

School Requirements

We follow relevant DET guidelines in relation to school requisites and information is placed on our school website. Classroom requisites are bought in bulk, and are charged as part of the booklist. There is also a levy to cover consumables e.g. art supplies.

Our School Council asks all parents to contribute to a Voluntary Contribution Scheme. This money is used to maintain and improve our buildings and grounds and ICT/digital technology equipment.

Excursions, Incursions and Camps

Throughout each year, a number of excursions, incursions and camps are held relating to the educational programs your children are participating in at school. It is important for your child to attend these activities as much work occurs before and after these excursions/incursions. Notices are sent home informing you of the activity, dates, location etc. Please ensure these forms are signed and returned to the classroom teacher as soon as possible. Children who do not have a signed consent form cannot be permitted to attend the excursion.

Government Assistance CSEF (Camp, Sport and Excursion Fund)

Parents who are the holders of a Health Care Card are often entitled to an annual payment per primary aged child. When funds are made available, application forms may be picked up from the office and Health Care Cards must be shown upon application. Information is made available at the start of the school year.

Student Information

Parents are asked to inform the office as soon as any personal details change for their child/ren. This includes change of home, work and mobile phone numbers, change of family doctor and change of emergency contact numbers.

Please make this a priority as students are often upset when they are unwell and become anxious when we are unable to contact you.

Communication

- Parent Information Evenings (prep only)
- Meet the Teacher evening in February
- 'You Tell Us' afternoon/evening in February
- Regular formal parent/teacher meetings
- Teachers freely available to meet with parents by appointment
- Written school reports midyear & end of year

- Regular school newsletter emailed each fortnight
- Compass App
- School website
- Emails to and from teachers
- School notice boards
- Displays of work throughout school
- Diaries Years 3-6, used as a means of communication

Before & After Hours School Care

Youth Leadership Victoria: 0402 043 810

To ensure student safety, it is school policy that any child who is left unattended in the playground before 8.45am or after 3.45pm (i.e. when there is no teacher on yard duty) will be placed in the Before or After School Care Program with parents responsible for the fees.

The program is part funded by the Office of Pre-School and Child Care as well as by parent fees. Fee relief is available for eligible families.

We advise parents to fill in an Out of School Hours Care Program enrolment form so that if you are delayed, caught in traffic or have any other emergency, you may avail yourself of this service.

An enrolment form for Before and After School Care is available from the office or at Out of School Care in the gym. Times for booking places on Curriculum Days and during holiday programs are published in the school newsletter during the year.

Visitors

All visitors are asked to call in at the office when visiting the school, sign into our Compass Kiosk and collect a visitor pass.

Student Safety And Welfare

Location and Safety

- High fences and secure gates surround the school.
- Three supervised school crossings and effective pedestrian crossings.
- Teachers on yard supervision from 8:45am during morning recess and lunch recess and after school until 3:45pm.
- Gates are locked at 9:30am and re-opened at approximately 3:15pm.

Buildings and Accommodation

- An extensive capital works project commenced in 2018 and will be completed in 2019. A new gym, art and music facility were completed in 2018 and the refurbishment of our prep building commenced in September 2018 to be completed mid 2019.
- Well maintained heritage buildings
- 8 classroom open plan learning centre
- Air conditioning

Grounds

- Construction of a new gym in 2018
- Grassed and treed play areas
- School oval which we hope will be given a significant make over in 2019
- Shaded play equipment
- Play areas for junior and senior children
- Netball and basketball court
- Vegetable gardens

Uniforms

- Uniforms can be purchased at PSW, Ormond
- Winter and summer uniforms
- The wearing of the uniform is compulsory
- As part of the Sunsmart program, sunhats are worn outdoors as part of the uniform policy during Terms 1 and 4
- Regular second hand uniform stalls

School lunches

Children are encouraged to bring a nutritional lunch. The school must be notified of any food allergies/intolerances. Children are asked not to share their food. Glass bottles and cans are not permitted for safety reasons. Lunch orders are provided by A.J. Bakery.

Bicycles and Helmets

The law requires that all cyclists must wear an approved bicycle helmet. Our School Council recommends that only students in years 4, 5 and 6 ride a bicycle to school unaccompanied by an adult. A bicycle compound is provided in the grounds, which is locked during school hours.

First Aid Protocols

Children who are sick during the day are sent to the First Aid room. If children need to go home, parents or carers are informed and children are collected from school.

If children are very sick or more seriously injured and parents or their emergency contact person cannot be contacted by phone, we are obliged to ring an ambulance to take the child to the doctor or hospital. DE&T does not provide personal accident insurance for students. Parents and guardians are responsible for paying the costs of medical treatment for injured students including medical transport. Teachers cannot take children to the doctor or hospital in private cars. The cost of the ambulance will be the responsibility of the parents. We advise parents consider taking out ambulance cover. Health Care Card holders receive free ambulance service.

Sunscreen in Hot Weather

We recommend that your child arrive at school with sunscreen already applied in the hot weather. They can then reapply at lunchtime if needed. We highly recommend a roll on lotion as it is easier for young children to apply. Please supply your child with their own sunscreen.

Car Travel

For the safety of all children in the school community, parents transporting children to and from school by car are strongly requested to:

- Use the legal parking zones
- Ensure your child uses the manned school crossing to cross the road to reach your parked car or enter the school grounds
- Adhere to the 40km speed zone

Supervision Before and After School

Supervision of the playground before school begins at 8:45am and finishes after school hours at 3:45pm. Students should not arrive at school before 8:45am and they are to be collected by 3:45pm.

Toys

Toys that could be dangerous to children must not be brought to school e.g. toy guns. Toys and possessions that are expensive or precious to your child should not be brought to school. We are unable to take responsibility for the safe care of such property.

Child Safety Policies and Practices

In September 2016, the Government released new minimum Child Safety Standards which aim to create safe cultures and environments in organisations that work with children. We, along with other schools, have worked on policies, protocols and programs to achieve compliance in this area from the commencement of 2017. Our Child Safe policy, Child Safety Code of Conduct and updated Wellbeing Policy are on our website. Paper copies are available from the office. Further information is available at:-

<http://www.education.vic.gov.au/childhood/providers/regulation/Pages/childsafestandards.aspx>

Working with Children Checks

In line with the above guidelines, Working With Children Checks require stronger oversight for visitors and volunteers in schools. As a result, any parent or carer who wishes to attend an excursion and supervise a group of students (e.g. visiting the zoo, museum, Scienceworks etc) will need to provide the school with a Volunteer Working With Children Check. Obviously the primary duty of care always falls to our teachers but on such occasions, parents may be the primary carer for a period of time at an excursion.

These are free and relatively easy to obtain on line at www.workingwithchildren.vic.gov.au.

Such checks aren't required for parents who attend sessions such as Book bags or the Parent Helpers program as activities such as this are exempt under the guidelines. If you have any questions or need assistance, please see the principal or assistant principal.

Carnegie Primary School Student Dress Code

PURPOSE

The purpose of the Student Dress Code is to outline Carnegie Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Carnegie Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims:

- To foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Carnegie Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

UNIFORM AND APPEARANCE

The full list of Carnegie Primary School's compulsory school uniform items are available at Appendix A to this policy.

General appearance

While at school, travelling to or from school or participating in school activities, Carnegie Primary School students must comply with the following:

- Uniforms should be clean and in good repair
- Uniforms must/should be clearly marked with the owner's name

Jewellery and cosmetics

For safety reasons, students are not permitted to wear decorative jewellery to school. Stud earrings and sleepers worn in the ears, and watches, are the only acceptable jewellery.

Other than clear nail polish, cosmetics may not be worn at school.

Hair and Sun safety

Shoulder length or longer hair should be tied back to help restrict the spread of nits and lice and for student safety.

School uniform hats must be worn outside until the end of April and from mid August. School uniform hats may also be worn outside of this time period, by parent or student choice.

Hats are not to be worn inside.

Students are permitted to wear sunglasses during outdoor activities. Sunglasses should be close-fitting, wrap-around that meet the Australian Standards 1067 and cover as much of the eye area as possible.

Cold Weather Precautions

On cold days, children may wear coats, hats or scarfs, such items are not part of the school uniform and are not to be worn inside.

PURCHASE OF UNIFORMS

- Uniform items can be purchased directly from the PSW (Primary School Wear) store in Ormond. The address is 1/596 North Rd, Ormond 3204. The phone number is (03) 9768 0387 , website, www.psw.com.au
- Carnegie Primary School Parents & Friends Association also operates a second-hand uniform stall for families. Details of open times and dates are published in the School Newsletter. Donations of uniform items in good condition are also sought, in order to be able to provide this service to our community.

Support for families experiencing difficulty

Please contact the Principal or Business Manager to discuss support that we may be able to provide to families experiencing difficulty meeting uniform costs, including information about eligibility for uniform support through State Schools' Relief. Further information about State Schools' Relief is also available on their website: <https://www.ssr.net.au/>

IMPLEMENTATION

Carnegie Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and newsletter]. We will assist students who may be experiencing difficulties complying with this policy where possible.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

CONCERNS ABOUT THIS STUDENT DRESS CODE

Carnegie Primary School welcomes feedback from the school community in relation to this Student Dress Code. If you have a concern or complaint about the Student Dress Code, further information about raising a concern or complaint is available in our school's *Parent Complaint Policy*, available on the school website.
