ARCHITECTS

ARCHITECTURA RAW

Imagine waking in a home that truly inspires you. That puts a smile in your heart to face the day. A place where you feel amazing just being in and around it.

Filled with natural light, fine materials and nature it's your refuge to return to, your place to wind down, chill-out, reenergise. Everything is exactly where and how you want it. It's pure comfort and ease. It's your inspiring lair from which you venture out into your world.

This is what I create for you.

LITTLE PEEPS PAEDIATRIC OCCUPATIONAL THERAPY

We are a private paediatric occupational therapy service dedicated to helping families who have babies and young children with a disability, developmental delay or are at risk of delays. Our aim is to help the learning and development of babies and young children (up to school age) so they can carry out the daily activities and routines important in their lives. We provide our service through visits to the home or other community environments such as childcare or kindergarten. Please call us to book an appointment and talk about how we can help.
