

Child Safe Standards Risk Register

School name:	Carnegie Primary School	Responsible staff member:	Liz Harley – Leading Teacher
Date endorsed:	March 2023	Endorsed by:	Karen Roberts - Principal
Next review date:	March 2024	File location:	Google Drive

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
Child Safe Standard 1 – Aboriginal cultural safety						
<p>Risk Title: Culturally safe environments</p> <p>Description: There is a risk that the school fails to establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and students are respected and valued</p> <p>Risk type: Situational, Organisational</p>	<ul style="list-style-type: none"> ● Racism, discrimination and bullying not adequately managed and addressed ● Ignorance/lack of awareness ● Curriculum that doesn't include Aboriginal Australians ● An unwelcoming environment for Aboriginal students ● Policy development and review is not consultative 	<ul style="list-style-type: none"> ● Aboriginal students are less likely to trust school staff which may result in them being less likely to report abuse by adults or peers, and make them more vulnerable to harm ● Aboriginal students do not feel welcome, safe, respected or valued for their diverse and unique identifies which may result in them being less likely to report abuse by adults or peers and make them more vulnerable to harm ● Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> ● Our Child Safety and Wellbeing Policy outlines the controls in place to establish a culturally safe environment ● other documents that address Aboriginal cultural safety: <ul style="list-style-type: none"> ○ Student Wellbeing and Engagement Policy ○ Bullying Prevention Policy ○ Inclusion and Diversity Policy ● Controls to address racism, discrimination and bullying are outlined in the Bullying Prevention Policy and the Student Wellbeing and Engagement Policy. ● When an Aboriginal or Torres Strait Islander student enrolls at CPS, the Principal or nominee is to contact the local Indigenous community for additional information pertaining to the education of Indigenous children. <ul style="list-style-type: none"> • IEP for each student by the classroom teacher • KESO – DE contacted by the Principal or nominee 	Yes	<ul style="list-style-type: none"> ● Action Plan – Aboriginal Learning, Wellbeing and Safety Policy outlines the actions available for enrolling and maintaining the Indigenous customs of children while attending school. <p>Chronicle incidents of racism and discrimination on Compass.</p>	Ongoing
Child Safe Standard 2 – School leadership, governance and culture						

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
<p>Risk Title: Leadership, governance and culture</p> <p>Description: There is a risk that child safety and wellbeing is not embedded in the school's leadership, governance and culture</p> <p>Risk type: Organisational, Propensity</p>	<ul style="list-style-type: none"> • Child safety is not prioritised • Decision-making power concentrated in one individual • Unclear accountabilities • Staff and volunteers are unaware of the school's expectations relating to their conduct and role in supporting child safety and wellbeing • Culture of secret keeping • Poor management of conflicts of interest • Lack of leadership on child safety • Poor understanding of the foreseeable risks relating to child abuse • Poor understanding of recordkeeping and information management • Poor child safety messaging 	<ul style="list-style-type: none"> • Increased risk of child abuse occurring, remaining undetected and not being responded to appropriately because the school does not have a culture of child safety and reporting of child safety incidents or concerns • Increased risk of child abuse occurring, remaining undetected and not being responded to appropriately because staff and volunteer roles and responsibilities are not clear • Poor practices and understanding of information sharing obligations may result in staff or volunteers not sharing important information to reduce the risk of child abuse or conversely, sharing sensitive information inappropriately contributing to further harm. • Poor records and record-keeping practice can contribute to delays or failures to identify and respond to child safety risks and incidents and can obstruct survivors seeking information about their time at our school. It can also compromise the school's ability to monitor for systemic issues that required changes to policy, procedure or practice. • Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> • Our Child Safety and Wellbeing Policy outlines the controls in place to ensure a child safe culture is embedded across the school • Our Child Safety Code of Conduct is adopted and actively enforced by school leadership. Inconsistent staff, contractor or volunteer conduct is swiftly addressed. • Our Child Safety and Wellbeing Policy and Code of Conduct are publicly available and promoted in the school community • This risk register is reviewed annually and after any significant child safety incident or concern • Our Volunteers Policy supports volunteers to understand their obligations on information sharing and recordkeeping • PROTECT posters and the Four Critical Actions are displayed around the school • Records management obligations are met through adherence to the Records Management - School Records Policy and all staff and relevant volunteers understand their obligations on information sharing and record keeping through induction, training and support from leadership. 	Yes	<ul style="list-style-type: none"> • PROTECT Posters around the school to be updated 	Term 2
Child Safe Standard 3 – Children are safe, informed and actively participate						
<p>Risk Title: Student empowerment</p>	<ul style="list-style-type: none"> • Students don't know how to make a complaint or raise a concern or don't feel 	<ul style="list-style-type: none"> • Abuse is more likely to happen if students do not feel supported to participate in decisions that affect them 	<ul style="list-style-type: none"> • Our Child Safety and Wellbeing Policy outlines the controls in place to support child and student empowerment and is implemented 	Yes	<ul style="list-style-type: none"> • Student Leaders in 2023 to coordinate and facilitate lunch time activities and games. 	Term 2, 2023

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
<p>Description: There is a risk that students will not be empowered about their rights, participate in decisions affecting them or be taken seriously</p> <p>Risk type: Vulnerability</p>	<p>confident that they will be listened to</p> <ul style="list-style-type: none"> • Students don't understand their rights • Student input in decision making is not supported or valued • Student contributions or concerns are not taken seriously • Students are not offered sexual abuse prevention education • Students are coerced or silenced by adults at the school • Lack of friendship or peer support 	<p>and do not feel like they will be listened to.</p> <ul style="list-style-type: none"> • Failure to empower students with information about their rights, child safety risks, and sexual abuse prevention will increase the risk of abuse going unidentified and unspoken • If students do not feel confident or empowered to raise a concern, they will be unwilling to report abuse • Lack of friendship or peer support may increase vulnerability to abuse • Lack of friendship or peer support increases the risk that the student will not feel confident to discuss concerns with their peers, making it more likely that abuse will go unidentified and unspoken • Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> • Complaints Policy details how students can raise complaints and concerns and is promoted widely to parents and students • Student Wellbeing and Engagement Policy outlines the controls in place to ensure student wellbeing is supported and prioritised • Students are provided with age-appropriate sexual abuse prevention programs and relevant related information through Resilience, Rights and Respectful Relationships teaching and learning materials • Students are educated about their rights through: Resilience, Rights and Respectful Relationships lesson delivery, Zones of Regulation, Start Up Program, Restorative Practices approaches and Cyber Safety lessons. • Friendship and peer support are promoted through: Restorative approach to behaviour management, RRRR whole school approach and lesson delivery, Peer Mentor Program, Better Buddies Program and friendship seats. • CPS has a strong wellbeing focus that is evident in all learning spaces – lesson content, student work, posters that promote positive behaviours and student rights and responsibilities. • All classes develop a passion statement at the beginning of the year that outlines the expectations of behaviour and attitude towards themselves and each other. • Lunchtime clubs and activities are available for students each day and a break out space is dedicated for students needing sensory regulation or partner play. 		<ul style="list-style-type: none"> • Contact Police Protective Unit to run sessions for senior students to inform and keep them safe in the online world. 	Term 1, 2023
Child Safe Standard 4 – Family engagement						
<p>Risk Title: Families and community involvement</p> <p>Description: There is a risk that families and</p>	<ul style="list-style-type: none"> • Unwelcoming staff • Lack of appreciation of the value of community consultation and engagement • The school does not offer information to families and 	<ul style="list-style-type: none"> • Child safety and wellbeing practices without input from families may result in practices that do not cover all the diverse needs of students, resulting in a risk that students do not feel safe or able 	<ul style="list-style-type: none"> • Our Child Safety and Wellbeing Policy outlines the controls in place to engage families and is implemented • All child safety and wellbeing policies and procedures are publicly available and promoted in the school community • Families and the school community are invited to have a say in the development and review of child safety and 	Yes	<ul style="list-style-type: none"> • Parent Information Evenings – RRRR Topic 7 and 8 to be held annually. • Inform CPS families about CPS approach to Child Safety and Wellbeing and the roles and 	ongoing

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
communities are not informed, and involved in promoting child safety and wellbeing Risk type: Organisational	communities or avenues to contribute to policies and decisions relating to child safety and wellbeing <ul style="list-style-type: none"> Lack of staff training, culture or willingness to engage families and communities 	to actively participate in school life (see Child Safe Standard 1 and 3) <ul style="list-style-type: none"> Families and communities not engaged in child safety at the school are less likely to be able to support the school to reduce risk by keeping an eye out for unsafe behaviours and raising concerns. Families cannot help students identify abuse Families do not support students who want to make a complaint If families lack awareness about child safety including risks of child abuse, children may be more vulnerable to being groomed by perpetrators seeking to obtain their trust. Physical and psychological harm as a result of child abuse 	wellbeing policies, procedures and practices through our school website and newsletters <ul style="list-style-type: none"> School council approves all Child Safe Policies as representatives of our CPS community. 		responsibilities of staff through website and newsletters.	
Child Safe Standard 5 – Equity and diverse needs						
Risk Title: Diversity and equity Description: There is a risk that equity is not effectively upheld, and diverse needs are not respected in policy and practice Risk type: Vulnerability	<ul style="list-style-type: none"> Diverse cohorts have not been identified for targeted support (such as students with disability, students who identify as lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+), students in out of home care, international students and students who are culturally and linguistically diverse) Diverse cohorts not supported adequately Diverse cohorts feel unwelcome 	<ul style="list-style-type: none"> Diverse cohorts who do not feel safe or who are not adequately supported for their diverse and specific needs are more at risk of abuse and harm and will be less able or willing to report concerns. Experiencing discrimination can increase a child's vulnerability to abuse and harm and can also mean they are less likely to ask for help or speak up if they have a concern Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> Our Child Safety and Wellbeing Policy outlines the controls in place to support equity and diverse needs and is implemented Student Wellbeing and Engagement Policy outlines how the school pays particular attention to the needs of students with disability, students from culturally and linguistically diverse backgrounds, students who are unable to live at home, international students, and lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+) students New Unisex toilets in toilet block for all students to access. Child safety information, support and complaints processes are culturally safe, accessible and easy to understand. CPS can offer the following documentation- <ul style="list-style-type: none"> Bullying Prevention Policy Inclusion and Diversity Policy Complaints Policy 	Yes	<ul style="list-style-type: none"> Vanessa Hamilton Sexuality Education Program being investigated as a whole school approach towards sexuality, gender and consent education in 2023. (Jenni – Wellbeing Leader) Investigate preferred pronouns on rolls / reports Policy committee to consider school uniforms options that may be gender neutral. 	Semester 2, 2023

Child Safe Standard 10 – Review of child safety practices						
<p>Risk Title: Review and improvement</p> <p>Description: There is a risk that the implementation of the Child Safe Standards is not regularly reviewed and improved</p> <p>Risk type:</p>	<ul style="list-style-type: none"> • Failure to regularly review child safety policies, procedures and practices (every 2 years) or following any significant child safety incident • Failure to use analysis of complaints, concerns and safety incidents to inform possible improvements to child safety policies, procedures and practices 	<ul style="list-style-type: none"> • Child safety policy, procedures and practices may become out of date with any new laws or guidance on good practice, compromising the school's ability to protect students from child abuse and to respond appropriately to complaints and concerns. • Child safety policy, procedures and practices may no longer meet the needs of the local school community compromising the school's ability to 	<p>Carnegie Primary School ensures child safety policies, procedures and practices are regularly reviewed and improved, for example</p> <ul style="list-style-type: none"> • A register of the school's policies relating to the child safe standards, including approvers and review cycles is used to support staff to maintain and update our policies • A working group (led by the child safety champion) is established to review child safety policies and procedures- Wellbeing Team, SIT and Policy and Planning committee. • We determine the causes of child safety incidents and monitor for repeat issues or systemic failures, updating any 	Yes	<ul style="list-style-type: none"> • 	

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
Organisational	<ul style="list-style-type: none"> Failure to inform families and communities of the outcome of reviews of child safety policies, procedures and practices 	<p>protect students from child abuse and to respond appropriately to complaints and concerns.</p> <ul style="list-style-type: none"> Child safety policy, procedures and practices are not improved as a result of analysis of past complaints, concerns and safety incidents, reducing the school's ability to protect students from child abuse and to respond appropriately to complaints and concerns. Physical and psychological harm as a result of child abuse 	<p>child safety policy, procedure or practice where gaps or improvements are identified</p> <ul style="list-style-type: none"> We have a log of complaints and concerns to allow us to monitor areas for improvement in our child safety policies, procedures and practices. We inform families through our school's newsletter when child safety and wellbeing policies are being reviewed and ensure they are invited to provide feedback We review policies and update regularly Child Safety policies during staff meetings and School Council meetings 			
Child Safe Standard 11 – Implementation of child safety practices						
<p>Risk Title: Policies and procedures</p> <p>Description: There is a risk that policies and procedures do not effectively document how the organisation is safe for children and students and are not effectively implemented by staff and volunteers.</p> <p>Risk type: Organisational</p>	<ul style="list-style-type: none"> The policies and procedures do not address all actions and measures required under the Child Safe Standards The policies and procedures are not informed by best practice models and family and community engagement Staff and relevant volunteers are not provided with an adequate induction or ongoing training and are not properly supported to implement the policies and procedures due to lack of modelling and support from leaders Policies and procedures are difficult to understand 	<ul style="list-style-type: none"> If child safety policy and procedures fail to address all aspects of the Child Safe Standards it will result in gaps in protection of children and increased risk relating to child abuse If child safety policies and procedures are not effectively documented or are difficult to understand it may result in staff (particularly new staff) being unaware of their child safety obligations, roles and responsibilities increasing the risk of child abuse If child safety policies and procedures are not informed by best practice or family and community engagement it may result in compromised ability to protect children from child abuse. Failure to induct, train and support staff and relevant volunteers on implementation of child safety policies 	<ul style="list-style-type: none"> Our suite of child safety and wellbeing policies and procedures address all aspects of the Child Safe Standards Our staff and relevant volunteers are inducted and trained on our child safety and wellbeing policies, procedures and practices and are supported to implement them Our school leaders champion and model our child safety policies, procedures and practices and address any performance concerns relating to staff conduct or implementation Our Child Safety Champion regularly reviews PROTECT guidance and other relevant policies to ensure our own local child safety policies, procedures and practices are informed by best practice and updated where required. 	Yes
